

Stretto Music

Stretto Music delivers exceptional whole class music teaching for children in EYFS, KS1 & KS2. We are a team of experienced musicians and music specialists who motivate pupils through our unique, creative approach to teaching, rooted in the core aims of the National Curriculum. Our teachers pride themselves on developing key musical skills and techniques whilst inspiring children and staff through live performance, included in their weekly teaching.

MUSIC CURRICULUM - EYFS AND KS1 CORE AIMS

- ★ We use our voices expressively and creatively by singing songs focussing on different rhythmic patterns.
- ★ We start to introduce the children to musical concepts & terminology: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.
- ★ We play tuned and untuned instruments musically and learn to follow the conductor.
- ★ We listen with concentration and musical understanding to live music.
- ★ We experiment, create, select and combine sounds using the inter-related dimensions of music.
- ★ We focus on teaching pupils to develop and control their musical aural memory.
- ★ We teach the pupils to sing and play musically with increasing confidence.
- ★ We target these areas and make sure the KS1 children experience the joy of learning through exposure to live musicians.

MUSIC CURRICULUM - KS2 CORE AIMS

We teach children to sing and play musically with increasing confidence and control. We develop their understanding of musical composition, manipulating ideas within musical structures and developing their aural memory skills.

Stretto musicians focus on these elements in our whole class teaching:

- ★ We perform in solo and ensemble contexts, using the voice and various instruments with accuracy, fluency, control and expression.
- ★ We improvise and compose music as a team using the inter-related dimensions of music.
- ★ We develop our aural memory skills and learn to understand staff and other musical notations.
- ★ We bring high-quality live music & interaction in to the classroom.
- ★ We reference recorded music drawn from different traditions and from great composers and musicians thus developing an understanding of the history of music.

We deliver whole class music teaching and focussed music learning in smaller groups. Each session will be tailored to the needs of your children, ensuring each child is challenged and motivated through vibrant music making.
