TONY CAMPAS, EXALTED RULER

SANTA MARIA, CALIFORNIA

OCTOBER 2019

**EXALTED RULER**

*Tony Campas*

Members,

It has been brought to my attention that we have an issue regarding Elks Members entering the Elks Event Center grounds just to look around. This is a practice that needs to stop for a few reasons. Unless you are part of a crew who is performing work out there when there are no events in progress, you have no reason to be out on the Event Center grounds. First, there is a safety issue. When you're out there wondering around, you may get yourself injured. And if you are by yourself, and no one else is out there, you're putting yourself at risk of being out there with no one to assist you. This may compound itself into a much more serious life-threatening situation. Also, there have been some items of equipment that have gone missing from the grounds. If you're out there you may become suspect for the items that go missing. If you're out there and you are confronted by an Elks Recreation staff member to find out who you are and what your purpose is for being out there, please cooperate with them and don't become belligerent or defensive by stating that you've been a Member for however many years and that you can go on the ground whenever you please. Well, that isn't the case. You aren't allowed on the grounds just to look around.

The same goes during our rodeo. There are Members wandering out behind the chute areas who have no reason to be back there. This, too, is a very dangerous area to be at. There is lots of activity happening back there to keep the rodeo performance running as it should. The only area you are permitted to go to back to during rodeo are the VIP tents and then only with the proper credentials or tickets. I know many of us have performed work back there in the past and may think we're still authorized back there, but we are not.

So, for your own safety and for peace of mind for Elks Rec staff, unless you're a worker who needs to be out there, please stay out. It will be appreciated by the Elks Rec staff and it will keep you safe.

**PAST GRAND EXALTED RULER MICHAEL T. LUHR OFFERS PLAN FOR PEARL HARBOR SIGNAGE**

By Mike Chamernik Convention News Reporter

PGER Michael T. Luhr announced that the Elks are in the early stages of a collaboration with Pacific Historical Parks for new signage and interactive displays at the Pearl Harbor National Memorial in Hawaii. The goal is to raise \$1.00 per Member by next year's Grand Lodge convention. Luhr came up with the idea for new signage during his Hawaii trip in January. When touring the Pearl Harbor National Memorial, he noticed that some signs were faded, and others weren't in color. Luhr said he thought the appearance of the signs was a shame to the 16 million veterans from World War II, particularly the five veterans aboard the USS Arizona during the Pearl Harbor attacks who are still alive today. After months of working out details, the plan for the memorial will be to provide funding for new signage with the Elks' name and logo prominently shown, and to install an interactive display with the pictures and stories of the survivors of the Pearl Harbor attacks. The Elks will work with Pacific Historical Parks, a WWII focused 501(c)(3) tax-exempt public benefit organization that oversees the Pearl Harbor National Memorial. Luhr first pitched his idea to the Advisory Committee in February, which approved the plan. The next step will be to raise funding. Luhr said he is willing to take that challenge. *"Our Order has a long history of supporting ideas and values that are part of our history,"* Luhr said to the audience during his speech. *"I ask you then, will your Lodges and Members support the idea of making sure the memories of our veterans, passed and living, are kept with us for the years to come, and make sure the history of that 'Day in Infamy' is recorded so our great great-grandchildren will be able to see where our country has been?"*

Members,

Autumn is upon us: Halloween is at the end of the month and the Holidays are just around the corner. This also means the "LEADING KNIGHT CHALLENGE" kicks off next month. What is the Leading Knight Challenge, you may ask? This is a three-month campaign to raise money for the Purple Pig, which is the fundraising arm of the California Hawaii Elk Association Major Project, Inc. (CHEMPI). CHEMPI has raised over \$116.2 MILLION since 1950 to address the unmet needs of children with disabilities by developing a program of supporting services to aid these children at no cost to their families. CHEMPI provides therapy for disabled children by sending on-staff therapists to deliver Occupational Therapy, Physical Therapy, and Speech-Language Therapy in the children's homes to work with them and their family. CHEMPI also offers early vision screening for children in Preschool.

Please be on the lookout for a schedule of events in next month's Elks Horn, on social media (our Lodge website at [www.santamariaelks.org](http://www.santamariaelks.org)) and in the Lodge. We greatly appreciate your support for the Purple Pig throughout the year and hope you will join us in making this Leading Knight Challenge an overwhelming success for such a worthwhile project. Several local businesses have agreed to support us, and their company information is in this Elks Horn issue.

**Quotes for the month:**

*"Sometimes real superheroes live in the hearts of small children fighting big battles."* - Anonymous

*"Children are not a distraction from more important work. They are the most important work."* - C.S. Lewis

*"All kids need is a little help, a little hope, and someone who believes in them."* - Magic Johnson

Members,

In October we will have our next Orientation and Initiation and I hope that more Members will attend these events rather than avoid them because they are time consuming. It would be nice to welcome our future volunteers with more Members in attendance, rather than fewer, to show how Elks support each other.

Both our annual Children's Halloween party and the Adults' party should be a lot of fun for all who can attend. Please check out the fliers in this issue.

Certain officers will be attending the Mid-Term Convention in Sacramento this month. I hope that we return with some new information to share with our Members from CHEA and Grand Lodge.

There will be no Lodge meeting on the 24th due to the DDGER visit to our Lodge that night. All Members and their Spouses are encouraged to attend this event.

Hoping that all of you get the chance to spend quality time with your loved ones.

Fraternally,  
Peter Oblak

**CHEA MAJOR  
PROJECT LEADING  
KNIGHT CHALLENGE**

The CHEA Major Project Leading Knight Challenge kicks off November 1. We had a committee meeting Sept. 10 to put a team together with the intent of getting the campaign off to a strong start for the Purple Pig/Major Project. In this month's Elks Horn are flyers for three events already scheduled for November. If possible, please promote these events to your family and friends. I will be sending the information to the Social Media team as well. Look for more information on our Lodge website at [www.santamariaelks.org](http://www.santamariaelks.org).

Members,

It seems that another month has passed by like a blink of the eye. September brought us good times and enjoyable weather; we were able to stay cool in the mornings and warm up to the nice afternoons. There was a good time for all at the Elks Family Picnic. The food was delicious, the games headed up by DJ Frankie G and the Antlers were a great time, as always. I want to thank all who volunteered their time to come out make this a success. Without you we couldn't have done it. The soccer shoot also had another successful year, thanks to Eddie Navarro for spear-heading this event every year, also to all the volunteers who showed up to support our kids.

Now that September is in the rear-view mirror, we can look forward to what October will bring us. For one, the latter part of October is the only time during the year in which the four major professional sports in America - MLB, NBA, NFL, NHL - all have games scheduled. This is when we start getting those crisp evenings and we tend to spend more time indoors. October also has us loading kids' pockets with candies of all varieties, carving our own creations onto hundreds of pumpkins and displaying them for all to see.

Let's not forget our own Elks Children's Halloween party. We will have the usual games and surprises with DJ Frankie G. The food will be hamburgers, hotdogs, French fries and chips. Bring the kids, grandkids; it is a real treat to see all the amazing costumes that are thought up for the contest—don't forget, Members Only.

I attended my first Antlers board meeting last month; it was nice to see how our future Elks Members run their meetings. They seem to be very organized and they let all Members be heard. The number of things they help with is amazing and to hear them talk about wanting to get more involved in the community is great. This is a great program for the kids of our Lodge. So, when you see them working around the Lodge, let them know we support them.

Fraternally,  
Matt Rodriguez

This month I would like to pay tribute to our Lodge volunteers. At the recent volunteer dinner, we had an excellent turnout. That's because we have a huge group of excellent volunteers. The number of volunteers it takes to keep the Lodge running always amazes me. When I travel, every Lodge I visit asks how we're able to find so many volunteers. We're able to take care of any event or project that comes our way because of the number, quality, and talents of our wonderful volunteers. If you see one of them, please thank them!

## ELKS FUNERALS OR MEMORIAL SERVICES:

Each Member should be aware of the services we offer at the passing of a Member.

Our Funeral Team, at the request of a Member or his family, will conduct a very dignified and beautiful service. This funeral or memorial service will be performed, at no charge, at the Lodge, a funeral home, your place of worship or at the grave side. (We even held a memorial service for one of our members at his favorite golf course). This service can be in conjunction with your minister, priest, rabbi, and/or with the military or VFW. Our main function is to say goodbye to a member: "goodbye until the hour of eleven shall regularly return." Please don't hesitate to contact us when that time comes, as we will be there for you and your family.

Please call John Maretti, our Club Manager, if you desire the service to be at the Lodge. For all other locations please call Richard Parker, PER, our Funeral Committee Chairman through the Lodge office.

**TOURING ELKS**

The Touring Elks are working hard raising funds for the Toys 4 Tots Poker Run on Sunday November 10th. We have been having 50/50 drawings, and are collecting donations and raffle prizes. We are very proud to participate in, and sponsor, this event. This is open to the public, so tell your friends; we would love to see you there.

Last month's Ride was to the Maverick in Santa Ynez for the Live Fast Rally. We also went across the street to the SY Valley Elks Lodge for a refreshment. The SY Elks were incredibly hospitable and made us feel right at home.

Note: Our next scheduled ride will be on October 13, with kickstands up at 8:30 am. We will be going out 166 then South on 33 to "The Place Restaurant" then on to the Deer Lodge in Ojai, then back home. Should be an awesome ride!!

Our monthly meeting is on the last Tuesday of every month in the Ladies Bar at 7:30 pm. Come join us!
