WES BROWN, EXALTED RULER

SANTA MARIA, CALIFORNIA

MAY 2020

**EXALTED RULER**

*Wes Brown*

Members,

In just a few short weeks our world has changed in ways we never could have imagined. Our Lodge, our Order, our community, and our nation implemented measures to control the spread of COVID-19 in ways never before thought possible or necessary. The House Committee took decisive action to protect the health and well-being of our Members, employees and guests. These events changed our daily routine but haven't broken our Elk spirit. The strength of our Lodge and the resiliency of our Members and employees have been awe-inspiring. The office staff continues to perform necessary functions of operation while following proper health protocol. The maintenance crew is taking this opportunity to perform tasks difficult to accomplish during normal operations. We have employed new ways to utilize the talents of our kitchen staff and volunteers; the Curbside dinners have been a popular addition. The parking lot has been called to action as a distribution center for the Santa Barbara County Foodbank while allowing us to serve our neighbors.

They say it is in moments of stress that a person's true character is revealed. The integrity of our Members and employees during trying times has been exemplary.

We pray for those affected by the virus in any way. Stay safe. Stay healthy. Be kind.

I hope this article finds you in good health! Our thoughts and prayers go out to all that have been affected by the coronavirus. Please stay safe and continue to follow common sense recommendations as we move through this trying time. Congratulations and a big warm welcome to our new Exalted Ruler, Wes Brown!

Your Veterans Committee has been in a holding pattern for quite some time. Currently, we are still following recommendations and orders to distance ourselves and others attempting to stop this virus from spreading further.

We look forward to getting all events and functions back to normal - several are ready and waiting for the green light. Open house barbeque at the Santa Maria Veterans clinic is ready to go and will kick off as soon as we have permission.

Thank you for your patience and support. I will get the committee rolling as soon as possible. In the meantime, thanks to all our volunteers for their selfless support. Their help keeps our committee running. Our front office has been busy - Georgia Daughton, Faith Reynolds and a couple of volunteers (our daughters) put together roughly 60 backpacks filled with basic toiletries, hygiene products and snacks to be distributed to homeless veterans in our community. Thank You!! We will continue to work behind the scenes (at least six feet apart) to get our projects lined out and ready to deploy. Stay safe and God Bless!

Timothy Reynolds  
Veterans Committee Chairman

**SANTA MARIA ELKS TEAMS UP WITH THE FOOD BANK**

Our Lodge has teamed up the Food Bank of Santa Barbara County to be a distribution location. Every Thursday beginning April 2nd our Members and officers are working to pack and distribute bags of groceries starting at 10:00 AM until every bag is gone. The first day we handed out 300 bags and expect that number will grow as the word gets out our Lodge is providing this much-needed service to the community. Volunteering is what #1538 does best so please call the office if you can help.

### CHARITY LEADING KNIGHT

*Peter Oblak*

Members,

I would like to take this opportunity to thank all of you for your support in voting me as the new Esteemed Leading Knight for the year of 2020-2021. I am looking forward to this next year as it brings new responsibilities and lessons to be learned.

Keeping our Members, employees and guests best interests in mind, we have had to cancel, postpone or adapt many events due to COVID-19. The Inaugural Ball, the Chairman's breakfast, and the Citizen and Student Of The Year dinner will be rescheduled as soon as it is safe to do so.

As soon as we are back to business as usual I look forward to seeing Members involved again with the Lodge activities, volunteering and supporting the many committees it takes to keep our Lodge operating efficiently. Your support is what makes it work. And we all understand that right now we need to be safe.

Let us all enjoy the new year in Elkdom and the many events that are a part of our Lodge, as soon as our nation beats the virus.

Fraternally  
Peter Oblak  
Esteemed Leading Knight

### JUSTICE LOYAL KNIGHT

*Matt Rodriguez*

Members,

May is here bringing at most the welcomed "May Flowers". I'm hoping by this time with God's help will we be on the uphill to recovering a small sense normalcy. This will be another part of life's journey that we will not be alone in. These past few months have been trying for most of us but were able to get through with the help and support of our families, friends and neighbors. I think it has taught us a bit of reality, showing us what we can do without for weeks at a time. Our own history tells us that we can get through almost anything if we do it United and Stand Strong Together.

We as a Lodge had to Install new officers with minimal attendance and have had to postpone some of the most important events of our Elk year, events like Inaugural ball, District and State Ritual Competition, and Initiation. I know our Members have been missing our CYO's, pub grub, and all Lodge events in general because the support that was given for the "grab 'n' go" take out dinners has been phenomenal; this was something that we had no way to foresee the demand. This kind of support is why our Lodge is the best and most talked about in all Elkdom; we as Members are the ones who make it so successful.

As we all know the Santa Maria Elks Rodeo has been postponed until September 24 - 27, 2020. This had been a very difficult task for Elks Rec, having to contact all involved in putting on our Rodeo to nail down another date that would work. The best part in it the discussion of cancelling was a brief part of the conversation--most involved did not want to cancel. We will reach out when we get things rolling again. Thanks for all the hard work.

The words "Team Santa Maria" - what we keep using for this United and Unstoppable team.  
Fraternally,  
Matt Rodriguez  
Esteemed Loyal Knight

### BROTHERLY LOVE LECTURING KNIGHT

*Aaron Castellanos*

Members,

Our quality of life has been challenged in these last few weeks. The situation we are all going through may stimulate a range of feelings... confusion... fear... maybe even anger. Fellow Members, it is perfectly okay with not being okay. But through out all of this let us find hope and be inspired by the good that we as Americans demonstrate in times of uncertainty, when our liberties of life are threatened. Remember, You are not alone. We will ALWAYS persevere if we stick together in true Brotherhood. I do believe that times of extreme difficulty also tend bring out the good in us. Let us care for each other. We have the opportunity to uplift one another. This moment is just that:

"But the passing moment is ours long enough to grasp the hand in friendship, to lighten each other's burdens, to bring rest to the weary, and to comfort those who mourn—THIS IS BROTHERLY LOVE."

I wish you all good health. Talk care of yourself, and each other. We will see you all soon.

Fraternally,  
Aaron Castellanos  
Esteemed Lecturing Knight

## FROM THE SECRETARY

This report has two purposes: one to give you a snapshot of the year-end Membership numbers for 2019-2020, and second to fulfill the statute requirement in April for the Secretary to present to the Membership the activities of the office of Lodge Secretary.

As of March 31, 2020, the Lodge Membership stands at 3,194 members, the numbers breakdown as follows:

Beginning Membership Total 4/1/2019 .....	3,116
<b>INCREASES</b>	
Initiated.....	192
Affiliated.....	26
Reinstated .....	20
Subtotal:.....	238
<b>DECREASES</b>	
Dropped .....	91
Transferred Out.....	16
Absolute Dimit.....	3
Deaths .....	50
Subtotal:.....	78

Ending Membership Total 4/1/2020 .....	<b>3,194</b>
Gain/Loss .....	78

During the past year as the Lodge Office has been busy handling all the daily business a Lodge of our size has, we continue to be the 7th largest Lodge in Elkdom as far as Membership. The office staff has worked very hard this past year and thank you to all of them for their dedication and hard work. Late last year the hiring of Julie Willis at the front desk position has been a great addition to the staff. Faith Reynolds has moved to the Membership Desk and handles many other office functions. Janet Cullivan continues to be a stellar employee dealing with not only her position but helping in many other aspects of the office. Judy Columnas, our Lodge bookkeeper, has decided to concentrate on being a Grandma and focus on her own business so will be leaving us once the training of our new bookkeeper Christine Iverson is complete. I would like to thank Judy for her 20+ years of dedicated service to our Lodge.

I have continued, with the support of the Board, to upgrade our hardware in the office with the addition of new computers to replace older ones and most recently upgraded our Lodge server. New battery backup systems were installed for each of the POS terminals and for the Internet (Wi-Fi) in the event of a loss of power.

In the new Elk year, we will continue to improve our systems and procedures, and I am always available should you have questions or concerns.

Phil Daighton, PAVP, PER  
Lodge Secretary

## SANTA MARIA ELKS #1538 PROJECT UPDATES:

By the time you read this the Lodge Solar Project will be nearly complete. The construction company has been working during the Lodge shutdown, which has helped since they were able to work without the concern of shutting down parts of the parking lot. The RV electrical upgrade on the North side will be one of the last items they will complete.

The upgrade of the women's bathroom is also progressing. The plans have been approved by the City of Santa Maria and we are currently waiting for four companies to give bids on what it will cost to complete. Once we have those and we get back to normal operations, the plans and costs will be brought before the Members, which then will require Grand Lodge approval due to the cost of the project.

## WIDOW'S/WIDOWER'S IDENTIFICATION CARDS

If you are a widow/widower of a Member of this Lodge and would like to have a card, please call the office. The card allows you to come to Lodge social functions but you may not go to a Lodge meeting or be used as a proposer or reference for a new Member. Second home of Santa Maria Elks Lodge No. 1538, located at the corner of East Main and South Vine streets. The lodge occupied the building for 33 1/2 years, until 1968. The lodge room had a capacity of 300 and the dining room seated 275. This fine building was designed by Louis N. Crawford, architect, first Exalted Ruler of B.P.O.E. 1538.

## SANTA MARIA ELKS LODGE #1538 DID YOU KNOW?

The story of your Lodge left off last month with establishing the Lodge in the Houk building in the 200 block of North Broadway. As the Membership grew, the Lodge began looking for a new location in the mid 1930's. A building located on South Broadway was purchased, yet never occupied, then sold in March of 1938 for a profit which was used toward the purchase of the second home of #1538. The new property was located at 102 South Vine Street. Ground was broken in early September of 1939 and construction completed on December 9, 1939. The building was a "Rambling Monterey" style with a construction cost of \$30,000. The Vine Street Lodge became even more successful, but expansion of the building wasn't feasible, so a new much larger location needed to be found. A ten-acre property, formerly known as the Sutti Brothers Dairy, was owned by the father and his brothers of our very own Janet Cullivan, who works our Lodge office. The property was purchased from the Estate of Anselmo Fernandez in 1960 and within five years the loan was paid off and construction of our current Lodge could begin.

As for the Vine Street Lodge, it was purchased by Merrell Williams of the Williams Brothers Grocery Store family who converted it into Merrell's Steak House. Eventually the building was purchased and torn down to become part of the Sears parking lot of the Town Center Mall project. To this day there exists a plaque marking the site of our second building in one of the planters in the parking lot.

Moving day was October 6, 1968, and the Lodge was opened in regular forum October 10, 1968, in its temporary building--formerly the sauna, gym, historian's office and storage--which is currently being remodeled into new bathrooms, shower facilities and gym. On the 16th and 17th of May 1969 Santa Maria Elks Lodge #1538 moved into its new home and the first Lodge function in the new building was the Inaugural Ball for Exalted Ruler Burton J. Twitchell held the evening of May 17, 1969.

To be continued...
