WES BROWN, EXALTED RULER

SANTA MARIA, CALIFORNIA

JANUARY 2022

EXALTED RULER

Wes Brown

Members,

Let me start with a quote from one of Liz's favorite authors, Neil Gaiman: "I hope that in this year to come, you make mistakes. Because if you are making mistakes, then you are making new things, trying new things, learning, living, pushing yourself, changing yourself, changing your world. You're doing things you've never done." I think this sums up how your House Committee and Board managed our way through the challenges of 2021. Most importantly, we were doing Something. We tried new things, pushed forward, adapted and recalibrated, and pushed forward. Motivated to always do what is best for our Lodge, our Members, our employees, our community, and our Order, this will remain our mantra. In this new year, we promise to carry on doing, pushing, learning, and trying new things to the benefit of our Members, for the betterment of our Lodge, our Order, and our community.

Quotes for this month:

New year—a new chapter, new verse, or just the same old story? Ultimately, we write it. The choice is ours. - Alex Morritt

What a wonderful thought it is that some of the best days of our lives haven't even happened yet. - Anne Frank

Life is change. Growth is optional. Choose wisely. - Karen Kaiser Clark

Liz and my New Year's wish for you is that the best day of your past is the worst day of your future.

Fraternally,
Wes Brown

Jokes of the Month:

A man who had too much to drink decides to walk home on New Year's Eve. A policeman stops the man and asks where he was going. "I'm on my way to a lecture," the man replies. The cop scoffs, "Who gives lectures on New Year's Eve?" The man answered: "My wife."

A man walks into a library and declares, "I'd like a roast beef sandwich please." The librarian replies, "Sir, this is a library." So he whispers, "I'd like a roast beef sandwich please."

CHARITY LEADING KNIGHT

Matt Rodriguez

Members,

Hello to our Elks Family, hope you all have weathered this past year in good spirits. This roller coaster ride that we have been on has taken a toll on all of

us in one way or another. Let's pray that this year we can start to enjoy life as we used to, getting back to traveling and spending time with friends and family. This past couple of years has changed the way we look at things and given us the opportunity to change, alter or improve on things here at our Lodge, keeping in mind what is in the best interest of our Members. I'd like to remind you that the Lodge officers are here for you, let us know if you have an opinion or suggestion on how or what we could do to benefit the Lodge.

As you may know since 2016 The Golden Circle of Champions has been helping families fighting pediatric cancer. This event started when Elks Recreation decided to have the first fundraising dinner for the GCoC at the Rodeo. Since then, Tina Tonascia's idea of bringing awareness to childhood cancer through the Golden Circle of Champion's has touched so many hearts. It continues to grow yearly, the thought of taking it to the NFR was frightening, but with her determination and support from the GCoC committee, local and national sponsors, we have just now completed another great year at the NFR. I know this program will continue to grow and help those families by bringing the awareness of child cancer to the forefront. AnnMarie and I are so proud to be part of the Golden Circle of Champions Committee since day one, we want to thank the numerous people involved for the hard work that goes into making it successful, that team only knows how to do things to the fullest.

This Community "Team Santa Maria" makes it mark, doing good things daily.

AnnMarie and I would like to wish you a Happy, prosperous, and joyful New Year.

Fraternally,
Matt Rodriguez

Members,

As we welcome the New Year let us once again take a moment to reflect and give thanks for the many blessings we have received, for we have so much to be grateful. The year

carried with it a few of the complications we were able to navigate through the prior year but at the same time also reminded us all of our resilience and the power of a unity and fellowship. We continue to be at our best when we come together for a common goal as we have so often proved.

So, as we welcome this year and having this now in mind, what can we all look forward and plan to do together? Will we continue to do what we have done thus far? Or will we recognize our capabilities to do more for each other and for those in need. My wish is that we do the latter.

So, what could we possibly do? What is something that can actually change the world? Well, there are actually many things we can choose to do. I have heard before that "In a world where you can be anything, Be Kind". Being kind can be as simple as acknowledging someone and gifting them a warm smile (as we never know what their current lot in life may be) to giving the gift of time to a local nonprofit organization wishing to achieve their purpose to assist those in need. As Elks Members in our ever amazing Lodge, we have the opportunity to do all of this within the our own four walls. Volunteering (as much as one is capable) is a great way to help do this. We have so many committees at our Lodge that finding the one best suitable each of us is possible. So let's change the world, get involved, give back, let's Be Kind. Many hands make little work. Let's come together and make a bigger difference than the year before us. We can do this if we continue to come together. If you have any questions on how you can get involved, we are all here to help.

As always...Be safe, be careful and take care. And I hope to see all of you at Lodge... (every Thursday night 7:30pm)

BROTHERLY LOVE LECTURING KNIGHT

Members,

Your Officers were recently in Las Vegas for the National Finals Rodeo and got to visit the Las Vegas Elks Lodge. This once-great Lodge sold their building a few years

back and built a brand new one in a different location, and in the process somehow went from a thriving 2,200 Member Lodge to one with barely 400 members remaining.

It reminded me of just how much history we have in our Lodge that I do not think we could ever replicate in another building or location. I wrote a Facebook article back in June about our BBQ pit on the day we reopened CYO after the Covid hiatus that I thought I would share below.

Tonight this Oak Pit BBQ will awaken from the ashes of Covid-19 after a 15 month CYO dormancy. This pit is where so many memories and friendships have been forged and where a million more are ready to begin.

The laughter, friendship, meat, smoke, cocktails, and love that will once again surround this pit is what makes our Lodge so unique, so special, and so wonderful.

This pit and this Lodge thrive on smiles and laughter and the people that encompass it. We hope you all appreciate just exactly what we have here in Santa Maria, as it cannot and has not been replicated anywhere else.

Tonight let us celebrate all of the friends and family and good fortunes that we have in our lives and let us also pay homage to those we have lost. "To Our Absent Members!"

Let us all be proud of heritage, history, and people of our great Lodge!

Steve Jones

2021 HOLIDAY BASKET REPORT

It is important to thank all the helping hands who put together the Holiday Baskets for both Thanksgiving and Christmas - Organized Chaos as I like to call it. We compile all the food and package it for distribution. There were Elks, Antlers, Hancock Students, Family, and Friends working efficiently. Thank you!

100 families were given baskets for Thanksgiving, and another 100 families were given baskets for Christmas:

- 20 Families in Guadalupe
- 30 CASAS/Foster Children
- 50 to Families Sponsored by Elks

Smart 'n Final donated \$350 and a very special thanks to the Elks Golf Club who provided a substantial \$600 donation. The Food Bank provided nonperishables at a low cost and several local farmers donated the fresh vegetables. There were a few cash donations, which made a difference in the items we were able to add to the Holiday Baskets. Many thanks again to all!

Even with the COVID-19 Pandemic we were "fully staffed" with Volunteers. Those who helped really came through and we met the need.

The Holiday Basket Committee wishes to thank the Farmers who donated the fresh vegetables and boxes. Commercial businesses also contributed with donations of the bags, bread, and desserts.

A special Thank You to Johnny Maretta and Office Staff for their support in supplying space, time, and support during the gathering of items for the Baskets. It truly takes many helping hands to assemble and distribute the Baskets; and we have a great team in the Volunteers who have helped. We hope that we remembered everyone. If we did forget you, remember angels are silent helpers.

This event is organized chaos and always turns out well! See you next year for another successful event.

Eva Macias
Holiday Basket Chairman

FROM THE SECRETARY'S DESK

I have two important announcements, first this year is one of the BEST years we have had as a Lodge in having our Members pay their dues, however there are still some that are delinquent and need to pay their dues by March 25, 2022 in order to not be dropped. Statutes require the Secretary to post the names of Members not current on their dues, this will be done by posting a list of names on the Bulletin

Board in the Members Bar starting in Mid-January.

Secondly, I was notified by Grand Lodge that due to the rising cost of lawsuits stemming from Alcohol the cost of Insurance assessed to each Member in their Per Capita Dues will increase to \$12 from \$7. Thus our new 2022-2023 Dues per Member will increase to \$149 per year from \$144.
