WES BROWN, EXALTED RULER

SANTA MARIA, CALIFORNIA

MARCH 2022

EXALTED RULER

Wes Brown

Members,

Recently someone asked me what one thing I am most proud of during my time as Exalted Ruler. Looking back on all the good times, the friendships, the challenges, and the accomplishments and I have to say that I am most proud of how Team Santa Maria was always 1538 Strong. We never gave up and never gave in to the difficulties presented by the pandemic. The Benevolent and Protective Order of Elks core principals of Charity and Brotherly Love were on full display for all to see. Team Santa Maria always stayed focused on doing what was right for our Lodge, for our Members, and for our Community. We could have taken the effortless way out by closing the Lodge, staying home, and riding it out. Thankfully, this team never considered that an option. I have said many times this team was brought together through Divine intervention and the persistence of our little angel, to not only weather this storm but to make 1538 stronger because of it. As Amy Poehler said: "Find a group of people who challenge and inspire you, spend a lot of time with them, and it will change your life." Team Santa Maria inspired me, pushed me out of my comfort zone at times, and definitely changed my life.

Let me close with The Man in the Arena speech by Teddy Roosevelt:

"It is not the critic who counts; not the one who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the person who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least he fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat."

ELVIS NIGHT

THE PAST EXALTED RULERS ASSOCIATION THANK ALL THE MEMBERS WHO SUPPORTED OUR HIGH SCHOOL SCHOLARSHIP FUNDRAISER FEATURING A HIGHLY-REQUESTED REPEAT PERFORMANCE BY JEREMY "ELVIS" PEARCE

Thank you, Team Santa Maria, for always having my back while we were in the arena. We are 1538 STRONG!

Liz and I thank you and appreciate your support and encouragement the last two years and have faith that, with your help and backing, the incoming officers will keep moving this great Lodge forward to bigger and better tomorrows.

Jokes of the Month:

I told my wife that she should embrace her mistakes. She gave me a big hug.

Wife: "I'm tired of your lazy butt! Pack your bags!" Husband, "You pack them."

My wife was upstairs and yelled, Do you ever get a shooting pain across your body like somebody has a voodoo doll of you and they are stabbing it? I replied, "No." She responded. "How about now?"

CHARITY LEADING KNIGHT

Matt Rodriguez

Members,

We all wait for January, the start of the new year. As it comes, we enjoy more celebrations while still recuperating from the November and

December festivities. February comes and in the blink of an eye -- here and gone. March is already here, and we finally have time to plan the new year, things like where and when we are going on vacation, when and what to plant in this year's garden, hoping that we will still get that much needed rain.

Here at our Lodge, we have a lot to accomplish in March. By now the new officer corps has been chosen and will begin planning for their new year. There are a lot of details and decisions that must be made, things as little as what uniforms to wear for the year. One of the most important things the officers need to do is always remember and continue to accomplish our mission as Elks, which is to "inculcate the principles of Charity, Justice Brotherly Love and Fidelity; to recognize a belief in God; to promote the welfare and enhance the happiness of its members; to quicken the spirit of American patriotism; to cultivate good fellowship." As Officers and Members, we should always have the thought of how we can continue this mission; we can do this by supporting our Lodge, our community, and each other. The officers and Members of this Lodge have done remarkable things for this community in the years past and I know with your continued support Santa Maria #1538 will continue to be an influential pillar of our community.

I thank all for your support with our Leading Knight Challenge, whether it was buying raffle tickets or making a monetary donation: with your help I was able to achieve my goal. Thank you, #1538 FAMILY

Fraternally,
Matt Rodriguez

JUSTICE LOYAL KNIGHT

Aaron Castellanos

Members,

As another Elk year comes to end, so comes an end to my year as your Loyal Knight. My experience as a Member of our Lodge officer corps these past three years have been amazing and

very unforgettable. Each year, when I reflect on how our Members continue to trust and support our Lodge in every endeavor it inspires and reminds me of the important role and responsibility that has been entrusted in us and the great impact we are able to achieve in our community. I cannot say this enough, our Lodge is only as great as our Members. Lucky for all of us, we have the greatest Members. You can all be proud of the impact and role you play in giving back to our community. These past two years have been unconventional to say the least. Yet, we kept going, relentless in our striving to be a beacon of hope and support as we always have.

As I look forward to next year (if elected to the next position of Leading Knight) I look forward and anticipate we will continue to grow as a team and a Lodge. The goal each year has always been to sustain the great work our organization has set out to do. In doing so, we improve our community and each other.

In my future articles I will write about how we can achieve greater results together... I have a few challenges that I am excited to present and have no doubt that we will meet and surpass all expectation. Until then, I would like to thank you once again for all you do and allowing my fellow team and myself to represent you and our Great Lodge. I look forward to working hard and continue to merit any future leadership position to come.

As always...Be safe, be careful and take care. And I hope to see all of you at Lodge... (every Thursday night 7:30pm)

BROTHERLY LOVE LECTURING KNIGHT

Steve Jones

Members,

As we near the end of the Elk year (March 31st), your Officers are as busy as ever learning their new Initiation Ritual lines, preparing for the Inaugural Ball, scrutinizing the next

year's budget, planning the calendar of events, paying the bills, and just keeping all the housekeeping tasks in order: it is a suitable time to say "Thanks".

Thanks, Members, for the support, for reaching out, for the friendships. Thanks for the memories. It is good to be an Elk.

This was my first year as a Chair Officer and the first year to write these monthly news articles. Over these months there have been so many of you who have reached out to me and commented on something I wrote or did or said, and I deeply appreciate the feedback and that you took the time to thoroughly read whatever rant and rambling that I decided to chat about.

Although, we all put in a lot of time and effort to keep the "behind the scenes day to day" operations going strong, it is definitely more fun than work, and that is because we have had the opportunity to meet so many of you. My wife Maria and I are now friends with people from all occupations and from all age brackets; more than we ever could have imagined just a few years ago.

This is what the Elks is all about--meeting your brother and sister Elks of all ages and getting to know them. I hope that over the coming year, that even more of you will stop and say hello and introduce yourselves, and Maria and I will try and do the same.

Thank you once again for all the support you have given me so far, and for all the friendships we have formed. Let us break bread, share a toast this year, and celebrate this Lodge's 95th anniversary year together!

Fraternally,
Steve Jones

HOWDY RODEO FANS

The last 4 months have been remarkably busy! After coming off one of our best Rodeos in several years, we went right into Haunted Hills, with Christmas in the Country following right on its heels. We had our challenges with wind and weather, but we are pleased with both their outcomes. The success of these events was due to the tremendous support we received from our sponsors, and the tireless efforts of our volunteers. A tip of the Resistol goes out to everyone who helped us out! Our volunteers are the heartbeat of Elks Recreation, and we cannot thank you enough. For those of you who have not experienced being a volunteer, you are invited to join us. There are many things that go into putting on these first-class performances and I am certain there is an area that you will be able to help.

Guess what? Rodeo time is just around the corner, and we are full steam ahead! Help is always appreciated if you would like to volunteer for the Rodeo. Please check our website elksrec.com and call the Rodeo office 805-925-4125 if you are interested in more information. Mark your calendars for June 2-5 as we are returning to our traditional weekend.
