Calgary Fetal Alcohol Network Response to Coronavirus (COVID-19) – Communication #2, 12:03 pm

Dear Stakeholders,

In response to the Coronavirus (COVID-19) pandemic, and in following provincial and federal guidelines around social distancing and mass gatherings, the Calgary Fetal Alcohol Network (CFAN) suspended all in-person FASD training sessions as of March 18, 2020.

CFAN is now offering FASD education and training via alternative methods. This includes:

- Audio recordings
- Zoom video conferencing

Please visit the CFAN website at <https://www.mycfan.ca/training-education> for more information on FASD training. To request a workshop for your organization/group or to discuss training options, please contact our Research & Education Coordinator at msangha@mycfan.ca

For more information on our response to the Coronavirus (COVID-19) pandemic, as well as additional information and resources for stakeholders, please visit our CFAN COVID-19 info page: <https://www.mycfan.ca/covid19-information>

For the latest information on the Government of Alberta's response to COVID-19 please see: <https://www.alberta.ca/coronavirus-info-for-albertans.aspx>

Sincerely,
