FORMAL HIRE

At Cameron Ross Formal Hire, we understand just how important it is for you to achieve the perfect look for your special occasion. With over 20 years' experience and more than 250 retailers UK-wide, we're the best in the business.

Our extensive range of high quality, luxury garments is available in chest sizes 18"-60", so even the kids can look sharp and feel great. We make it super-easy to have everyone in matching outfits – after all, we're the large party specialists. We're also the only independent retail hire brand who offer the exclusive Michael Kors designer range.

Our world-class facility allows us to take short notice bookings for next week or orders for next year, providing you with a convenient, flexible service and genuinely hassle-free hire. Whether you choose a traditional Tailcoat or a modern Slim Fit suit, we use an innovative, eco-friendly Ozone chamber to sanitise all our garments, ensuring that they're 100% clean, and always ready for the next wear.

In today's era of 'fast fashion', renting really is recycling. It's the ethical choice for the contemporary shopper. We're experts at extending the life of a garment and this kind of sustainability is at the heart of everything we do. Support your local towns and businesses by renting from your nearest Cameron Ross Formal Hire stockist. It's fashion without the footprint.
