Fitness@MIP Inclusivity Promise

Fitness at McMaster Innovation Park is committed and dedicated to making our facility a safe place for all. We promise to accomplish this through advancement and respecting everyone’s equity, diversity, and inclusion within the Fitness Facility. This will be accomplished through communication, caring, and creating change in our community.

Our goal is to create a safe space, programs, and services that people can belong to as their true selves. We will work together and take responsibility for implementing changes to address inequality, and injustice. We will show respect to each other by believing in the potential and value of every person.
