4. **Summary of content**

**Chapters 1-2**  
**Spiritual condition—Degeneration**

After the death of Joshua, the tribes of Israel did not completely obey the Lord and drive out the wicked inhabitants of the land. The Canaanites practiced idolatry and immorality and through intermarriage, lax spiritual standards and disobedience the Israelites were soon conformed to the sinful ways of the Canaanites (see Ro. 12:2; 2 Co. 10:2). God had earlier in Deuteronomy predicted that the “gods” of the Canaanites would become a snare to Israel’s spiritual walk with God and that is exactly what happened. The people sinned and reaped the consequences of it.

In 2:10-19 the book of Judges is summarized as the “cycle of sin and deliverance” is described. Idolatry, immorality and intermarriage corrupted the people and enslaved them to sin and heathen oppression.

**Chapters 3-16**  
**Seven sin cycles—Disobedience/deliverance**

For over 300 years Israel was trapped in successive vicious cycles of sin – deliverance – sin. Over and over again the story is repeated. There are seven distinct cycles of sin described (see the book chart) when God raised up deliverers/judges to free the people from sin and oppression. For a while the people would repent and enjoy peace and freedom. But soon they would lapse into sin again and became oppressed by foreign nations (see chart near Judges 1, The NIV or NASB Study Bible). God’s mercy, compassion and longsuffering patience are displayed over and over again as He responded to Israel’s cry for help and raised up judges like Gideon (see chart near Judges 7, The NIV or NASB Study Bible) and Samson. But even these great men did not live up to their spiritual potential and the cycle continued.

**Chapters 17-21**  
**Spiritual collapse—Depravity**

The last five chapters of Judges form an appendix describing various selected events which occurred during the period of the judges and which illustrated the incredibly low level to which Israel’s spiritual condition had sunk. What is depicted are the results of uncontrolled sin when each person is his own standard of morality — of right and wrong. Perhaps the most important verse in the book is the last verse.

“In those days Israel had no king; everyone did as he saw fit.” (21:25)

And while the statement is true in a sense it is also false. Israel had no earthly king but they did have a KING — i.e., GOD. But instead of obeying God, each man was his own “god” for the essence of sin is living independently of God (see Ge. 3:1-4; Ro. 1:25). Anarchy, chaos and sin were the results. The book of Judges sets the stage for the books of Samuel, Kings and Chronicles.
Suggestions For Teaching Course 2

OLD TESTAMENT SURVEY

Pages: 324  Hours required: 60  Class sessions: 30

Pace and schedule: 10-11 pages per 2 hour session adjusted for natural divisions in the material.

Note: After the introductory material (pp. 12–32), which will take at least 2 hours just to review briefly, the teacher may want to divide the course by books deciding how much time to spend on each.

For example, one approach would be as follows:
Intro: pp. 12–32, 1 session; Genesis–Daniel, *1 session per book;
12 minor prophets, 2 books per session.
*Even then some books like Esther, Ruth, Lamentations, and Song of Solomon could be done in 1/2 session (1 hour each leaving more time for longer books.)

Hints and approach

• At least scan read the book and headings before teaching the book.
• Be familiar with the basic content and key chapters.
• Cover the introductory charts quickly while providing enough explanation so the students can understand the purpose and content.
• Emphasize the relationship between the OT and NT and enhance their appreciation of the OT.
• Use the Time Periods Chart on pp. 20–21 to overview the books and history of the OT.
• Stress the importance of developing a biblical world view.
• For each book of the OT the teacher should make sure the students understand the structure, content, theme, how the book fits into the OT canon and flow of OT history, the applicational message, the book’s contribution to theology and understanding of God and man.
• Specifically use the book chart to talk through the book; refer to and use in class a few key passages from the book which focus on the theme and main teachings; highlight a few main teachings; focus on key distinctive features and the book’s contribution to the Bible as a whole; don’t get “bogged-down” in details or try to cover all the book. Remember, this is a survey or overview with synthesis not analysis being the most important aspect. Keep in mind that all of the key truths, principles and concepts of each book will be covered in a later course. Don’t try to do it all in the survey (e.g. Evolution vs. special creation is covered in Bible Doctrine Survey). The assignments in Courses 2 and 3 are designed to help students develop the skill of finding the main idea or central truth of a passage. The teacher will want to illustrate the concept in class using an example from the manual.
