

Kinkatopia Volunteer Application

Please read all the following information. Join the volunteer-related Facebook group. And return this application to kinkatopia@gmail.com.

Kinkatopia is an unconventional facility in the sense that all the mammals here are nocturnal. Kinkajous are very sensitive animals that require routine and vigilance. It takes time and dedication to develop a relationship with these wonderful animals. We are looking for dedicated, dependable people to help us with our nightly routine, monthly keeper evening, and various projects.

We ask that you please familiarize yourself with our organization via social media: Facebook, Instagram, Twitter, and YouTube. This will help you get a better understanding of the animals and how we operate. Please also review <http://www.kinkatopia.org>.

The following hours for opportunities are as follows:

- Nightly routine: 8pm to 10/11pm (subject to change according to daylight savings time)
- Monthly Keeper Evening: 4pm-10pm (dates TBA on Saturdays)
- Various projects: TBA
