A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Managers unless the Managers so departing
specifically withdraw their authorization for such continued business prior to departing, except that a quorum shall always be required for those matters referenced in clauses (i) through (v) of Section 5.4.

6.2 Circle Membership. The membership of a given Circle (“Circle Members”) shall include, at a minimum, each Person filling a Circle-Defined Role defined by that Circle, the Lead
Link appointed to that Circle by its Super-Circle, the Rep Link elected from that Circle to its Super-Circle, and one Rep Link elected to that Circle from each Sub-Circle. Additional Circle Members may be added to or removed from the Circle by a Circle Member filling a Role on the Circle which has or may be given the explicit authority to do so, provided that (i) no Role may be given the authority to remove from a Circle any Circle Member who was duly elected into that Circle as a Sub-Circle’s Rep Link except as provided in Section 6.7.2; and (ii) any Role with the authority to remove a Circle Member from a Circle shall also have an Accountability for seeking and following relevant directions from the Super-Circle of that Circle, or, if no such directions are generally published, then from the Lead Link to such Super-Circle, before removing any Circle Member who is not a member of any other Circles of the Company.

6.2.1 Circle Member Role. Each Circle Member shall automatically fill a “Circle Member Role” in that Circle, which shall have as its purpose to energize and lead within assigned roles while helping the whole Circle pursue its aim, and which shall further have the following Accountabilities:

(a) Regularly addressing recurring tensions through Governance Meetings and operational channels to remove constraints and harness opportunities for moving the Circle towards its purpose;

(b) Working beyond assigned Roles and Accountabilities as appropriate in service of the purpose and goals of the Circle and the Company, and finding/taking mutually acceptable restorative action upon request if tension develops for others while operating outside of assigned Roles and Accountabilities;

(c) Working collaboratively with other Circle Members, including: (i) sharing needs and goals of Role(s) you fill and asking other Circle Members to take appropriate actions to facilitate your work; (ii) accommodating other Circle Members’ requests for the same to the extent practical by seeking mutually acceptable solutions to cross-Role integration issues; and (iii) when a direct cross-Role integration is not adequately achieved, mutually referring the matter to an appropriate meeting of the Circle or to the Circle’s Lead Link to seek further resolution;

(d) Collecting data for published metrics linked to each Role the member fills and reporting that data regularly to the Circle;

(e) Regularly reviewing Roles assigned to them and proposing the removal of Accountabilities that such Circle Member believes are no longer relevant for the Circle’s current needs.

6.2.2 Modifications to Circle Member Role. Accountabilities on the Circle Member Role may be added, removed, or amended from time to time in a Governance Meeting of a Circle, in which case such modifications shall apply only to that Circle.

6.3 Circle Lead Link. The Lead Link to a Circle shall be appointed by its Super-Circle by way of the Super-Circle assigning one of its members to the Role which was expanded into the Circle, as detailed in Section 6.7.1.
6.3.1 Lead Link Role. The Lead Link to a Circle shall automatically fill a “Lead Link Role” within that Circle, which shall have as its purpose to align the Circle with the strategic direction of the Super-Circle while sheparding the Circle towards its aim, and which shall further have the following Accountabilities:

(a) Allocating resources of the Circle, including prioritizing projects and selecting projects for each iteration of work;

(b) Discovering and publishing the metrics necessary for measuring the operational performance of the Circle (“Key Performance Indicators”), and linking each metric to the most-appropriate role in the Circle to collect data for that metric;

(c) Reporting a summary of the Circle’s Key Performance Indicators in regular meetings of the Super-Circle;

(d) Appointing People into the Circle to serve as Circle Members;

(e) Assigning Circle-Defined Roles to Circle Members;

(f) Monitoring fit between Circle Members and their Roles;

(g) Offering feedback and coaching to Circle Members to help enhance their fit with their Roles; and

(h) Removing Circle Members from the Circle as-needed.

6.3.2 Modifications to Lead Link Role. Accountabilities on the Lead Link Role may be added, removed, or amended from time to time in a Governance Meeting of a Circle, in which case such modifications shall apply only to that Circle.

6.4 Elected Roles. Each Circle shall hold regular elections, in a Governance Meeting, to elect a Circle Member into each of the Elected Roles for that Circle. Any Circle Member shall be eligible for election into any Elected Role and each Circle Member may hold multiple roles, except that the Circle Member filling the Lead Link Role for the Circle shall not be eligible for election into the Facilitator Role or the Rep Link Role for that Circle.

6.4.1 Facilitator Role. The “Facilitator Role” shall be an Elected Role within each Circle, which shall have as its purpose to align the Circle’s governance and operational practices with the core rules and processes expressed in this Agreement, and which shall further carry the following Accountabilities:

(a) Facilitating the Circle’s Governance Meetings and integrative decision-making process, including stopping and redirecting behaviors of Circle Members which are not aligned with the rules and processes expressed in this Agreement;

(b) Delegating facilitation temporarily when significantly involved in the specific content of an agenda item and called to do so by any member of the Circle;
(c) Ruling on matters of process, procedure, and authority relating to this Agreement that come before the Circle, both within and outside of formal meetings; and

(d) Auditing Sub-Circle meetings and records to assess alignment with this Agreement as-needed, including at a minimum when prompted to do so by the Rep Link from a Sub-Circle, and officially declaring a Significant Deficiency for a Sub-Circle; notwithstanding the foregoing, this Accountability may instead vest in another Circle Member in certain instances as specified in Section 8.8.

6.4.2 Secretary Role. The “Secretary Role” shall be an Elected Role within each Circle, which shall have as its purpose to stabilize the Circle’s governance over time as a steward of the Circle’s formal records and record-keeping process, and which shall further carry the following Accountabilities:

(a) Maintaining official governance records for the Circle, including capturing the outputs of each Governance Meeting (minutes), and maintaining a compiled list of all governance decisions currently in effect for the Circle;

(b) Scheduling regular Governance Meetings for the Circle in alignment with this Agreement and the Circle’s relevant policies, if any;

(c) Scheduling special Governance Meetings as soon as practical after receiving a request for such by a Circle Member; and

(d) Notifying Circle Members of all Governance Meetings in alignment with this Agreement and the Circle’s relevant policies, if any.

6.4.3 Rep Link Role. The “Rep Link Role” shall be an Elected Role within each Circle, which shall have as its purpose to remove constraints within the Super-Circle on the Circle’s ability to sustainability pursue its aim, and which shall further carry the following Accountabilities:

(a) Meeting with the Lead Link of the Super-Circle regularly to provide feedback about the operations of the Circle;

(b) Discovering and publishing the metrics necessary for measuring the sustainability of production capacity of the Circle (“Key Health Indicators”), and linking each metric to the most-appropriate role in the Circle to collect data for that metric;

(c) Reporting a summary of Key Health Indicators for the Circle in regular meetings of the Super-Circle;

6.4.4 Modification of Elected Roles. Neither the Facilitator Role nor the Secretary Role may be added to or amended in any way except by amendment to this Agreement as provided herein. Accountabilities on the Rep Link Role may be added, removed, or amended from time to time in a Governance Meeting of a Circle, in which case such modifications shall apply only to that Circle.
6.4.5 Election Process. To select a Circle Member for an Elected Role, the Facilitator shall facilitate an election process as follows (the “Integrative Election Process”):

(a) Define the Role: The Facilitator describes the Role and states a term for the election.

(b) Fill Out Ballots: Each Circle Member present at the meeting fills out a ballot of the form “(Nominator’s Name) nominates (Nominee’s Name)”, and nominates the Circle Member they feel is the best fit for the Role – no one is allowed to specify more than one nominee, and no one is allowed to abstain. The Facilitator promptly stops any and all comments or discussion about the election or potential candidates prior to and during this phase.

(c) Nomination Round: The Facilitator reads aloud each ballot and asks each nominator in turn to state why he or she nominated the person shown on their ballot. Each person gives a brief statement as to why they believe the person he or she nominated may be the best fit for the Role.

(d) Nomination Change Round: The Facilitator asks each nominator in turn if he or she would like to change his or her nomination, based on new insights that surfaced during the nomination round. The Facilitator notes changed nominations and makes visible a total count for each nominee.

(e) Make a Proposal: The Facilitator chooses one of the nominee’s with the most nominations and proposes that Person fill the Role in question for the term specified.

(f) Objection Round: The Facilitator asks each Circle Member present in turn if they see any Objections to the proposal, and charts any Objections raised. If any Objections exist, the Facilitator, at his or her option, either (i) facilitates a discussion to resolve the Objection, possibly by crafting an amended proposal, and then goes back to the preceding step (Make a Proposal) with the amended proposal; or (ii) chooses another nominee and immediately moves back to the preceding step (Make a Proposal) with the new proposal. Once no Objections are raised during this step, the election is complete.

6.4.6 Election Terms and Revisiting. Each election shall carry a term defined as part of the election process, after which a new regular election for that Elected Role shall be held. Even before a term has expired however, any Circle Member shall have the authority to call for and cause a new election to be held for any of the Elected Roles during any Governance Meeting. Additionally, any Circle Member may raise, in a Governance Meeting, an Objection about the continued service in an Elected Role of the individual filling that Elected Role. Whenever such an Objection is raised, the Circle shall deliberate in an attempt to reach a State of Integration around an appropriate course of action to address the specific Objection raised. In the event a State of Integration has not been reached after reasonable effort, the Facilitator may then choose to cut-off the deliberation and instead hold a new election for that Elected Role.

6.5 Circle-Defined Roles. In addition to the Accountabilities of the Core Roles defined in this Section 6.5, a Circle shall define additional Accountabilities necessary or desirable given its Scope, and delegate authority for enacting such Accountabilities by creating
one or more Circle-Defined Roles and assigning one or more such Accountabilities to each such Role. The Circle defining such Roles and Accountabilities may amend or remove the same from time to time as it deems necessary or desirable given its Scope. Notwithstanding the foregoing, all such creation, amendment, or removal of Roles or Accountabilities shall take place in a Governance Meeting of the Circle, and no Circle shall have the authority to cause such creation, amendment, or removal to happen through any means other than a Governance Meeting of the Circle which contains or will contain such Roles or Accountabilities, except as a temporary measure as provided for in Section 6.6.

6.6 Individual Action. If a Circle Member of a Circle performs an Accountability which has not been explicitly defined and delegated to a Role within such Circle, such action shall not be considered a Significant Deficiency of such Circle provided that: (i) the action is reasonably necessary to carry out the work within the Circle’s Scope; (ii) the action was taken in a good-faith attempt to support the interests and goals of the Circle and the Company; and (iii) promptly after receiving an explicit request or a significant expression of tension from any Circle Member within the Company, the Person taking such action raises the matter in a Governance Meeting to further clarify and delegate Accountabilities of the Circle. After such a request or significant expression of tension is received and until such time as the Accountability in question is explicitly delegated or addressed in a Governance Meeting, the authority to carry out such Accountability and make decisions related to such Accountability shall immediately vest with the Lead Link of the Circle whose Scope covers said Accountability, or, if a dispute arises about which Circle’s Scope said Accountability falls within, then to the Lead Link of the lowest-level Circle which includes all of the Circles so disputed. Notwithstanding the foregoing, such Lead Link may autocratically delegate such authority to other Circle Members or Roles within that Circle, provided that such autocratic delegation is used only as a temporary measure until the matter can be resolved through the due-process for delegating authority described in this Agreement.

6.7 Sub-Circles. A Circle may further delegate authority within its Scope by authorizing, in a Governance Meeting, any Circle-Defined Role to expand into a full Circle with all of the associated autonomy, requirements, and authorities defined herein (the newly-formed Circle thus becomes a “Sub-Circle” of the existing Circle, while the existing Circle becomes the “Super-Circle” of the newly-formed Circle). The Sub-Circle shall also still remain a Circle-Defined Role within the Circle for all matters described herein, and the purpose and Accountabilities defined for the Role, as may be amended from time to time by the Circle, shall define the Scope of the Sub-Circle.

6.7.1 Lead Link to Sub-Circle. The Person appointed to fill a Circle-Defined Role which has expanded into a Sub-Circle, as such appointment may change from time to time, shall automatically become the “Lead Link” to that Sub-Circle.

6.7.2 Rep Link from Sub-Circle. Each Sub-Circle of a Circle shall elect a “Rep Link” to that Circle, as described in Section 6.4. Any Circle Member may raise, in a Governance Meeting, an Objection about the continued service of the Rep Link. Whenever such an Objection is raised, the Circle shall deliberate in an attempt to reach a State of Integration around an appropriate course of action to address the specific Objection raised. In the event a State of Integration has not been reached after reasonable effort, the Facilitator may then choose to cut-
off the deliberation and instead ask the Sub-Circle in question to elect a new Rep Link to replace the current Rep Link.

6.7.3 Removal of Sub-Circles. A Circle may at any time, through due process in a Governance Meeting, either remove a Role which has expanded into a Sub-Circle entirely, or collapse that role from a full Sub-Circle back into a normal Role in the Circle. In either event, the Sub-Circle and all Sub-Circles below it, recursively, are disbanded and terminated.

ARTICLE 7

GENERAL CIRCLE

7.1 General Circle. The Managers shall create a single Circle and delegate to it all of the accountabilities and authorities necessary for conducting the affairs of the Company in the ordinary course of its business, within any specific clarifications of authority or limits of authority deemed necessary or desirable by the Managers, if any (the “General Circle”). Matters not reasonably within the ordinary course of business of the Company shall be determined by the Managers. The Managers shall delegate to the General Circle all of the authorities and requirements of a Circle as specified herein, with its purpose set to the Company Purpose and its Scope set as specified in this Section 7.1.

7.2 General Circle Lead Link. The Managers shall appoint a Person, who may or may not be one of the current Managers, to fill the Role of Lead Link to the General Circle, and such Person shall gain all of the Accountabilities and authorities of a Lead Link, as specified herein, within the Scope of the General Circle.

7.2.1 Appointment of Lead Link. The Lead Link to the General Circle shall be chosen by the Managers and shall serve at the pleasure of the Managers.

7.2.2 Removal of Lead Link. The Lead Link to the General Circle may be removed, with or without cause, by the Managers at any regular or special meeting of the Managers or by such individual Manager, if any, upon whom such power of removal may be conferred by the Managers.

7.2.3 Objections to Lead Link. At any regular or special meeting of the Managers, any Manager may raise an Objection about the continued service of the then-current Lead Link to the General Circle. Whenever such an Objection is raised, the Managers shall deliberate in an attempt to reach a State of Integration around an appropriate course of action to address the specific Objection raised. In the event a State of Integration can not be reached after reasonable effort, a new Lead Link to the General Circle shall be chosen by the Managers to replace the current Lead Link to the General Circle at the earliest reasonable time, and the Person to be replaced shall not be entitled to raise Objections to any newly-proposed Lead Link.

7.2.4 Resignation of Lead Link. The Lead Link to the General Circle may resign at any time by giving written notice to the Managers. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice; and unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to
make it effective. Any resignation is without prejudice to the rights, if any, of the Company under any contract to which the Lead Link to the General Circle is a party.

7.3 **Super-Circle of General Circle.** The Managers as a group shall be considered both the Super-Circle of the General Circle and the Lead Link of the General Circle’s Lead Link for the purposes of any Accountabilities, authorities, procedures, or other matters discussed in this Agreement that make reference thereto.

**ARTICLE 8**

**CIRCLE GOVERNANCE MEETINGS**

8.1 **Frequency of Meetings.** Each Circle shall hold regular Governance Meetings in alignment with any relevant policies of the Circle and in any event at least quarterly. Further, each Circle shall hold special Governance Meetings at the request of any Circle Member of that Circle, and such special meetings may be used for any purposes that would be otherwise be valid in a regular Governance Meeting.

8.2 **Attendance.** Each Circle Member shall be entitled to attend and fully participate in discussions and decision-making in any or all Governance Meetings of that Circle, including without limitation adding agenda items and making proposals within such meetings. Except as otherwise stated within this Agreement, other parties may attend or participate in a Governance Meeting of a Circle only if every Circle Member attending said Governance Meeting is first given an opportunity to raise Objections to such attendance or participation and the Circle reaches a State of Integration in response to any Objections so raised.

8.3 **Quorum.** Unless otherwise specified in a policy of the Circle there shall be no quorum requirement for Governance Meetings and the decisions of such meetings shall be valid regardless of the number of Circle Members in attendance so long as notice of such meeting was duly given by the Secretary of the Circle in alignment with any relevant policies defined by the Circle.

8.4 **Scope of Meetings.** The Circle shall use Governance Meetings to (a) create, amend, or remove policies which govern operations within the Circle’s Scope; (b) create, amend, or remove Roles within the Circle’s Scope and Accountabilities of said Roles, including authorizing a Role to expand into a full Circle as specified in Section 6.6; and (c) fill the Elected Roles of a Circle as specified in Section 6.4. The allowed outputs of a Governance Meeting, which shall be recorded by the Secretary in the minutes of the meeting and compiled into the Circle’s governance logs, shall be limited to (a) new and amended policies; (b) Roles and Accountabilities, including amendments to the same; and (c) the results of Circle elections (all of the preceding being “Governance Outputs”). Any participant may raise any topic or proposal in a Governance Meeting with the intent of reaching one or more Governance Outputs, including, without limitation, proposals which initially do not propose such outputs, however only Governance Outputs shall be allowed final outputs from the Integrative Decision-Making Process and recorded as such in the Circle’s governance records. Without limiting any of the foregoing, to the extent it is done within due process as determined in good faith by the Facilitator, the Circle or any participant may cause or create other outputs within a Governance
Meeting which they otherwise have the authority to so cause or create, including making specific operational decisions or creating or assigning new operational projects or actions, provided, however, that the Secretary shall not capture such outputs in the formal governance records of the Circle and such outputs shall have no more or less weight or authority than if they were so decided, created, or assigned by the Circle Members so involved outside of a Governance Meeting.

8.5 Decision-Making Process. The Circle’s Facilitator or his or her designee shall use the following process and rules to resolve any proposals put forth by a participant within a Governance Meeting (the “Integrative Decision-Making Process”):

8.5.1 Present Proposal. The participant making the proposal states his or her proposal and, if he or she wishes, the tension(s) he or she is attempting to resolve by making the proposal.

8.5.2 Clarifying Questions. The Facilitator solicits clarifying questions for the purpose of understanding the proposal; any reactions expressed to the proposal or discussion about the proposal is cut off by the Facilitator, as are any questions which the Facilitator believes are conveying information or a reaction as opposed to seeking to clarify the proposal. The participant making the proposal responds to each clarifying question, or, at his or her option, states that the answer is not specified in the proposal.

8.5.3 Reaction Round. The Facilitator asks each meeting participant in turn to provide a short reaction to the proposal, and stops any other discussion or responses of any sort.

8.5.4 Amend or Clarify. The participant making the proposal has a chance, optionally, to clarify any aspects of the proposal or to make small amendments to the proposal based on the reactions. The Facilitator stops any discussion or reactions by anyone other than the participant making the proposal.

8.5.5 Objection Round. The Facilitator asks each meeting participant in turn if he or she knows of any legitimate reason why the proposed decision is not workable for the Circle, at least for the time being, given the Scope, goals, constraints, and present state of the Circle, and the ability to revisit the decision in the future as provided herein (each such reason presented being an “Objection”). For the avoidance of doubt, for a stated Objection to be considered valid it must concern workability from the perspective of the Circle as an entity in itself, composed of its Roles, and as an organ of the broader Company, without regard to the needs, preferences, or desires of the individual Persons filling its Roles except in their capacity as representatives of the Circle’s Roles. Further, such Objection must be why the proposal is not workable, not simply a better idea or an attempt to add to or improve upon an already-workable proposal. Notwithstanding all of the foregoing, except as expressly provided otherwise herein, the participant raising a potential Objection shall determine whether his or her potential Objection is a valid Objection according to the criteria contained herein, provided that such participant must provide a reasonable argument of why such Objection meets these criteria if asked to do so by the Facilitator for such Objection to be considered valid. The Facilitator charts all Objections raised during this round and stops any other discussion or reactions of any kind. Once all participants have had a chance to raise Objections the decision is considered made if no
Objections surfaced, in which case the decision-making process stops here; otherwise, the Facilitator moves on to the next step.

8.5.6 Integration. The Facilitator leads an open discussion about how to add to or amend the proposal such that the tension behind the original proposal is still addressed, as reasonably assessed solely by the participant making the proposal, but in a way which does not give rise to the Objections charted, as reasonably assessed for each Objection solely by the participant who raised that Objection as provided in Section 8.5.5. Once the Facilitator has an amended proposal which he or she believes may achieve this result, the Facilitator terminates discussion and moves the decision-making process back to the preceding step (Objection Round) using the newly amended proposal, and this process continues until a proposal passes the preceding step (Objection Round) with no Objections raised (a “State of Integration”).

8.6 Revisiting Decisions. Any decision made in a Circle’s Governance Meeting can be revisited at any time by any participant in a future Governance Meeting of such Circle, by the participant so inclined either (i) presenting a new proposal to amend, add to, or remove the output of a previous decision-making process, in which case such new proposal is treated just like any other proposal using the decision-making process described herein; or (ii) raising a valid Objection to a currently-enacted governance decision, in which case the Facilitator shall either appoint the most appropriate participant to act as the original participant making the proposal of the current decision for purposes of the Integrative Decision-Making Process and begin said process at the Integration step given the Objection raised, or, if no most appropriate participant can be readily identified, or if the Facilitator otherwise believes it more beneficial, the Facilitator may alternatively ask the participant raising such Objection to instead make a new proposal which would address it.

8.7 Decision-Making Failure. In the event a Circle fails to reach a State of Integration on a proposal after reasonable efforts to do so within a Governance Meeting, the Secretary of the Circle shall schedule another Governance Meeting for at least forty-eight (48) hours after the start of the meeting which failed to resolve the proposal, in which meeting the Circle shall make another attempt to reach a State of Integration around the proposal. If such additional attempt also fails the Facilitator of the Circle shall then notify the Facilitator of the Super-Circle, or, if the Facilitator of the Super-Circle is also the Lead Link or Facilitator of the Circle, then such other Person exactly as is described in Section 8.8. The Person so notified shall then either facilitate a resolution of the specific failure, including, at their option, facilitating and participating in another Governance Meeting of the Circle, or, if such resolution does not resolve the failure within a reasonable timeframe, or if such Person believes such efforts are not likely to result in a resolution, then such Person shall declare a Significant Deficiency in the Circle.

8.8 Significant Deficiency. The Facilitator of a Circle shall have the Accountability for auditing a Sub-Circle’s meetings and records as-needed, as specified in Section 6.4.1(d), except that if such Facilitator is also the Lead Link or Facilitator of the Sub-Circle, then such Accountability, with regard to that specific Sub-Circle, shall instead be placed on the Rep Link of the Circle, or, if such Rep Link is also the Lead Link or Facilitator of the Sub-Circle, then to the Secretary of the Circle, or, if such Secretary is also the Lead Link or Facilitator of the Sub-Circle, then to the longest-term Circle Member of the Circle who is not also the Lead Link or Facilitator of the Sub-Circle nor the Lead Link of the Circle. If such Person with such
Accountability determines that a Sub-Circle so audited evidences behavior conflicting with the processes and rules described in this Agreement (a “Significant Deficiency”), such Person shall declare such to his or her fellow Circle Members, and such declaration shall trigger the restoration process described in Section 8.8.1.

8.8.1 Process Restoration. Once a Person so authorized declares to a Circle that one of its Sub-Circles evidences a Significant Deficiency, the following shall occur until due process is restored, as reasonably assessed by the Person authorized to declare a Significant Deficiency in such Sub-Circle: (i) the Person authorized to declare a Significant Deficiency in the Sub-Circle shall automatically become the Facilitator of such Sub-Circle for the sole purpose of restoring due process; (ii) the authority to reasonably judge the validity of an Objection raised during the Integrative Decision-Making Process within such Sub-Circle, which typically vests in the Person raising the Objection, shall instead vest in the Facilitator of such Sub-Circle; (iii) the Lead Link of the Sub-Circle shall be replaced, upon request by the Facilitator of such Sub-Circle, which request shall be made solely for the purpose of restoring due process, by any Person selected through due authority and process of the Circle, provided that the Facilitator of the Sub-Circle accepts the Person so selected as workable for the purpose of restoring due process.

8.8.2 Escalation of Break-Down. If a Significant Deficiency in a Sub-Circle is not cured within a reasonable timeframe, such failure to restore due process shall be considered a Significant Deficiency of the Circle containing the Sub-Circle for the purposes of any audit conducted by an authorized member of its Super-Circle or any other duly authorized party.

8.8.3 Process Restoration Considered In-Process. Any Significant Deficiency which is identified and declared as provided herein, or which reasonably would be identified and declared in due course, shall not be considered a breach of this Agreement or a failure on the part of any party to uphold the terms of this Agreement, unless such Significant Deficiency escalates as provided herein to the Managers and the Managers fail to restore due process within a reasonable timeframe.

ARTICLE 9

RIGHTS AND OBLIGATIONS OF MEMBERS

9.1 Participation in Management. The Members, in their capacity as Members, shall not and may not take part in the management of the Company’s business. The Members, in their capacities as such, shall not have the right to vote or otherwise consent or withhold consent except with respect to such matters as are expressly stated in this Agreement.

9.2 Limitation of Liability.

9.2.1 Pursuant to the Act, no Member shall have personal liability whatsoever in his capacity as a Member for the obligations of the Company or for any of the Company’s losses beyond the amount contributed by such Member to the capital of the Company from time to time.

9.2.2 Each Member shall, and by executing this Agreement does, indemnify the Company for any liability, debt or obligation incurred by the Company as a result of any action
taken on behalf of the Company by any Member, in the capacity as a Member, without the proper authorization as provided herein.

ARTICLE 10

MEETINGS OF MEMBERS

10.1 Purpose of Meetings. The purpose of a meeting of Members shall be to elect a Person to fill the Manager Seat representing the Investor Context, and to discuss, within a reasonable time allotment, those topics the Members deem important to said election.

10.2 Place of Meetings; Meetings by Telephone. Meetings of Members shall be held at any place designated by the Managers. In the absence of any such designation, meetings of the Members shall be held at the principal place of business of the Company. Any meeting of the Members may be held by conference telephone or similar communication equipment so long as all Members participating in the meeting can hear one another, and all Members participating by telephone or similar communication equipment shall be deemed to be present in person at the meeting.

10.3 Call of Meetings. The Managers shall call a meeting of the Members promptly whenever the Manager Seat representing the Investor Context is empty for any reason or anticipated to be empty in the near future, or whenever the term of the currently elected Investor Context representative is nearing an end. Meetings of the Members shall also be called promptly by the Managers upon the written request of any Member or Members owning in total at least 5% of all the issued and outstanding Units of the Company.

10.4 Notice of Meetings of Members. All notices of meetings of Members shall be sent or otherwise given in accordance with Section 21.3 and shall be sent not less than ten (10) nor more than sixty (60) days before the date of the meeting. The notice shall specify the place, date and hour of the meeting.

10.5 Adjourned Meeting; Notice. Any meeting of Members may be adjourned from time to time at the reasonable discretion of the individual presiding over the meeting. When any meeting of Members is adjourned to another time or place, notice need not be given of the adjourned meeting, unless a new record date of the adjourned meeting is fixed or unless the adjournment is for more than sixty (60) days from the date set for the original meeting, in which case the Managers shall set a new record date and shall give notice in accordance with the provisions of Section 21.3. At any adjourned meeting, the Company may transact any business that might have been transacted at the original meeting.

10.6 Facilitation of Meetings. The Managers may decide who shall preside over and facilitate meetings of Members, or, if the Managers do not otherwise specify, the Lead Link to the General Circle shall by default preside and facilitate the meeting(s).

10.7 Quorum. Any number of Members present at a meeting of the Members shall automatically constitute a quorum for the purposes of transacting the business of the meeting, regardless of the number of Members or total investment Units represented by such Members.
10.8 **Election Process.** If there are no more than six (6) Members present in person at a meeting of the Members, the individual facilitating the meeting shall first attempt to use the Integrative Election Process to elect a Person to fill the Manager Seat representing the Investor Context. If such process does not result in a Person duly elected after reasonable time and effort, or if there are more than six (6) Members present in person at a meeting, the facilitator shall instead open the floor for discussion of topics relevant to the election, and, after allowing a reasonable amount of time for such discussion, call a vote to decide the election for a term of one (1) year. Each Member present at the meeting shall be entitled to one vote per Unit of the Company owned as of the record date of the election, and the election result shall go to the Person who receives the most votes in aggregate.

10.9 **Waiver of Notice.** Notice of a meeting need not be given to any Member if a written waiver of notice executed by such Member, before or after the meeting, is filed with the Secretary of the Managers and maintained in the records of the proceedings of the Members. The waiver of notice need not specify either the business to be transacted or the purpose of any meeting of Members. Attendance by a Member at a meeting shall also constitute a waiver of notice of that meeting, except when the Member objects at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

10.10 **Record Date for Member Notice, Voting and Giving Consents.**

10.10.1 For purposes of determining the Members entitled to vote or act at any meeting or adjournment thereof, the Managers may fix in advance a record date which shall not be less than ten (10) days nor more than sixty (60) days before the date of any such meeting. If the Managers do not so fix a record date, the record date for determining Members entitled to notice of or to vote at a meeting of Members shall be at the close of business on the business day immediately preceding the day on which notice is given, or if notice is waived, at the close of business on the business day immediately preceding the day on which the meeting is held.

10.10.2 Only Members of record on the record date, as determined in this Agreement, shall have any right to vote or to act at any meeting or give consent to any action relating to such record date, provided that no Member who transfers all or part of such Member’s Units after a record date (and no transferee of such interest) shall have the right to vote or act with respect to the transferred Units.

**ARTICLE 11**

**CAPITAL MATTERS**

11.1 **Units; Initial Capital Contributions.**

11.1.1 The Interests in the Company shall be divided into Units.

11.1.2 The Managers are authorized to issue as many Units as they deem necessary or advisable without Members’ approval.
11.1.3 The Members, their respective Unit holdings, and their Capital Contributions as of the date of this Agreement which relate to such Units are as set forth on Exhibit A hereto.

11.1.4 The Managers shall amend Exhibit A from time to time as necessary to reflect changes in the information therein set forth resulting from the admission of additional or substituted Members, the purchase or issuance of Units by the Company, the making of additional Capital Contributions or the transfer of Units, in each case as provided in this Agreement.

11.2 Additional Capital Contributions. If the Managers determine that additional capital is necessary or advisable for the operation of the Company, then (a) Members may, but shall not be required to, make additional Capital Contributions to the Company in the form of cash, assets or services without receipt of additional Units or change in their Percentage Interests, or (b) subject to Section 11.3, the Company may issue additional Units to one or more third parties who may or may not already be Members.

11.3 Issuance of Additional Units.

11.3.1 Subject to Section 11.1, the Company may issue additional Units from time to time to existing Members or third parties upon the approval of the Managers. The Capital Contribution payable for and with respect to any additional Units shall be as determined from time to time by the Managers.

11.3.2 No Person shall be issued any Units and admitted as a Member of the Company unless (a) such purchaser pays the Capital Contribution established by the Managers for the issuance of such Unit(s); and (b) such purchaser executes and delivers such documents and instruments, in form satisfactory to the Managers, as the Managers may deem necessary, appropriate or advisable, to evidence the foregoing including, without limitation, a joinder to this Agreement and the Members Agreement that binds such purchaser to this Agreement and the Members Agreement. Unless approved by the Managers, additional Units shall not be made if such issuances would cause a termination of the Company under Section 708(b) or any other provision of the Code.

11.3.3 Upon satisfaction of the conditions set forth in Section 11.3.2 hereof, each purchaser of additional Units shall automatically be deemed a Member of the Company entitled to the benefits of, and subject to the provisions of and obligations in, this Agreement.

11.4 Unit Certificates. The Units may be, but need not be, represented by certificates.

11.5 Record Holder of Units. The Company shall be entitled to treat the Person in whose name any Unit or Units of the Company stand on the books of the Company as the absolute owner thereof, and shall not be bound to recognize any equitable or other claim to, or interest in, such Unit or Units on the part of any other Person.

11.6 Lost, Destroyed or Mutilated Certificates. Except as provided in this Section 11.6, no new certificates for Units shall be issued to replace an old certificate unless the latter is surrendered to the Company and canceled at the same time. The Managers may, in the event any
certificate is lost, stolen, or destroyed, authorize the issuance of a replacement certificate on such terms and conditions as the Managers may require, including a provision for indemnification of the Company secured by a bond or other adequate security sufficient to protect the Company against any claim that may be made against it, including any expense or liability on account of alleged loss, theft, or destruction of the certificate or the issuance of the replacement certificate.

11.7 Capital Accounts.

11.7.1 A single, separate capital account shall be maintained for each Member in accordance with the Regulations issued under Section 704(b) of the Code (each such account, a “Capital Account”).

11.7.2 To each Member’s Capital Account there shall be credited such Member’s Capital Contributions, such Member’s allocated share of Profits, any items in the nature of income or gain which are specially allocated pursuant to this Agreement and which would otherwise be included in the computation of Profits and Losses, and the amount of any Company liabilities assumed by such Member or which are secured by any property of the Company distributed to such Member.

11.7.3 From each Member’s Capital Account there shall be debited the amount of cash and the Gross Asset Value of any property of the Company distributed to such Member pursuant to any provision of this Agreement, such Member’s allocated share of Losses, any items in the nature of expenses or losses which are specially allocated pursuant to this Agreement and which would otherwise be included in the computation of Profits and Losses, and the amount of any liabilities of such Member assumed by the Company or which are secured by any property contributed by such Member to the Company (to the extent not otherwise taken into account in computing the value of the Member’s Capital Contributions).

11.7.4 Upon a transfer of any Unit in accordance with the terms of this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the transferred Unit.

11.7.5 The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations §1.704-1(b), and shall be interpreted and applied in a manner consistent with such Regulations. In the event that the Managers shall determine that it is prudent to modify the manner in which Capital Accounts or any debits or credits thereto are computed in order to comply with such Regulations, the Managers may make such modifications without the consent of the Members, provided that such modifications are not likely to have a material effect on the amounts distributable to the Members upon the dissolution of the Company.

11.8 Revaluation of Company Property. The Capital Accounts of the Members shall be adjusted to reflect a revaluation of the Property of the Company made pursuant to the definition of Gross Asset Value and in accordance with the provisions of Section 21.6 hereof; provided that any adjustments hereunder shall be made in accordance with and to the extent provided in Regulations Section 1.704-1(b)(2)(iv)(f) and (g), and taking into account Regulation Section 1.704-1(b)(2)(iv)(h).
11.9 Return of Capital. Each Member is entitled to the return of his Capital Contribution or other moneys credited to his Capital Account only by way of distributions made pursuant to Article 14. No Member has the right to demand a return, either in cash or property, of the Member’s Capital Contribution or other moneys credited to his Capital Account or to bring an action of partition against the Company or its property. The Managers shall not have personal liability for the repayment of the capital contributed by the Members.

11.10 Loans to the Company. Any Member or Affiliate of a Member may, with the consent of the Managers, lend or advance money to the Company. If any Member, with the consent of the Managers, shall make any loan or loans to the Company or advance money on its behalf, the amount of such loan or advance shall not be treated as a Capital Contribution of the Company and shall not increase such Member’s Capital Account but shall instead be treated as a debt due from the Company to a creditor as to all parties and as for all purposes to the fullest extent permitted by law. Any such loan shall be a debt of the Company to such Member and shall be payable or collectible only out of the Company assets in accordance with the terms and conditions upon which such loan was made and shall bear interest at a rate at least equal to the applicable federal rate as defined in Section 1274(d) of the Code. Any such loan shall be subject to the highest priority permitted by law as to the creditors of the Company.

11.11 No Restoration of Deficit Balance. No Member shall have any obligation at any time to restore a deficit balance in its Capital Account other than as required by the Act.

ARTICLE 12

TRANSFERS

12.1 General. Only upon compliance with the terms of this Article 12 and the Members Agreement will a Member be permitted to assign, sell or otherwise transfer all or any part of its Units. Any purported assignment of a Unit which is not made in compliance with the terms of this Article 12 is hereby declared to be null and void and of no force or effect whatsoever.

12.2 General Requirements.

12.2.1 Each Member agrees that such Member will, upon request of the Managers, execute such certificates or other documents and perform such acts as the Managers deem appropriate after an assignment of any Unit of such Member (whether voluntary or involuntary) permitted by the Members Agreement to preserve the limited liability status of the Company under the laws of the jurisdictions in which the Company is then doing business. For purposes of this subsection, any transfer of any Unit, whether voluntary, involuntary or by operation of law, shall be considered an assignment.

12.2.2 Notwithstanding Section 12.1, if the Company is required or elects to recognize a transfer that is not permitted by this Agreement, such transfer shall not entitle the assignee to participate in the management and affairs of the Company or to exercise any rights of a Member. A transfer entitles the assignee to receive, to the extent assigned, only the distributions to which the assignor would be entitled.
12.2.3 Each Member agrees that he will, prior to the time the Managers consent to an assignment of a Unit by that Member, pay all reasonable expenses, including attorneys’ fees, incurred by the Company in connection with such assignment.

12.3 Assignee as Member.

12.3.1 Each assignee or transferee to be admitted as a substituted Member, as a condition to his admission as a Member, shall execute and acknowledge such instruments, in form and substance satisfactory to the Managers, as the Managers shall deem necessary or desirable to effectuate such admission and to confirm the agreement of such assignee or transferee to be bound by all the terms and provisions of this Agreement. All reasonable expenses, including attorneys’ fees, incurred by the Company in this connection shall be borne by such assignee or transferee.

12.3.2 Any Person who acquires ownership of a Unit (whether by virtue of a voluntary assignment or any other transfer by operation of law) in accordance with the terms of this Agreement and the Members Agreement shall be admitted as and become a substituted Member in the Company, entitled to all the rights and benefits under this Agreement of the transferor or assignor of such Unit. The Members hereby consent and agree to such admission of a substituted Member.

12.4 Binding Effect. Any Person who acquires a Unit shall be subject to and bound by all the provisions of this Agreement as if originally a party to this Agreement but subject in all respects to Section 12.2.2.

12.5 Effective Transfer Date. The effective date of transfer of any Units and the admission of a substituted Member shall be the date designated by the Managers in writing to such assignee or transferee that the requirements and conditions for such assignment set forth in this Agreement and the Members Agreement have been satisfied and the assignment has been recorded in the Company’s books (the “Effective Transfer Date”).

12.6 Liability of the Company or the Managers. Neither the Company nor any Manager or agent of the Managers will incur any liability to the transferee of a Unit for distributions of cash or other property made in good faith to the transferor of a Unit prior to the Effective Transfer Date.

12.7 No Voluntary Withdrawal. Except in connection with a permitted transfer of a Member’s Units in accordance with the provisions of this Agreement, no Member shall have the right to voluntarily retire, withdraw or otherwise elect to cease to be a Member of the Company.

ARTICLE 13

ALLOCATIONS

13.1 Allocation of Profit and Loss. After giving effect, to the extent required, to the special allocations set forth in Sections 13.2 and 13.3 hereof, and subject to Section 13.4 hereof, Profits and Losses for any Fiscal Year of the Company shall be allocated to the Members in proportion to their Percentage Interest. Where the Percentage Interests held by Members change
13.2 Regulatory Allocations. The following special allocations shall be made in the following order and priority:

13.2.1 Minimum Gain Chargeback. Except as otherwise provided in Section 1.704-2(f) of the Regulations, notwithstanding any other provision of this Section 13.2, if there is a net decrease in Company Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of the Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member’s share of the net decrease in the Company Minimum Gain, determined in accordance with Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(f) (6) and 1.704-2(j)(2) of the Regulations. This Section 13.2.1 is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith.

13.2.2 Member Loan Minimum Gain Chargeback. Except as otherwise provided in Section 1.704-2(i)(4) of the Regulations, notwithstanding any other provision of this Article 13, if there is a net decrease in Member loan Nonrecourse Debt Minimum Gain attributable to a Member loan Nonrecourse Debt during any Fiscal Year, each Member who has a share of the Member Nonrecourse Debt Minimum Gain attributable to such Member Loan Nonrecourse Debt, determined in accordance with Section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of the Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member’s share of the net decrease in Member Loan Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i) (4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(i)(4) and 1.704 2(j)(2) of the Regulations. This Section 13.2.2 is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(i) (4) of the Regulations and shall be interpreted consistently therewith.

13.2.3 Qualified Income Offset. In the event that any Member unexpectedly receives any adjustments, allocations or distributions described in Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6), which create or increase a deficit balance in such Member’s Capital Account in excess of (i) the amount such Member is obligated to restore, if any, and (ii) the amount such Member is deemed to be obligated to restore pursuant to Regulations Sections 1.704-2(a)(1) and 1.704-2(i)(5), then items of the Company income and gain (consisting of a pro rata portion of each item of the Company income, including gross income, and gain for such year and, if necessary, for subsequent years) shall be specially allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, such excess as quickly as possible. It is the intent that this Section 13.2.3 be interpreted as a “qualified income
offset” and as otherwise necessary to comply with the alternate test for economic effect set forth in Regulations Section 1.704-1(b)(2)(ii)(d).

13.2.4 Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Members in the same manner that any portion of Losses attributable to such Nonrecourse Deductions would be allocated among the Members pursuant to Section 13.1 hereof as if this Section 13.2 did not apply to such Nonrecourse Deductions.

13.2.5 Member Loan Nonrecourse Deductions. Any Member Loan Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Loan Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Regulations Section 1.704-2(i)(1).

13.2.6 Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Section 734(b) or Section 743(b) of the Code is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Member in complete liquidation of such Member’s interest in the Company, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Members in accordance with their interests in the Company in the event Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Member to whom such distribution was made in the event Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

13.2.7 Section 704(c) Allocations. Any required allocation of income, deduction, loss or credit, under Section 704(c) of the Code and the Regulations thereunder, shall be made to a Member in order to reflect any built-in gain or loss with respect to such Member’s actual or deemed contributions of property to the Company, including any reverse built-in gain or loss resulting from a required restatement of the Company’s book capital accounts as a result, for example, of the admission of a new Member. The Managers, shall, as set forth in Section 13.3 hereof, have the right, in their sole discretion, to adopt any method or methods of reducing built-in gain or loss of a Member or Members through special allocations of cost recovery or other similar allowances, including gross income allocations, in order to expedite the reduction between book and tax capital account balances of such affected Members.

13.3 Curative Allocations. The allocations set forth in Section 13.2 hereof (the “Regulatory Allocations”) are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of the Company income, gain, loss or deduction pursuant to this Section 13.3. Therefore, notwithstanding any other provision of this Article 13 (other than the Regulatory Allocations), the Managers shall make such offsetting special allocations of the Company income, gain, loss or deduction in whatever manner they determine appropriate so that, after such offsetting allocations are made, each Member’s Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were
not part of the Agreement and all the Company items were allocated pursuant to Section 13.1 hereof.

13.4  Other Allocation Rules.

13.4.1  For purposes of determining the Profits, Losses, or any other items allocable to any period, Profits, Losses, and any such other items shall be determined on a daily, monthly, or other basis, as determined by the Managers in their reasonable discretion using any permissible method under Section 706 of the Code and the Regulations thereunder.

13.4.2  The Members are aware of the income tax consequences of the allocations made by this Article 13 and hereby agree to be bound by the provisions of this Article 13 in reporting their shares of the Company income and loss for income tax purposes.

13.4.3  Solely for purposes of determining a Member’s proportionate share of the “excess nonrecourse liabilities” of the Company within the meaning of Regulations Section 1.752-3(a)(3), the Members’ interests in the Company profits shall be deemed to be in proportion to their respective Percentage Interest or in alternative proportions which the Managers deem appropriate to maximize consistency between Company allocations and the tax basis of the Members in their respective Company Units.

ARTICLE 14  DISTRIBUTIONS

14.1  Tax Distributions.  For each Fiscal Year, the Company shall, not later than ninety (90) days following the end of such Fiscal Year, distribute to each Member, with respect to such Fiscal Year, Distributable Cash Flow in an amount equal to such Member’s Presumed Tax Liability for such Fiscal Year (a “Tax Distribution”).

14.1.1  All amounts required to be distributed to a Member with respect to any Fiscal Year pursuant to Section 14.1 shall be reduced by any distributions made pursuant to Section 14.3 for such Fiscal Year or prior to the expiration of the ninety (90) day period following the end of such Fiscal Year, provided that such amounts were not applied to such Member’s Presumed Tax Liability for a prior Fiscal Year.

14.1.2  Any amount distributed pursuant to this Section 14.1 will be deemed to be an advance distribution of amounts otherwise distributable to the Members pursuant to Section 14.2 and will reduce the amounts that would subsequently otherwise be distributable to the Members pursuant to Section 14.2.

14.1.3  The Company may distribute Tax Distributions in quarterly installments on an estimated basis prior to the end of a Fiscal Year, but if the amounts distributed by the Company as estimated quarterly Tax Distributions exceed the greater of (a) the amount of Tax Distributions to which such Member is entitled for such Fiscal Year or (b) the total amount of other distributions to which such Member is entitled in such Fiscal Year, then the Member shall, within fifteen (15) days after the tax return for such Fiscal Year is filed, return such excess to the Company and such excess will be treated as a Distribution to such Member pursuant to
Section 14.2 until it is returned (or if for any reason such excess is not returned, then such excess will be set off against any future distributions to which such Member otherwise would have been entitled).

14.1.4 All amounts withheld pursuant to the Code or any provision of any state, local or foreign tax law with respect to any payment, distribution or allocation to the Company or the Members shall be treated as amounts paid or distributed, as the case may be, to the Members with respect to which such amount was withheld pursuant to this Section 14.1.4 for all purposes under this Agreement and shall be treated as a Tax Distribution for the purpose of Section 14.1.2. The Company is authorized to withhold from payments and distributions, or with respect to allocations to the Members, and to pay over to any federal, state and local government or any foreign government, any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state or local law or any foreign law, and shall allocate any such amounts to the Members with respect to which such amount was withheld.

14.2 Distributable Cash Flow. Except as otherwise provided in this Agreement, Distributable Cash Flow, if any, remaining after distributions under Section 14.1 (such remaining Distributable Cash Flow being a “Distributable Amount”), may be distributed to the Members, at such times as the Managers may determine, in proportion to their respective Percentage Interests.

14.3 Distributions of Capital Transaction Proceeds. Capital Transaction Proceeds shall be distributed to the Members within a reasonable time following the Capital Transaction to which the Capital Transaction Proceeds relate in proportion to their respective positive Capital Account Balances until such time as all of the Capital Accounts equal zero, and thereafter, in proportion to the Members’ respective Percentage Interests.

14.4 Distributions in Kind. Distributions of property of the Company may be made in cash or in kind as determined by the Managers. Immediately prior to any distribution in kind, the Gross Asset Value of the property of the Company to be distributed shall be adjusted by agreement of the Managers as to the correct Gross Asset Value of such property, as provided in the definition of Gross Asset Value. After such determination of the Gross Asset Value of the property of the Company to be distributed and immediately upon the distribution of such property of the Company, such property shall be deemed to have been sold for its Gross Asset Value on the date of distribution and the deemed proceeds of such constructive sale shall be deemed to constitute an amount of Distributable Cash Flow and such property shall be distributed accordingly to the Members in accordance with the order and priority set forth in Section 14.2, and such amount of constructive Distributable Cash Flow shall thereafter be deemed to have been distributed to the Members pursuant to Section 14.2 for the purpose of this Agreement.

14.5 Distributions Upon Liquidation. If all or substantially all of the assets of the Company are sold in connection with a liquidation of the Company, or if the Company is otherwise liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g) or dissolved pursuant to Article 16, the assets of the Company shall be distributed through the procedures outlined in Article 16 in the following order and priority:
14.5.1 First, to payment of the debts and liabilities of the Company in the order of priority provided by law, provided that the Company shall first pay, to the extent permitted by law, liabilities with respect to which any Member is or may be personally liable.

14.5.2 Second, to payment of the expenses of liquidation of the Company in the order of priority provided by law, provided that the Company shall first pay, to the extent permitted by law, liabilities or debts owed to Members.

14.5.3 Third, to the setting up of such reserves as the Managers may deem reasonably necessary for any contingent or unforeseen liabilities or obligations of the Company arising out of or in connection with the business of the Company, provided that any such reserve will be held by the Company for the purposes of disbursing such reserves in payment of any of the aforementioned contingencies and at the expiration of such period as the Managers shall deem advisable, to distribute the balance thereafter remaining in the manner hereinafter provided.

14.5.4 The balance of the proceeds, if any, to be distributed on or before the later of (i) the end of the Fiscal Year during which such liquidation occurs and (ii) ninety (90) days after the date of such liquidation, to the Members in accordance with the order and priority set forth in Section 14.3 (the “Final Distribution”). Immediately prior to the Final Distribution, the Capital Account balances of the Members shall be adjusted, taking into account all items of Profit and Loss (including any special allocations of income and loss made pursuant to this Agreement) for the taxable year of the Company in which such liquidation occurs and in which the Final Distribution is made, such that the Capital Account of each Member prior to the Final Distribution equals the distribution to be received by such Member pursuant to the Final Distribution.

14.6 Certain Capital Transaction Proceeds. The Members agree to share proceeds (whether cash, property, or a combination of cash and property) attributable to a sale of all or substantially all of the outstanding Interests, whether by Interest sale, merger, consolidation or any other form, in the same manner as such Members would share in a distribution by the Company to the Members in complete liquidation, within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), and in accordance with the principles outlined in Section 14.5.

ARTICLE 15
FINANCIAL MATTERS

15.1 Fiscal Year. The Fiscal Year and taxable year of the Company shall be its required taxable year as determined pursuant to Section 706 of the Code.

15.2 Company Funds. The funds of the Company shall be deposited in such bank accounts, or invested in such interest-bearing or non-interest-bearing investment, including without limitation, federally insured checking and savings accounts, certificates of deposit and time or demand-deposits in U.S. government agencies or government backed securities or mutual funds investing primarily in such securities, or such other investments as the Managers or their designees deem appropriate. Withdrawals therefrom shall be made upon such signatures as the Managers or their designees may designate.
15.3 Tax Matters.

15.3.1 Tax Information. The Company shall deliver or cause to be delivered to the Members such information as is necessary for the Members to prepare the Members’ federal, state and local tax returns as they relate to the Company. The Company shall use every reasonable effort to provide such information within ninety (90) days after the end of each Fiscal Year.

15.3.2 Tax Matters Partner. [_____________________] shall be the “Tax Matters Partner” of the Company pursuant to Section 6231(a)(7) of the Code until a new Tax Matters Partner is designated by the Managers. Any Member who is designated Tax Matters Partner shall inform each other Member of all significant tax matters that may come to its attention in its capacity as Tax Matters Partner by giving notice thereof promptly after becoming aware thereof. Any Member who is designated Tax Matters Partner may not take any action contemplated by Section 6222 through 6232 of the Code without the consent of the Managers.

15.3.3 Tax Elections. Except as otherwise provided herein, the Managers in their sole discretion may make and revoke (to the extent permitted by law) any and all elections for federal, state and local tax purposes (including, without limitation, any election to adjust the basis of the Company Property pursuant to Code Sections 754, 734(b) and 743(b)), or comparable provisions of state or local law, in connection with transfers of Units and Company distributions).

15.3.4 Tax Filings. The Company shall make, on behalf of the Members, block tax return filings in those states in which the Company is required by law to file an income tax return and is permitted to file a block tax return filing on behalf of its Members; and shall in such event pay all state income taxes payable pursuant to any such state block tax return to the extent permitted by law. Any such tax payments shall be deemed to be distributions to the Members for whom such payments were made.

ARTICLE 16
DISSOLUTION

16.1 Dissolution.

16.1.1 The Company shall be dissolved upon the earliest to occur of the following (each a “Dissolution Event”):

(a) all or substantially all of the Company’s assets and properties have been sold and reduced to cash;

(b) the Managers have determined to effect such dissolution; and

(c) the entry of a decree of judicial dissolution under Section 18-802 of the Act.
16.1.2 The death, retirement, resignation, expulsion, bankruptcy or dissolution of a Member shall not cause the dissolution of the Company, and the Company shall continue without effect.

16.2 Liquidator. Upon dissolution of the Company, the remaining Managers (collectively being hereinafter referred to as the ‘Liquidator’) shall proceed to wind up the business and affairs of the Company in accordance with the requirements of the Act. A reasonable amount of time shall be allowed for the period of winding up in light of prevailing market conditions and so as to avoid undue loss in connection with any sale of Company assets. This Agreement shall remain in full force and effect during the period of winding up. The Liquidator, in carrying out the winding up of the Company’s affairs and after paying or making reasonable provision for the claims of creditors, shall have full power and authority to sell any or all of the remaining assets of the Company or to distribute the same in kind to the Members. The fair market value of any assets to be distributed in kind shall be determined by an independent appraiser selected by the Liquidator. The proportion of cash or assets in kind to be received by Members may vary from Member to Member, all as the Liquidator in its sole discretion may determine. If distributions are insufficient to return to any Member the full amount of such Member’s Capital Contribution or Capital Account, such Member shall have no recourse against any other Member or any Manager. Following the completion of the winding up of the affairs of the Company and the distribution of its assets, the Liquidator shall file a certificate of cancellation with the Secretary of State of the State of Delaware pursuant to Section 18-203 of the Act.

16.3 Deemed Distribution and Recontributions. Notwithstanding any other provision of this Article 16, in the event the Company is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g) but no Dissolution Event has occurred, the Property shall not be liquidated, the Company’s Debts and other Liabilities shall not be paid or discharged, and the Company’s affairs shall not be wound up. Instead, solely for federal income tax purposes, the Company shall be deemed to have contributed all its Property and liabilities to a new limited liability company in exchange for an interest in such new company and, immediately thereafter, the Company will be deemed to liquidate by distributing interests in the new company to the Members.

ARTICLE 17
INDEMNIFICATION

17.1 Limitation of Liability. No Member or Manager shall be personally liable, responsible or accountable in monetary damages or otherwise to the Company or any Member or Manager for any act or failure to act or for any mistakes of judgment unless such Member or Manager has breached or failed to perform the duties of his, her or its office under the Act or this Agreement and the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. The provisions of the immediately preceding sentence shall not apply to (a) the responsibility or liability of a Member or Manager pursuant to any criminal statute or (b) the liability of a Member or Manager for the payment of taxes pursuant to federal, state or local law.

17.2 Indemnification. To the fullest extent permitted by law, the Company shall indemnify, defend and hold harmless any Member or Manager (each being referred to as an
“Indemnitee”) who was or is a party (other than a party plaintiff suing on his or her own behalf), or who is threatened to be made such a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including an action by or in the right of the Company) arising out of, or in connection with, any actual or alleged act or omission by an Indemnitee taken in such Indemnitee’s capacity as a Member or Manager, or by reason of the fact that the Indemnitee is or was a Member or Manager, or is or was serving at the request of the Company as a director or officer (or Person performing similar functions) of any other entity, including, a domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines, excise taxes and amounts paid in settlement actually and reasonably incurred by the Indemnitee in connection with such action, suit or proceeding if the Indemnitee met the standard of conduct of (i) acting in good faith and in a manner the Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Company and (ii) with respect to any criminal proceeding, having no reasonable cause to believe the Indemnitee’s conduct was unlawful. The termination of any action or proceeding by judgment, order, settlement or conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the Indemnitee did not act in good faith and in a manner that the Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had reasonable cause to believe that his or her conduct was unlawful.

17.3 Advancing Expenses. Expenses (including attorneys’ fees) reasonably incurred by an Indemnitee in defending any action, suit or proceeding referred to in Section 17.2 may be paid by the Company in advance of the final disposition of the action, suit or proceeding upon receipt of an undertaking by or on behalf of the Indemnitee to repay such amount if it shall ultimately be determined that the Indemnitee is not entitled to be indemnified by the Company as authorized in Section 17.2.

17.4 Nonexclusivity of Indemnification. The duties of the Company to indemnify and to advance expenses to a Member or Manager provided in this Section 17.6 shall be in the nature of a contract between the Company and each such Member or Manager, and no amendment or repeal of any provision of this Section 17.6, and no amendment or termination of any trust or other fund created pursuant to Section 17.4, shall alter, to the detriment of such Member or Manager, the right of such Person to the advance of expenses or indemnification related to a claim based on an act or failure to act which took place prior to such amendment, repeal or termination.

17.7 Past Officers and Managers. The indemnification and advancement of expenses provided by, or granted pursuant to, this Section 17.7 shall, unless otherwise provided when authorized or ratified, continue as to a Person who has ceased to be a Member, Manager, employee or agent of the Company and shall inure to the benefit of the executors, administrators, heirs, successors and assigns of that Person.
