

JUNETEENTH ARTS & CULTURAL FESTIVAL

SPONSORSHIP OPPORTUNITY

Creative Suitland is an arts-based community development strategy to include residents and businesses in defining the cultural and creative spirit of the greater Suitland area.

Creative Suitland's **2023 Juneteenth Arts and Cultural Festival** will be a 2-day celebration that commemorates the end of slavery in the United States and honors the state holiday. Juneteenth, or "Freedom Day," not only celebrates the freedom of enslaved people in the United States of America but also the many achievements of African Americans.

The third annual festival will feature live performances, a community drum circle, farmer's market, spoken word performances, film screening, genealogy resources and family-friendly activities.

This festival is for the people and is reliant on financial support of individuals, businesses, and organizations in the community. We respectfully ask for your help in supporting this community event. Please review the following giving opportunities found below. With your support, the 2023 *Juneteenth Arts and Cultural Festival* will be just as incredible as the year before!
