Will 50% or more of the program be taught through online (Brightspace), livestream (Zoom), hybrid, or hyflex modalities?

If unsure, use the Distance Education Program Course List to list each course in the program; then, identify the current or target modality of each and calculate the percentage of the program that will be available via DE.

If yes, the program qualifies as DE and will need to be reported to the Coordinating Board.

If no, the program does not qualify as DE. No reporting necessary.
