SCHOLARSHIP INFORMATION

The Harold J. West Memorial Scholarship aims to minimize the financial burden for parents working to obtain a college degree. The scholarship was established in memory of Harold West, who struggled to find the balance of being a parent, a student, and an employee in his earlier years. Ultimately, his tireless work ethic and positive approach to life not only shaped his success over the course of his career, but was an inspiration to those who bore witness to it.

The scholarship’s goal is to inspire the next generation of individuals who may find themselves in a similar struggle – striking that difficult balance between family priorities and the ambition to succeed. To that end, the Harold J. West Memorial Scholarship is pleased to award a $5,000 annual scholarship each year for up to four years as long as a 3.2 GPA and full time student status is maintained.
