GOD GIVES US WHAT WE NEED

A few months back, my wife and I helped move my oldest son into his first real apartment. He was moving to start his first real job and was excited and cautious at the same time. Moving him in reminded me of when his mother and I were first starting out. We received an old couch from her aunt, some kitchen supplies from my mom, and many other things from friends and relatives so we could begin this new journey in our lives. We didn't have much. But we had one another, and we had love. Looking back, those were great times.

Sometimes, we think material possessions give evidence of a life lived well. Artifacts from our travels, collections that take time to amass and provide clues to our interests, and various pictures and prints that adorn our walls. However, those who have lived lives of hardship and pain have many of the same items. Not only doesn't all our stuff amount to real evidence of what our life has really been like, but it doesn't make our lives better either.

What makes a life well lived will be the love and compassion that we have experienced, primarily with God who loves us so deeply. Due to that love, God gives to us what we need, not always what we want. More stuff will never amount to anything in comparison to what God provides to us. If we reflected on that truth more, perhaps we would spend less time accumulating things and more time simply loving.

On that moving day, I wanted to give my son more material things than was possible. However, what he really needs then, now, and always is my love.

-Tracy Earl Welliver, MTS

Diocesan Vocations Contact: Fr. Cesar Martinez 209-463-1305 vocations@stocktondiocese.org
With the new school year beginning it is important to remain focused on the importance of keeping our children and young people safe from danger. Training requirements to safeguard children have been established in parishes throughout the Diocese of Stockton. These programs help ensure that all children and youth experience a safe environment in all parish activities and events. The Diocese of Stockton mandates that all people who work with children and youth in our parishes and schools (parents, grandparents, aides, teachers, catechists, athletic coaches) must undergo child abuse prevention training through the guidelines established by the United States Conference of Catholic Bishops. This training includes being fingerprinted and background checked and completing the Virtus on-line training course entitled Protecting God’s Children. If you are planning on helping or assisting at your child’s school, you are required to complete this training. No one is allowed to work with or around the children unless they have completed the live-scan fingerprinting and the online Virtus training.

It is important to remember that all clergy, staff, volunteers and employees are Mandated Reporters. They are required by law to report any sign of abuse. Please visit our website, www.dioceseofstockton.org and click on the Safe Environment Department tab for links on how to recognize abuse and how to report abuse within the Diocese of Stockton.

Psalms: The School of Prayer
At the heart of the Bible are the Psalms, prayers from God that help us learn to pray. The Holy Spirit inspired them. Israel sang them. Christ himself prayed them. Their words captivate the imagination and draw us into a deeply personal encounter with God.
We will begin an eight-week Bible Study Psalms: The School of Prayer on 8/29/19 at 10:00 am to 12:00 pm in the Conference Room. Join us to study how to establish a deeply personal dialogue with God through the Psalms.

Remember, the Bible is a library.
It’s never too late to “check out” a book.

Cost is $25.00 for the Study Guide
