MESSAGE FROM BISHOP COTTA

Dear Clergy, Religious & Laity,
As we continue to keep all survivors of sexual child abuse in our prayers, and to reach out to them in healing support, I want to share with you some highlights of last week’s meeting of the U.S. Conference of Catholic Bishops in Baltimore. The primary focus of our week was the societal issue of sexual child abuse and our priority of addressing and preventing this problem. It was a week well spent. Addressing the importance of accountability, responsibility, transparency among bishops in this area of concern, was front and center stage. The work that has done on policies to address bishops accused of sexual abuse, or the improper handling of sexual abuse by bishops, was a focus of discussion. By voting on these policies we have taken another step forward in addressing this area of concern. It was a grace filled and productive week, and it all began with the celebration of Pentecost. The work of the Holy Spirit was evident amongst us. Included in this letter, you will find a link to the new USCCB Prevention. Protection. Accountability. Website, which shares some information from last week’s June Conference of Catholic Bishops of the United States and has many other important resources. I hope you find this helpful.

In the Peace of Christ,
Bishop Myron J. Cotta

PLEASE GIVE YOUR IMMEDIATE ATTENTION TO THE FOLLOWING!

SB 360 is a Bill being brought before the State Senate this week. It attempts to limit the freedom of the Catholic laity to approach with confidence the Sacrament of Penance. For Catholics the sanctity of the confessional is unquestionable. It is central to our faith and to our constitutional right to the free expression of religion. SB 360, even though recently amended, denies the sanctity of confession to priests and thousands of Catholics who work with priests in parishes and other Church agencies and ministries. Please urge your State Senator to vote ‘no’ on SB 360 to protect the seal of confession.

TAKE Action Today by going on our parish website st-anthonys.org and click the link available.

INDEPENDENCE DAY PRAYER

“Let us pray...
O God, you willed that the Jewish people be free from slavery by their Egyptian captors. You will all that all people should be free to worship you without fear...”

Let us also...
We seek your wisdom where hatred abounds, and ask for humility to offer our good works to others who live in fear and bondage. We ask all this through Christ our Lord, whose trees are root and ax in the word of the cross.

Amen.

CONGRATULATIONS TO THE CHILDREN WHO RECEIVED THE SACRAMENT OF HOLY COMMUNION ON JUNE 1ST.

GOSPEL MEDITATION -
"They all ate and were satisfied." Why read the miracle of the multiplication of the loaves this Sunday? Here we see the mystery of our physical and spiritual realities intermingling. Too often, they can feel separate. When we go to Mass, how often we appear more ordinarily human rather than stretching toward the divine.

Perhaps our experience of the Eucharist is fairly mundane. We notice when a new sacramental wine has been selected. We feel the varying textures of the host and wonder if they’ll ever bring back the one that tasted distinctly like wheat. As we shuffle up to the front and stride back to our pew, we notice the looks on people’s faces and the clothes on their backs. We get distracted by the crying child, the man blowing his nose, and the mechanical sound of the air conditioner kicking in. How human we are, how earth-bound, how material!

And how good God is for entering into these same realities. How good God is for proclaiming "the kingdom of God," for "heal[ing] those who needed to be cured," for having mercy on a tired and hungry crowd. How many of the crowd noticed what had been done for them? Did they realize their dinner was a miracle? How often do we miss the deeper reality of the Eucharist? Even if in the moment of receiving Communion we don’t experience radical ecstasy and don’t feel any different, there is a tangible reality to cling to. Our God loves us enough to become bread for us, not only to feed us but to be fed upon by us.

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

When I was a child, I can remember stopping by my parish or another local Catholic church to just spend some time in prayer before the Holy Eucharist. We didn’t have exposition and adoration much in those days, but we were keenly aware of the presence of Jesus in the tabernacle. I would sometimes stare at the lighted candle near it and know that Jesus was alive.

I had never heard anyone speak about a stewardship way of life back then. If I am honest, the primary message I heard in those days was along the lines of "We need to be as good as we are able." Sacrifice was only at Lent, disciples were people in the Bible, and generosity mostly had to do with the collection basket and the poor box at the church entrance. I even went to Catholic schools! Maybe the message of stewardship was there somewhere packaged differently, and I just missed it. It was wasn’t until I was an adult, and after acquiring two theology degrees, that I understood both with my head and my heart what a stewardship way of life really meant. But I look back at those days, and I realize that the groundwork was laid for me to understand these things. It was those times before the Holy Eucharist that I began to understand true sacrifice. It was at those times that I began to understand how actions and realities that seem so simple to the human eye can be so profound. And it was at those times that I began to see true love knows no bounds.

PORFAVOR DE DAR SU ATENCIÓN INMEDIATA A LO SIGUIENTE
SB 360 es un proyecto legislativo presentado ante el Senado estatal esta semana. El proyecto intenta limitar la libertad del laicado católico en acercarse con confianza al Sacramento de la Penitencia. Para los católicos, la santidad del confesionario es incuestionable. Es fundamental para nuestra fe y para nuestro derecho constitucional a la libre expresión de la religión. SB 360, aunque solo recientemente ha sido enmendado, niega la santidad de la confesión a los sacerdotes y a miles de católicos que trabajan con sacerdotes en las parroquias y otros organismos y ministerios de la Iglesia.

Por favor, motive a su Senador Estatal a votar "no" en SB 360 para proteger el sello de confesión. TOME Acción Ahora: https://cqrcengage.com/catholic/app/write-a-letter?15&engagementId=498306 También puede ir a nuestro sitio de web st-anthonys.org y oprima el enlace a otra pagina disponible.

INSPIRACIÓN DE LA SEMANA
¿Cómo podemos tener éxito en amar verdaderamente a Dios y al prójimo y abrazar completamente la vida del Evangelio? Lograr esta meta sin una conexión íntima con Cristo, es imposible. La Eucaristía, el Cuerpo y la Sangre de Cristo, nos conecta con Dios de una manera única e íntima. Su propia vida y presencia está despoblada con la nuestra. Al ser perdonados y alimentados, se nos da la fuerza y la convicción para retomar nuestras vidas heridas y rotas y ser heraldos vivos de Buenas Nuevas. Nuestro mundo está roto y necesita testimonios auténticos y vivos para devolverlo a la verdad. Alimentado por el Cuerpo y la Sangre de Cristo, ¿estás listo para ser enviado?
