OPPOSE SB 360
PROTECT THE SEAL OF CONFESSION!
URGE YOUR STATE SENATOR TO VOTE 'NO'

PLEASE GIVE YOUR IMMEDIATE ATTENTION TO THE FOLLOWING!

SB 360 is a Bill being brought before the State Senate this week. It attempts to limit the freedom of the Catholic laity to approach with confidence the Sacrament of Penance. For Catholics the sanctity of the confessional is unquestionable. It is central to our faith and to our constitutional right to the free expression of religion. SB 360, even though recently amended, denies the sanctity of confession to priests and thousands of Catholics who work with priests in parishes and other Church agencies and ministries.

Please urge your State Senator to vote ‘no’ on SB 360 to protect the seal of confession.

TAKE Action Today by going on our parish website st-anthonys.org and click the link available.

Facility Use Planner, Polices & Procedures

Do you plan to or now use the Church, Gym, School Cafeteria, Parish Conference room or any other location on Parish property for events or a regularly scheduled activity? Do you have items stored anywhere on Parish property?

St. Anthony’s is blessed with active parishioners, staff, and volunteers who support the many Parish and school-related ministries, programs, activities, and groups. Prayer, time, talent, material, and financial resources have been invested in our Parish so our mission and our ministries can thrive now and for the generations to come.

We all must be diligent to ensure good stewardship of our facilities: supervising and managing through prayer, mindful consideration, and responsibility for that which has been entrusted to our care. We are not only to provide a welcoming and safe environment for authorized users of our facilities, but one that is in compliance with federal, state, and local regulations; reporting requirements; diocesan guidelines; and canon law.

For this reason, the Parish has adopted a Facility Use Planner, Polices & Procedures document. The document includes two forms: The Facility Use Planner and the Storage Request & Review form and describes most Parish policies and procedures to help us manage, communicate, and schedule events or activities that involve the use of Parish property.

Although new to St. Anthony’s, facility procedures are common throughout many Catholic Churches. St. Anthony’s is a large Parish having many moving parts and it is growing. The intent of the document is not to take anything away from anyone, but for us work together with the space we have for everyone’s benefit.

Please contact Mary in the Parish office, to discuss if your activity or event will require you to submit a Facility Use Planner or if you store any type of material on Parish property.

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

We were created for community. Human beings are not meant to be alone. As each of us grows in our relationship with Jesus, we find ourselves drawn further into community. Our stewardship never reflects just on us, but on the Body of Christ to which we belong.

When speaking to his Father, Jesus always spoke about all of us as a whole. Jesus has a unique relationship with each and every one of us, but he also sees us collectively as one. When the Holy Spirit was sent to assist us until the Second Coming, she ascended upon a multitude, not just one person at a time.

We are called to live a fruitful stewardship way of life. It is by that fruit that we can tell if we are really giving of ourselves in a generous manner. However, the fruits that result from my stewardship and your stewardship will never amount to more than what we can produce together.

As you try ever harder to cultivate what God has given you and offer it back to Him with an increase, what does your relationship with your parish community look like? How has your stewardship helped enable your community to become a clearer reflection of God? It is important to reflect on these things because we can sometimes find ourselves drifting away from community if we are not careful. We are always stronger together. We never want to wake up one day and find ourselves alone.

This summer, when your children are out of school and on different schedules, meeting new people and going to new places, make sure that you talk to them often about their experiences and the people they’ve met. Listen carefully to your children. If possible, observe and get to know the other children and adults who are part of your children’s summertime fun. Above all, communicate your safety concerns to your children. Make sure they know that they can come to you with any concerns they may have about the people they interact with. And if you hear of or observe behaviors that may be inappropriate, make sure to communicate your feelings to people who are in a position to intervene. Communication is key to creating and maintaining a safe environment all year round.

CATHOLIC LIFE EXPLAINED

Question:  
Couldn't Jesus have done more good if he stayed on earth, rather than ascended into heaven?

Answer:  
This is an interesting question! During his earthly life, Jesus gave sight to the blind, healed paralytics, drove out demons, and fed thousands with only a few loaves of bread. Imagine what he could have done if he'd never ascended into heaven! Imagine what our world could be! It's an interesting thought to consider, especially as the world faces challenges that only seem to deepen and expand. Yet at the Last Supper, Jesus says, "It is better for you if I go." Why? His response must have seemed strange to the Apostles at the time. In his place, Jesus says, he will send the Paraclete, the Comforter, the Advocate. He promises to send the Holy Spirit.

Jesus' departure allows the Apostles to become the leaders he has formed them to be. Jesus is no longer situated in only one geographical location, and his Church will never be a political kingdom. Soon after the Ascension, we celebrate Pentecost - the descent of the Holy Spirit and the radical empowerment of the followers of Jesus. We share in that empowerment and in that mission. Jesus is present in the sacraments, and he is present in us. Through our faith, hope, and love, we are called to be the good he does here on earth!

PORFAVOR DE DAR SU ATENCIÓN INMEDIATA A LO SIGUIENTE
SB 360 es un proyecto legislativo presentado ante el Senado estatal esta semana. El proyecto intenta limitar la libertad del laicado católico en acercarse con confianza al Sacramento de la Penitencia. Para los católicos, la santidad del confesionario es incuestionable. Es fundamental para nuestra fe y para nuestro derecho constitucional a la libre expresión de la religión. SB 360, aunque solo recientemente ha sido enmendado, niega la santidad de la confesión a los sacerdotes y a miles de católicos que trabajan con sacerdotes en las parroquias y otros organismos y ministerios de la Iglesia.
Por favor, motive a su Senador Estatal a votar "no" en SB 360 para proteger el sello de confesión. TOME Acción Ahora: https://cqrcengage.com/catholic/app/write-a-letter?15&engagementId=498306

INSPIRACIÓN DE LA SEMANA
¿Cómo encontramos nuestro camino a través de la vida y descubrimos quiénes somos realmente? Es fácil distraerse con las preocupaciones de la vida y las construcciones mundanas. Podemos tratar de evadir preguntas más profundas simplemente siendo absorbidos por las demandas de la vida y los roles que se nos pide que desempeñemos. ¿Es importante para nosotros que venimos de Dios y tenemos nuestra identidad en Él? El mundo no puede triunfar en decírnos quiénes somos. Sólo Dios puede. Sólo a través de la resurrección de Jesús podemos ver claramente que Él es el Alfa y el Omega, el principio y el final, y la estrella brillante de la mañana. Es siguiendo su ejemplo que todos podemos llegar a ser uno con él Padre y llevados a la perfección. Estamos diseñados para ser uno con Dios y unidos como creyentes en Jesucristo. Cuando alguien experimenta nuestras palabras y nuestras acciones, ¿son testigos del hecho de que realmente creemos esto?
