EASTER REFLECTION
Jesus rises for you. He rises for me. He rises for each and every one of us. We are called by name in the garden of the resurrection. This Sunday and every Sunday, Jesus comes to meet us. Imagine sitting with him. How is he looking at you? What do you say to him? When the resurrected Lord greets you with a smile, how do you respond?

MISSION STATEMENT
We covenant to give ourselves to Christ as He gives Himself to us in the Eucharist, so every person might be a full, active, & conscious participant in His Church, empowered to share & live the Gospel.

INSPIRATION FOR THE WEEK
Alleluia! Christ is risen! We are called, by how we live our lives, to celebrate the risen Christ. How do we do that? Our faith in the resurrection gathers us here today to celebrate this incredible event. The good news is that the doors of eternity are open! We can now understand that the fullness of who we are will be discovered when we one day meet God face-to-face in heaven. Our faith in the truth of who God is and who we are affects how we live our lives and the decisions we make. We are called to love our neighbor...to love those who hurt us...to work on behalf of the poor and the weak...to be people of justice, integrity, and hope...to practice compassion and mercy above anything else. Our lives are meant to be oriented around the axis of the Gospel. Are they?

Question:
Why does the date of Easter change every year, while most other celebrations are celebrated on the same day?

Answer:
Every feast is celebrated at a certain time for a reason. Saints feast days are commonly the day of their death. While we don't know Jesus' exact birthday, we celebrate the "light of the world" around the time of winter solstice, as dark, wintery days begin to lengthen again. We have a historical clue, however, to when the Easter events occurred. We know that Jesus was crucified the day before Passover. The Jews calculated the date for Passover based on both the solar and lunar calendars. It corresponds to the first full moon after the spring equinox. The early Christians maintained this connection in their celebrations of Easter on the first Sunday after the paschal full moon.

We don't re-calculate the full moon every year. As astronomy developed, so too did the forecasts of when Easter would occur in future years. The Church has created a table of calculated dates, projecting the date of Easter decades in advance. The date of Easter also determines the date of Ash Wednesday and the season of Lent, as well as the feast days following in the Easter season, including Pentecost. So these feasts move, too! This tradition may seem complicated, but it connects our Christian faith now to what has come before - our Jewish roots and the real, historical reality of Christ's suffering, death, and resurrection.

HEALTH NEWS REGARDING BISHOP STEPHEN E. BLAIRE
I regret to inform you that Bishop Stephen E. Blaire has recently been diagnosed with a squamous cell cancer in his lymph node. It is an aggressive, but curable form of cancer. He has begun radiation treatment and will also need limited chemotherapy treatments. The good news is that a recent pet scan determined that the cancer has not spread to other areas of his body. Bishop Blaire remains hopeful that by the grace of God, and under the care of his doctors, the best possible outcome will be achieved. Please keep Bishop Blaire in your prayers.

**RECOGNIZE GOD IN YOUR ORDINARY MOMENTS**

This Easter, in churches all over the world, people will be fully initiated in the Catholic Church. Those who have come from another Christian denomination have already begun their journey with Jesus Christ. But for those who are baptized at the Easter Vigil, a new reality has come to pass. Each newly baptized man, woman, and child have become new creations in Jesus Christ. They have died and risen with the one who rose on the third day and whose empty tomb we celebrate every Easter. Easter Sunday morning, they awake after many months of RCIA and all have the same question before them: "Now what?"

When one finds themselves having journeyed through various thresholds of conversion and now they bear the name of Christian, the time comes to chart the course of life as a disciple. Stewardship is that course of life. How one lives out their life from now on is the life of stewardship. The less one understands true stewardship and the value of their gifts and talents to the Body of Christ, the harder the journey.

Those of us who were baptized many years ago can easily fall into a false sense of comfort. We forget that sense of excitement those coming into the Church experience at the Easter Vigil. However, the story of that empty tomb reminds us of the power behind our baptism. Today, we, too, are called to discipleship and a stewardship way of life. Jesus continues to provide the answer to our, "Now what?"
