We live in a culture that tells children, "Follow your dreams! Be who you want to be!" It might be hard to imagine the courage it took to be St. Casimir. A prince second in line for the throne of Poland, the young man had great expectations placed upon him. Inspired by a devout tutor, St. Casimir developed a deep faith. As a teenager, he would often sleep on the ground, reject courtly finery for plain clothes, and dedicate long hours to prayer. He even made a private commitment to celibacy. Casimir's avoidance of a military engagement made his father furious. The king imprisoned his own son. The episode confirmed to St. Casimir that he served a higher King, Jesus Christ. He would spend the rest of his life in prayer, study, and service to the poor. When we need courage to do what is right, St. Casimir, pray for us!

The Bush family is in need of your help. Their 24 year old son Nick received costly medical treatments to fight brain tumors and is now home in hospice care. A Fagundes Meat dinner is being held to help with the cost of his medical expenses:
