MESSAGE FROM BISHOP COTTA

Happy New Year! That is, Happy New “Liturgical” Year of the Church.

With the First Sunday of Advent, we begin the new liturgical year. The Season of Advent consists of four weeks. It is a time of prayerful preparation for the Coming of the Lord. Our first two weeks focus upon the Second Coming of the Lord. The third and fourth weeks offer time for us to reflect upon the first coming of Jesus as we remember his birth in Bethlehem.

This season of “new beginnings” invite and challenge us to open our hearts to a time of grace and mercy. For us, the Advent Season will set the tone to place into motion a concerted effort to promote the New Evangelization within our Diocese of Stockton. The special season of Advent begs us to have an encounter with the Lord Jesus. It is the perfect time for us to build upon our personal relationship with him. In doing so, our preparation for his Second Coming, as Lord and Judge, will take on a joyful sense of anticipation. It will also help to enhance for us this year’s “Christmas experience.”

Advent and Christmas are wonderful seasons to welcome back our fallen away Catholic brothers and sisters. “Coming home,” this Advent Season, offers an opportunity for all of us to be renewed by the life of Sacraments and the light of the Gospel of Jesus Christ. As Bishop, I am inviting all of you, especially our youth, to experience a renewed encounter with Jesus through the Eucharistic Liturgy, the Mass. For us, the Mass, and the rich readings of the Advent season, can offer a perfect starting point for the New Evangelization.

It is at the Mass that conversion of mind and heart can be experienced. Coming together to worship God as a community: to pray, to listen to the Gospel of Jesus proclaimed, to receive the Body, Blood, Soul and Divinity of Jesus in the Eucharist, and to be fully engaged in the Mass has the potential to evangelize us. It is not just about “attending” Mass. It is about loving God above all things and our neighbor as ourselves. It is about allowing ourselves to be filled with the “risen presence” of Christ. As we are filled with his presence, we are then “sent,” at the end of Mass, to be missionary disciples at home and in the marketplace. The Liturgy has the power to move us to turn away from sin, and to grow in holiness as our relationship with Jesus is strengthened.

Advent is a great time to remind us of our call to holiness. That is why the Liturgy is our starting point as we begin our journey of the New Evangelization. This will entail a time of catechesis on the Liturgy. It will involve proper and effective training in all the liturgical ministries in regard to the Mass.

Also, beginning with this Advent Season, our Diocesan Office of Religious Education, will be known as the Office of Evangelization and Faith Formation. The emphasis and approach of faith formation will be based on “family catechesis.” As the children and youth are taught the Catholic Faith, and prepare for the Sacraments, the parents will be invited and encouraged to participate in their own ongoing faith formation as they accompany their children.

It is sad to hear of individuals leaving the Church, it is evident that they have not been fully evangelized. If an individual has come to know Christ and the Church, and is committed and understands the importance of the Teaching of the Church and the Sacraments, they will likely persevere in the Faith. People leave because there is a disconnect, a lack of rootedness for whatever reason. If parents are not evangelized: How will they be able to truly welcome Christ into their lives, their marriages and their families? It is important to remember that it is the responsibility of the parents to be the principal educators of the ways of the Catholic Faith in regard to their children. Parents verbally state this on the day of the baptism of their children. The Church’s faith formation classes, along with the Catholic Schools, are here to support and accompany parents in this responsibility.

We must believe, as the Church of the Diocese of Stockton, it is necessary that we have Christ-centered and Spirit-filled families in parishes throughout our diocese. I am grateful for the many families who are committed to their Catholic Faith. But, at the same time, we are in need of more families who realize the importance of their love and support of their parishes and the diocese. All of this will enable us to move forward to accomplish great things for the glory of God. Collaboration for the sake of the Kingdom of God is essential.

Brothers and sisters, in the future, I will share more with you in regard to the New Evangelization as we begin the New Year of 2020. Let us take these steps together. Let us call upon the prayers of Our Blessed Mother, Our Lady of the New Evangelization. In this day and age, we must witness to our faith. The only way we can accomplish this is by putting our faith into action! A faith “lived” will assist us in our readiness for the Coming of the Lord!

In the Peace of Christ,
Bishop Cotta

**INSPIRATION FOR THE WEEK**

Do you ever feel inwardly dry and parched? Where do you turn to gain a refreshed sense of being and purpose? Just as we often do not refresh our physical bodies with what is healthiest, we make the same mistake with our soul. We do not always reach for the healthiest spiritual food. We confuse our inner dryness with something else and reach out for the wrong thing. It is no wonder why so many people are lost and confused. We will never be completely satisfied or whole this side of our journey. A good measure of patience and waiting is needed as we hope for the rain water of God’s presence to fall upon us. When are we going to finally realize that Jesus is the One who has come to refresh us, and we no longer have to search for another? Our souls will find refreshment and rest only when they rest in God.

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Leading the Way

There are many examples of false prophets in history. Some of these gifted charlatans have led people away from family and friends. They have led people to do evil things, like stealing, torture, or even murder. It is amazing how those gifted with charisma can lead others down such a destructive path. In today’s modern world filled with so much technology and sophisticated communication platforms, one must be careful not to buy into a lie or scam so easily.

John the Baptist didn’t have any modern technology in his toolbox as he was preparing the way for the Messiah, Jesus. He moved people with a profound message and by the way he lived his life. People questioned whether he was the One who was to come, but he assured them that he was not the One. Instead, all he did was to prepare people for Jesus’ coming.

You and I can either lead people to Jesus by our words and actions, or we can lead them away from him. Our stewardship can be a powerful witness to how Jesus has changed our lives. Unfortunately, if we are not changed and instead act in ways that are contrary to a mature disciple, we can lead people down the wrong path. During the Advent season, there is much to be done in our homes and with our families to get ready for the celebration of Christmas. However, this is not about a day; it is about Jesus. May our actions and words bear witness to the transformative power of Jesus Christ in our lives, not just during this season, but all year long.

RECONOCER A DIOS EN LOS MOMENTOS ORDINARIOS
Liderando el camino

Hay muchos ejemplos de falsos profetas en la historia. Algunos de estos talentosos charlatanes han alejado a las personas de sus familiares y amigos. Han llevado a las personas a hacer cosas malvadas como robar, torturar o incluso asesinar. Es sorprendente cómo aquellos dotados de carisma pueden guiar a otros por un camino tan destructivo. En el mundo moderno de hoy, lleno de tanta tecnología y plataformas de comunicación sofisticadas, uno debe tener cuidado de no caer en una mentira o estafa tan fácilmente.

Juan el Bautista no tenía ninguna tecnología moderna en su caja de herramientas mientras preparaba el camino para el Mesías, Jesucristo. El conmovió a las personas con un mensaje profundo y por la forma en que vivió su vida. La gente cuestionó si él era el que iba a venir, pero él les aseguró que no era él. En cambio, todo lo que hizo fue preparar a las personas para la venida de Jesucristo.

Tu y yo podemos guiar a las personas a Jesucristo con nuestras palabras y acciones, o podemos alejarlos de él. Nuestra corresponsabilidad puede ser un testigo poderoso de cómo Jesucristo ha cambiado nuestras vidas. Desafortunadamente, si no somos cambiados y actuamos de manera contraria a un discípulo maduro, podemos guiar a las personas por el camino equivocado. Durante la temporada de Adviento, hay mucho por hacer en nuestros hogares y con nuestras familias para prepararse para la celebración de la Navidad. Sin embargo, esto no se trata de un día; se trata de Jesucristo. Que nuestras acciones y palabras den testimonio del poder transformador de Jesucristo en nuestras vidas, no solo durante esta temporada, sino durante todo el año.
