MISSION STATEMENT
We covenant to give ourselves to Christ as He gives Himself to us in the Eucharist, so every person might be a full, active, & conscious participant in His Church, empowered to share & live the Gospel.

SUNDAY’S READINGS
First Reading:
If you bestow your bread on the hungry and satisfy the afflicted; then light shall rise for you in the darkness. (Is 58:10)

Psalms:
The just man is a light in the darkness to the upright. (Ps 112) or Alleluia

Second Reading:
For I resolved to know nothing while I was with you except Jesus Christ, and him crucified. (1 Cor 2:2)

Gospel:
Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father. (Mt 5:16)

GOSPEL MEDITATION
What does it mean to be salt and light? If we listen carefully to Jesus’ words, we gain some direction. To be salt means to bring taste, zest, and joy to life. We are asked to liven things up a bit by allowing the joy of our faith to spill over into the lives of others. Only a sincere and deep relationship with God can freshen up humanity and set it on proper course. To be light means that our faith must translate into action so that we can be Christ for others and extend the same arm of mercy and compassion that Christ did. Our acts of piety, then, cannot be directed solely at ourselves. Prayer is never about self-benefit but must always be directed toward union with God, deepening our relationships with one another and learning how to be effective stewards of the beautiful universe God has entrusted to our care. The Master gives us wise direction in terms of how we can best become the salt and light he desires. Listen carefully to the Beatitudes. Think about the oppression and alienation that exists in our world, the violence and prejudice, the anger and the hatred, the fear and the shame. All of these things require action. The poor need food, housing, and clothes. Hatred must be replaced by love. Retaliation and violence by forgiveness. Our thoughts and speech can become more like Christ. We can change and continue to change. Blessed John Henry Cardinal Newman said, “To live is to change and to be perfect is to have changed often.” But it doesn’t end with just offering the bandages needed to heal wounds. It must go deeper. We must ask ourselves what has happened that we have found ourselves in this place with these wounds and divisions. What are their causes? Together we must address these systemic problems, politically and spiritually, and face the truth. Only then will we truly be salt and light. But then again, we may not like what the light shows us. ©LPi

**OBSERVANCE FOR THE WEEK**

Sunday: 5th Sunday in Ordinary Time; World Marriage Day

Monday: St. Scholastica, Virgin

Tuesday: Our Lady of Lourdes

Friday: Sts. Cyril, Monk, and Methodius, Bishop; Valentine’s Day

**INSPIRATION FOR THE WEEK**

Before the arrival of GPS and other technological advances, folks relied on a compass to assist them with directions. If set and used properly, people who would otherwise be lost could find their way. What properly sets our God compass? We know that we require God in order to find our way through life, but we need to be in proper relationship with God before this can effectively happen. God certainly does not need to be placated, but some things open Him up to us more than others. Isaiah gives us a clue today. Share your bread with the hungry … clothe the naked … remove oppression, false accusation, and malicious speech … satisfy the afflicted. When we do this, we will not only be on proper course and in right relationship with God, but will be the salt and light Jesus asks us to be.

QUESTIONS OF THE WEEK
Question:
Why is it so important that we register in a parish? Isn’t it good enough that we go to Mass?
Answer:
Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled. Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.
