MISSION STATEMENT
We covenant to give ourselves to Christ as He gives Himself to us in the Eucharist, so every person might be a full, active, & conscious participant in His Church, empowered to share & live the Gospel.

Prayer During A Health Crisis

Compassionate and Loving Father,
In the face of confusion and concern impart to us the calm of your presence.
In You allow us to find hope and healing.
Be with those who serve the sick and give them Your caring hands.
Be with those who lead and give them Your Spirit of wisdom.
Be with those who have fallen ill and give them Your comforting heart.
Wrap your arms around our world and hold us in your love.
Allow us at this time of trial to then serve as instruments of that love to all we meet.
We ask this in Your Name.
Amen.

White Ribbons
The white ribbons placed on St. Anthony’s doors are to remind you that you are not forgotten.
Jesus longs for the day when we can gather again and He can be with all of us together in the Sacraments. Until then, pray in place, seek Jesus where you are, and when you see white ribbons hanging from a Church door, remember God’s promise in Isaiah 49:15: “I will never forget you.”

“I am the gate. Whoever enters through me will be saved, and will come in and go out and find pasture. A thief comes only to steal and slaughter and destroy; I came so that they might have life and have it more abundantly.”
— John 10:9-10

LIVE THE LITURGY

INSPIRATION FOR THE WEEK

When you wake up in the morning, whose voice is the first one you listen to? Your own? Someone else’s? Or God? We all listen to someone and follow some sort of guidelines and principles. If it is a secular voice that propels us to get up in the morning and take up the task of the day’s agenda, then we may find ourselves off track. The advice found in the Acts of the Apostles was as true then as it is now, “Save yourselves from this corrupt generation.” Most of what we listen to in secular voices is off the axis of truth and distorted. It may sound attractive, but it is deceptive at best. Many have gone astray like sheep and need to return to the Good Shepherd. Only Jesus can offer us the gate of life, and only Jesus as the Good Shepherd can really motivate us to take on the challenges of life. If we don’t recognize his voice, we can risk facing destruction.
If you are ill or in the hospital, please call 823-7197 to let us know, we can arrange a visit from a Priest, or Deacon Jeff

EVERYDAY STEWARDSHIP
RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Recognizing the Voice of Jesus
When my wireless provider introduced HD Voice, the voice I heard on my phone was unbelievably clear, and it felt at times like both the caller and I were in the same room. The best aspect of this feature is that it didn’t cost the customer any additional fees, and it didn’t require any changes to the phone. I could say it was free, but I suspect I was already paying for it in my monthly bill anyway. At least it felt free.

The clearer the voice calling you, the easier it is to recognize who it is on the other end of the line. In John’s Gospel, Jesus speaks of the gatekeeper who opens the gate and calls for his sheep. They respond because they know his voice. Others try to lure the sheep when the gatekeeper is not there, but the sheep find their voices unclear or unfamiliar.

Jesus is our gatekeeper. But unlike receiving something for free from a wireless company, to be able to hear his voice we need to pay attention and practice listening. By developing a stewardship way of life that is mindful and prayerful, we become attuned to his voice and are able to discern when the call is from our Lord and when it is from an imposter. It is great to talk about all the things we can do and all the gifts we can share, but if we are not listening for his call to hear where our offerings are needed, we can end up like a lost sheep searching for the gatekeeper.

Important Announcements

Faith Formation, Adult Formation and Youth Ministry sessions and gatherings have been postponed until further notice.

Safe Environment Office

The Diocese of Stockton affirms its continued commitment to provide a safe environment for its children under the Charter for the Protection of Children and Young People established by the United States Conference of Catholic Bishops (USCCB) in 2002. We are serious about our responsibility to our children, youth and vulnerable adults as we constantly review our policies and procedures. The Safe Environment Office is in the process of updating the list of Safe Environment Coordinators for all locations throughout the Diocese of Stockton. Our goal is to have a training session for all Coordinators as we prepare for the 2019-2020 Compliance Audit as required by the United Conference of Catholic Bishops. The Victims’ Assistance Coordinator manages and submits the paperwork as well as acts as liaison between Bishop Cotta and the USCCB in regards to the audit.

The Safe Environment Department communicates with all locations and collects data compiled by each Safe Environment Coordinator in regard to the number of priests, deacons, God’s Children,” educators, employees and volunteers that have completed the Virtus online training, “Protecting and background checks. Those who have not completed these requirements receive a reminder that they must do so immediately in order to ensure all protocol is being followed. The number of children and youth who participated in the classroom course entitled “Circle of Grace” is also tallied. Information submitted by each location is accompanied by a letter signed by each pastor verifying that children enrolled in our Catholic schools, grades K-12, and religious education classes are receiving this curriculum. Any discrepancy in the totals must be explained.

The audit process provides an opportunity for the location Coordinators to review their records to make sure all employees and volunteers have completed the requirements as set forth in the Charter.

The Diocese of Stockton has been found to be in compliance with the Charter each year since it’s inception.
With whom do we converse and listen to the most? Believe it or not, the answer is ourselves. We are constantly having conversations with ourselves, and sometimes we even get caught! Our inner conversations reveal the truth about ourselves. We really cannot hide from ourselves, although we often pretend we can. By conversing with ourselves, we find solutions to our challenges, problem solve, work through our relationships, formulate opinions, run through dress rehearsals of possible conversations, and wrestle with and determine our system of priorities and values. What other voices affect the conversations we have with ourselves?

Often, voices from our past continue to haunt us. These voices cause us to mistrust our judgment, harbor anger, and cling to our fears of rejection, failure, being wrong, and the like. It is in these inner conversations that we face what holds us captive our limitations, weaknesses, sinfulness, and stubborn ego preoccupations. We often go about our lives putting out one fire or another, keeping ourselves preoccupied and busy, and trying to stay on top of things. Intentionally or unintentionally, we find ourselves wandering off. We turn around and can no longer see our home. We look down at our feet and realize we have lost our anchor. Feeling scared, out of place, desolate, unsettled, and lonely, we realize that we are lost.

We listened to the wrong voices! In the midst of everything competing for our attention, the voice of the One who could truly call us home got muffled. We didn’t hear it. As our inner dialogues continue to play out, the one voice we need to consult even before our own is God’s. He is the Good Shepherd who can keep us safely where we need to be. As we graze through the stuff of our lives, we must constantly remember to look up, be attentive, and stay focused. Our habits of prayer are the only thing that can properly root us and keep us grounded. Contemplating God’s presence and developing an inner awareness of love incarnate, we will then find ourselves praying unceasingly as the days and nights and the ebbs and flows of our lives unfold. Suddenly, the inner conversations we are constantly having are no longer just with ourselves or with voices that can lead us astray but with the Trinity, who desperately wants us to stay home.

**PRAYER SHAWL MINISTRY**

If someone would like to request a shawl (for ladies) or lap robe (for men), please send an e-mail to prayer.shawls@yahoo.com. Shawls and lap robes are not just for those who are ill; they are also given out to celebrate a special occasion such as an anniversary. A message of love and caring comes with each shawl or lap robe, and the giving of the shawl or lap robe enriches the giver as well as the recipient.

**MESSAGE FROM BISHOP COTTA**

As we look at our lives and the many ways God has blessed us, let us give back a portion to the Bishop’s Ministry Appeal as a way of saying thank you to the Lord. If you have yet to make your pledge to our parish’s annual support of the ministries, please consider doing so today. Pledge envelopes can be found in the pews and BMA bulletins can be found in the vestibule. Thank you for your prayerful consideration. Gospel:
“I am the gate. Whoever enters through me will be saved, and will come in and go out and find pasture.” (Jn 10:9)
La Pascua es obra de Dios; todo lo que viene de ella es solo el gran amor y misericordia para la humanidad. Es el Domingo del Buen Pastor, el que da la vida por sus ovejas. Sin duda alguna, es el Pastor que guía y protege hasta el extremo. El Evangelio menciona hermosas palabras que llenan el alma de esperanza, de cambio, de conversión constante: La Puerta, el Pastor, y la Voz. Estas palabras nos refieren a Jesús que nos invita a entrar por esa puerta única de salvación; a distinguir al Pastor que cuida amorosamente de la oveja perdida. Y la voz, esa voz de Dios que siempre resuena en nuestra conciencia para distinguir el bien del mal.

Dios llama a cada persona por su nombre; conoce y anima a seguirle como auténtico Pastor. No debe haber confusión entre las miles de voces que escuchamos a diario. Aprendamos a escuchar su voz, a distinguir su amor verdadero; esto implica poner de nuestra parte. El Salmo 22 nos ayuda a profundizar en lo que es confiar la vida al Buen Pastor: “Tu bondad y tu misericordia me acompañarán todos los días de mi vida; y viviré en la casa del Señor por años sin término.” El Papa Francisco nos habla de distinguiendo y escuchar a ese Pastor con el siguiente mensaje: “No olvidemos que Jesús es el único Pastor que nos habla, nos conoce, nos da la vida eterna y nos protege. Nosotros somos el único rebaño y solamente podemos acompanar todos los días de mi vida; y viviré en la casa del Señor por años sin término.”

Reconociendo la Voz de Jesús
Cuando mi proveedor de servicios inalámbricos presentó Voz HD, la voz que escuché en mi teléfono era increíblemente clara, y en ocasiones sentía que tanto la persona que llamaba como yo estábamos en la misma habitación. El mejor aspecto de esta función es que no le costaba al cliente ninguna tarifa adicional, y no requería ningún cambio en el teléfono. Podría decir que era gratis, pero sospecho que de todos modos ya lo estaba pagando en mi factura mensual. Al menos se sintió libre. Cuando más clara sea la voz que te llama, más fácil es reconocer quién está al otro lado de la línea. En el Evangelio de Juan, Jesús habla del cuidador que abre la puerta y llama a sus ovejas. Responden porque conocen su voz. Otros, intentan atraer a las ovejas cuando el cuidador no está allí, pero las ovejas encuentran sus voces poco claras o desconocidas.

Jesús es nuestro cuidador. Pero a diferencia de recibir algo gratis de una compañía inalámbrica, para poder escuchar su voz necesitamos prestar atención y practicar la escucha. Al desarrollar una forma de vida responsable que sea atenta y de oración, nos sintonizamos con su voz y podemos discernir cuándo la llamada es de nuestro Señor y cuándo es de un impostor. Es genial hablar sobre todas las cosas que podemos hacer y todos los regalos que podemos compartir, pero si no estamos escuchando su llamada para saber dónde se necesita nuestra ofrendas, podemos terminar como una oveja perdida buscando al cuidador.

VIVIR LA LITURGIA - INSPIRACIÓN DE LA SEMANA

Cuando te levantas por la mañana, ¿de quién es la primera voz que escuchas? ¿La tuya? ¿La de alguien más? o ¿la de Dios? Si es una voz secular que nos impulsa a levantarnos por la mañana y asumir las tareas de la agenda del día, entonces podemos encontrarnos fuera de curso. El consejo que se encuentra en los Hechos de los Apóstoles era tan cierto entonces como lo es ahora: "Aléjense de esta generación perversa y sálvense." La mayor parte de lo que escuchamos en voces seculares está fuera del eje de la verdad y distorsionado. Puede sonar atractivo, pero es engañoso en el mejor de los casos. Muchos se han extraviado como ovejas y necesitan regresar al Buen Pastor. Solo Jesuc puede ofrecernos la puerta de la vida, y solo Jesuc como el Buen Pastor realmente puede motivarnos a asumir los desafíos de la vida. Si no reconocemos su voz, podemos arriesgarnos a enfrentar la destrucción.
