2020 Massachusetts Farmers Market Coupon Programs

Currently there are three farmers market coupon programs in Massachusetts. The WIC and Senior coupon programs are sponsored by MDAR - Massachusetts Dept. of Agriculture Resources - who also provides the overall framework and rules that govern all Massachusetts farmers market coupon programs, and is responsible for certifying farmers and markets for the programs. The Steward coupon program is sponsored by the Steward Health Care System. Processing and reimbursement for all coupon programs is handled by Mass Farmers Markets.

IMPORTANT:

All three coupons have distinct colors that change from year to year; the 2020 colors are shown below. To prevent duplication, printed coupons for all three programs also carry security features that show VOID when copied or scanned.

- Only current year coupons will be accepted for reimbursement. Other items included in submission will be returned uncounted and unreimbursed.
- Do not accept coupons that are damaged, cancelled, marked “void”, or appear to be reproduced or tampered with. If you suspect abuse, please contact Rebecca Davidson at MDAR, 617-626-1744 or rebecca.davidson@state.ma.us
- This year, there are several other incentive programs that use paper vouchers at various markets; they have separate reimbursement procedures. If you’re not sure how to get reimbursed for those vouchers, ask your market manager.
- The procedures described in this booklet only apply for the three coupons below. DO NOT INCLUDE OTHER VOUCHERS IN YOUR SUBMISSION.

Preparing Coupons For Submission

IMPORTANT DATES TO REMEMBER:

October 31, 2020 - Last day to accept coupons at farmers markets

**NOVEMBER 16, 2020** - Coupons must be received by MFM for reimbursement. The final due date printed on the coupons is November 15th which is a Sunday. The MFM office is not open for deliveries, mail, or drop offs on Sundays, so the due date is extended one day. All coupons must be received by MFM by the close of business on Monday, November 16, 2020 in order to be processed for the final cycle.

1. Stamp or write your **certification number** in the “Farmer Certification #” box on each coupon. We recommend doing this as soon as possible after you receive the coupon. This cancels the coupon so it cannot be used again.

   *Do not accept coupons with a number already written or stamped in the “Farmer Certification #” box.*
2. Separate coupons by the market where you received them; see examples below. Do not separate coupons by market date! This may be easier if you keep the coupons separated as you receive them.

3. For each market, separate the coupons by program (color). Again, this may be easier if you keep the coupons separated as you receive them.

4. Remove staples, paper clips, rubberbands, and any other foreign objects from the coupons.

5. WIC and Senior coupons are distributed in perforated pairs. If you accept any like this, carefully tear them apart.
6. Count the coupons (separated by market and color) into bunches of 100 coupons. You will probably have one bunch with fewer than 100 coupons. That’s okay.

7. Fill out a wrapper for each bunch and wrap it.
   - **Name:** Enter your farm name
   - **PIN:** Enter the PIN for the market where you received the coupons. Market PINs can be found at the bottom of this site: [https://www.mass.gov/farmers-market-nutrition-program](https://www.mass.gov/farmers-market-nutrition-program)
   - **CN:** Enter your Certification Number
   - **Date:** Enter the date you filled out the form
   - **#Cps:** Enter the number of coupons in the bundle
   - **$:** Enter the value of the bundle (#Cps x $2.50)
8. Fill out a 2020 Request For Payment (RFP) form each market, providing the count (number) and value (dollar) for each coupon program (color).

Write firmly to ensure your writing transfers to all copies of the form. If in doubt, check!

DO NOT use RFPs from prior years.

To request more wrappers & RFP forms:
Go to massfarmersmarkets.org/couponprograms
or contact Joe McIlwain at 781-893-8222 x 1003 or coupons@massfarmersmarkets.org

9. SIGN THE RFP! A signature is required before payment can be made.

10. Keep the yellow copy of each RFP for your records.

11. Package coupons and original white copies of the RFP forms securely for mailing. The coupons have value; package them as you would money or checks. Remember, farmers are responsible for coupons until received by MFM.

12. Address your package to:

MFM - Coupon Program
240 Beaver St.
Waltham, MA 02452
13. We suggest shipping via USPS in one of three ways:
   a. Certified 1st Class
   b. Priority Mail
   c. Parcel Post with a Certificate of Mailing and a Delivery Confirmation

Alternatively, you may use similar services from another parcel carrier. Whatever service you use, we **strongly recommend that you get a receipt that shows the package weight**.
2020 Reimbursement Payment Dates

IMPORTANT:
To receive reimbursement, coupons must be received by NOVEMBER 16, 2020.

The final due date printed on the coupons is November 15th which is a Sunday. The MFM office is not open for deliveries, mail, or drop offs on Sundays, so the due date is extended one day. All coupons must be received by MFM by the close of business on Monday, November 16, 2020 in order to be processed for the final cycle.

Farmers may submit coupons for reimbursement anytime between now and November 16, 2020. However, we do encourage farmers to submit coupons early and often. This keeps the workload manageable for everyone, and gets you paid sooner! It also helps us get a better picture of how well the programs are performing.

The reimbursement schedule is broken up into two-week cycles ending on Fridays. Coupons received by the last Friday in a cycle will be reimbursed on the following Friday. If we (Mass Farmers Markets) have an ACH form on file for you, the direct deposit should appear in your account a couple of days later. Otherwise, you should receive a check in about a week.

All coupons must be received by November 16, 2020 in order to be processed for reimbursement. Because we anticipate heavy volume between the last regular cycle end date (November 6) and the final due date, the last reimbursement date is almost three weeks after the final due date. Please plan accordingly.
