Realizing the Vision for Safe and Supportive Schools

In 2014, the Legislature incorporated the Safe and Supportive Schools law into its groundbreaking Act Relative to the Reduction of Gun Violence. The Legislature’s vision was to help schools create safe and supportive whole-school cultures where all students feel a sense of safety, connection and belonging and can learn and achieve at high levels. Continued support is crucial for spreading implementation across the Commonwealth.

The Safe and Supportive Schools Commission will issue its fifth annual report soon and is expected to recommend continued funding for the Safe and Supportive Schools Line Item. This funding would be used to accomplish the following:

1. **Continue the Safe and Supportive Schools Grant Program.** Grantee schools use the Safe and Supportive Schools Framework and accompanying online Self-Reflection Tool. New Grantees develop school-wide Action Plans; Continuation Grantees implement them and include them in their annual School Improvement Plans; Mentor Grantees help others learn best practices.

2. **Include student voice in the action planning process used by grantee schools.**

3. **Maintain DESE staffing that will continue to:**
   - Coordinate the Grant Program
   - Hold state and regional trainings and conferences

4. **Provide for statewide conferences and leadership summits** to help spread the work beyond grantee schools and districts.

5. **Conduct a further independent evaluation** of the activities funded by the line item to help DESE and the Commission learn what is working well.
