Planned Giving

"We make a living by what we get, but we make a life by what we give" -Winston Churchill

We are remembered for our acts - for the lives we touch and by the causes we advance. In that light you are invited to consider creating a lasting legacy by including the Bike Walk Montana endowment fund in your long-term plans. The word "endowment" simply means that your legacy gift will be managed by the Montana Community Foundation and invested for the benefit of Bike Walk Montana. The earnings from these investments will be contributed yearly and used by Bike Walk Montana to fulfill its mission.

Including Bike Walk Montana in your will or trust is a meaningful way to help us continue to make it safer for people to walk and ride a bicycle.

Legacy gifts take many forms including:

- Gifts made in your will or trust
- Gifts that pay you income
- Gifts of life insurance or retirement plan assets

Will you play a part in our future? Donations to the Bike Walk Montana endowment can be made directly through www.mtcf.org/giving/our-funds.
