

FRIENDS OF INDIANA DUNES, INC.

27th Annual Native Plant Sale

Saturday June 3, 2023 9:00 am - 1:00 pm

Friends of Indiana Dunes Office located at 1000 W. Oak Hill Road in Porter, IN

(NW corner of Oak Hill and Mineral Springs Roads)

All plants, shrubs, and trees are offered as well established potted plants. Almost all plants listed are species native to Lake, Porter and/or LaPorte counties in NW Indiana, but are not of local genotypes, as those are not commercially available. Species that are not native to our three county region are marked with an asterisk (*) but occur within areas close to our region. Every effort has been made to keep our prices low. Plant availability cannot be guaranteed.

Vendor: Possibility Place Nursery - Monee, IL

Please Note: ORDERS MUST BE RECEIVED BY May 20, 2023

Pot Size Key: pt - pint
Qt - quart
5gal - 5 gallon

W Wet - Soggy or marshy most of the year.
WM Wet Mesic - Consistently quite moist most of the year.
M Mesic - Comparable to average medium moist garden soil.
DM Dry Mesic - Medium dry, well drained but retaining some moisture.
D Dry - Well drained sandy soil.
