Join AmeriCorps!
Community Technology Empowerment Project

Give back to your community for a year & make a difference

Become a
Community Technology Empowerment Project (CTEP) AmeriCorps Member for the 2021-2022 program year.

- Members serve full time over the course of a year starting early September 2021 in community education centers located in nonprofit organizations, schools, and libraries.

- Members teach technology literacy skills to program participants in order to help them obtain employment, and improve their civic and social opportunities.

- Members receive a living stipend (~$1100/month in take home pay), a health care option, and a $6,345 award for school loans or future educational expenses upon completion.

CTEP values an equitable work environment. Black, Indigenous, and people of color (BIPOC), speakers of other languages, individuals with disabilities, LGBTQIA-identified, and people from other underrepresented communities are strongly encouraged to apply.
