The general plan is more than the legal underpinning for land use decisions; it is a vision about how a community will grow, reflecting community priorities and values while shaping the future.
What are the steps and timeline?

Community participation will occur during each phase of the General Plan process. The process consists of five phases, 1.) Existing Conditions, 2.) Visioning, 3.) Plan Alternatives, 4.) Policy + Plan Development, and 5.) Review and Adopt. Opportunities for the community to participate will occur during each phase. The Plan is expected to be completed by Fall 2021.

Community Engagement: Get involved and let your voice be heard

The General Plan update presents a unique and important opportunity for community members to participate and share their ideas to guide the City’s future. The City of Thousand Oaks is committed to providing meaningful community engagement opportunities throughout the update process. This continuous engagement will help to ensure the updated General Plan represents the community’s voice. These opportunities include:

1. Community workshops
2. Community pop-up events
3. Community forums
4. Meetings with neighborhood groups
5. Stakeholder meetings
6. Focus groups
7. An interactive project website
8. Surveys
9. General Plan Advisory Committee (GPAC)
10. City Council + other Commissions hearings
