

Adore

Navigation: J \ Jaci Velasquez

From the moment you opened my eyes

I have seen the world in a different light

From the dawn to the setting sun

I am overwhelmed

By all that you have done

Chorus:

Adore, adore, adore

Jesus I adore you,

Yes I adore,

Adore, adore, adore

Jesus, I adore you

And I lay my life before you, o lord

There's a union of two becoming one

Deep inside my heart

I know that I belong

You have given everything to me

The least that I can do

Is give it back to you

Bridge:

And all I am and ever will be

Is for you, lord

And everything within me cries

Chorus
