VISION FOR MILWAUKEE

Sojourner will be one of the first in the nation to house holistic services for victims of domestic violence of all ages, under one roof. In addition to moving our current shelter, Sojourner Truth House, and the 24-hour hotline, Sojourner is joining with Children’s Hospital of Wisconsin to locate a Child Advocacy Center at the site. This will provide a more integrated system of services for adults and children who are impacted by domestic violence and child abuse.

619 W. Walnut Street, Milwaukee, Wisconsin
OPENING 2015

Since 1975, Sojourner has been an excellent resource for Milwaukee families experiencing violence in their homes. Our mission is to transform lives impacted by domestic violence. Sojourner offers services in three main areas: crisis housing, system advocacy and individual support.

All Sojourner services for survivors are free, confidential and available in English, Spanish, Hmong and Russian.
