Celebrating...
Stories of courage, resilience, and healing.

Cocktail reception, dinner, personal stories from survivors, live auction, mission moment

We invite you to an evening to celebrate survivors and the everyday impact of how Sojourner transforms lives. Your sponsorship support of *Be the Light* will make possible our lifesaving programs for nearly 10,000 survivors of domestic violence.
Transforming Lives

At Sojourner, we are working to build hope and healing for survivors of domestic violence. We are dedicated to offering love, dignity, and respect to everyone who comes to us for help. In addition to providing crisis housing, system advocacy and individual support, Sojourner Family Peace Center has a number of co-located and visiting partner organizations to make sure survivors have access to a wide array of services. Together, we create opportunities for survivors to achieve healing, self-sufficiency, and freedom from abuse. Join us as we make space for hurt to be healed and pain to be transformed.
