Families in Deep Poverty Need Immediate Short Term Relief

Please co-sponsor Rep. Decker’s Amd. # 7 to the FY 20 Supplemental Budget

Families who receive cash assistance can’t afford the extra costs of the pandemic.

- Cash assistance benefits are only $593 a month for a family of 3 with no countable income – less than one-third of the federal poverty level.
- Families who were struggling before are having an even harder time now.

The proposal would provide a one-time supplemental cash assistance payment.

- Seven other states have already done this: AL, CO, IL, NC, OK, RI, and WV.
- The one-time payment (cost $27.5 M) can be paid for with federal Coronavirus Relief Fund money.
- The Committee on Children, Families, and Persons with Disabilities approved the bill, H.4622, on April 15.

Cash assistance beneficiaries can’t pay for--

- A week’s groceries at once to reduce the frequency of shopping trips
- Extra toilet paper, soap and cleaning supplies needed because people are home all day
- Snacks and meals for kids who are home all day
- More cell phone minutes and better internet access
- An Uber or Lyft ride if they need to avoid public transit

Please co-sponsor Amd. #7 to provide pandemic relief to families in deep poverty.
