Financial assistance for damages caused by Hurricane Dorian

The New Brunswick Emergency Measures Organization is currently assessing the scope of damages caused this past September 7-8 by Hurricane Dorian. Primary homeowners who incurred non-insurable damages caused by Hurricane Dorian could be eligible for financial assistance.

We are therefore asking the citizens of Beaubassin-est who incurred damages that are not covered by their insurance to notify the municipality at 532-0730 so that we can prepare a list that will be provided to the Emergency Measures Organization.

For more information on the damages that could qualify for federal help, click on the following links:
