At Happy Moose Bar & Grill, we are proud to offer a unique game experience called Queen of Hearts. We've purchased an official, sealed board from Nannicola. It's kept in a locked case next to the bar.

### How It Works

- There are 52 cards and 2 jokers for a total of 54 cards.
- For a chance to draw for the Queen of Hearts, purchase a \$1 ticket.
- Tickets will be sold behind the bar.
- ALL TICKETS MUST HAVE YOUR LEGAL FIRST AND LAST NAME, PHONE NUMBER, AND CARD NUMBER YOU ARE CHOOSING ON THE BACK OF THE TICKET. IF THE NAME ON THE TICKET IS NOT LEGIBLE, THE TICKET WILL BE CONSIDERED VOID AND ANOTHER TICKET WILL BE DRAWN. IF THERE IS NO CARD NUMBER ON YOUR TICKET, ONE OF THE PRESENT BARTENDERS WILL MAKE THE SELECTION FOR YOU.
- Tickets will be sold at the bar only and the jackpot amount will be posted.
- The tickets will be sold until 7:15 p.m. on Tuesday's & placed in a container.
- Each Thursday at 7:30 p.m. there will be a ticket drawn for a chance to pick the Queen of Hearts.
- Each week after the drawing, all tickets will be thrown away and ticket sales will start over.
- The game will continue until someone picks the Queen of Hearts, then a new game will begin.

### Payout Structure

- Correctly selecting the Queen of Hearts gets 90% of the jackpot if that person is present during the drawing. The remaining 10% will roll into next week's jackpot.
- Correctly selecting the Queen of Hearts gets 50% of the jackpot if that person is not present. The remaining 50% will continue the contest.
- Joker Cards: \$200
- Face Cards: \$200
- Ace – 10: \$100

### Game Integrity

The owners of Happy Moose Bar and Grill will make up the Queen of Hearts Committee and will address all discrepancies with final say. Ownership reserves the right to change or alter the rules of the game at any time as they deem appropriate. Ownership will provide the initial starting jackpot at \$500.

All card winners other than the Queen of Hearts will be paid out immediately; jackpot winners will be paid out on Monday after all ticket sales are tabulated. Jackpot amounts will be displayed for players' information only.

### **Is the game 'queen of hearts' legal?**

Queen of hearts is a game known to be played different ways. Whether or not a certain game is legal depends on the specific facts and circumstances. As a general rule, when all proceeds collected in a queen of hearts game are paid out to the pool of all participants in the same game, it may be considered a “pool not conducted for profit,” which is not against the law in Ohio. However, if the operator takes a “cut” or “rake” of the proceeds, or if game proceeds are used to pay winners of other games, then the game may be a scheme of chance, which is illegal under Ohio law. Happy Moose Bar and Grill does not take any proceeds from the game. It is 100% payout.
