OUR VISION

We envision a community where every family embraces their power towards self-sufficiency to thrive and uplift Hunts Point.

WHO WE ARE

The Hunts Point Community Partnership is the hub of intentional services and resources for community members. Funded by ACS and implemented by The Hunts Point Alliance for Children, the Hunts Point CPP has been the driving force to create and launch Our Children’s Journey initiative.

OUR SERVICES

The Hunts Point Community Partnership’s primary focus is to connect families with organizations that directly advocate for and serve the community. Hunts Point Community Partnership identifies needs and makes connections to strengthen families and their access to services.

OUR INITIATIVE

Our Children’s Journey

GOAL 1:

Build social capital in Hunts Point to increase access to and participation in programs and services by families with children.

GOAL 2:

Increase family and caregiver access to early child development services, particularly for addressing mental health and behavioral issues.

The mission of Our Children’s Journey is to connect Hunts Point families with the capacities and knowledge needed to support the development of their children from prenatal to age eight.
