# Special Delivery!

Make your own mailbox for  
Valentine's Day like Chloe Zoe.

## You will need:

- A helpful adult • Empty shoe box • Construction paper • Glue stick • Scissors
- Wrapping paper (optional) • Coloring supplies like markers, crayons, colored pencils, or paint
- Decorations: glitter, patterned paper, stickers, buttons, feathers, sequins, ribbon, felt—anything you'd like!

## Instructions:

**Step 1:** Choose a piece of construction paper to decorate the top of your mailbox. Use a glue stick to coat the back of the paper and glue it to the lid. Ask an adult to help you wrap the extra paper around the edges of the lid.

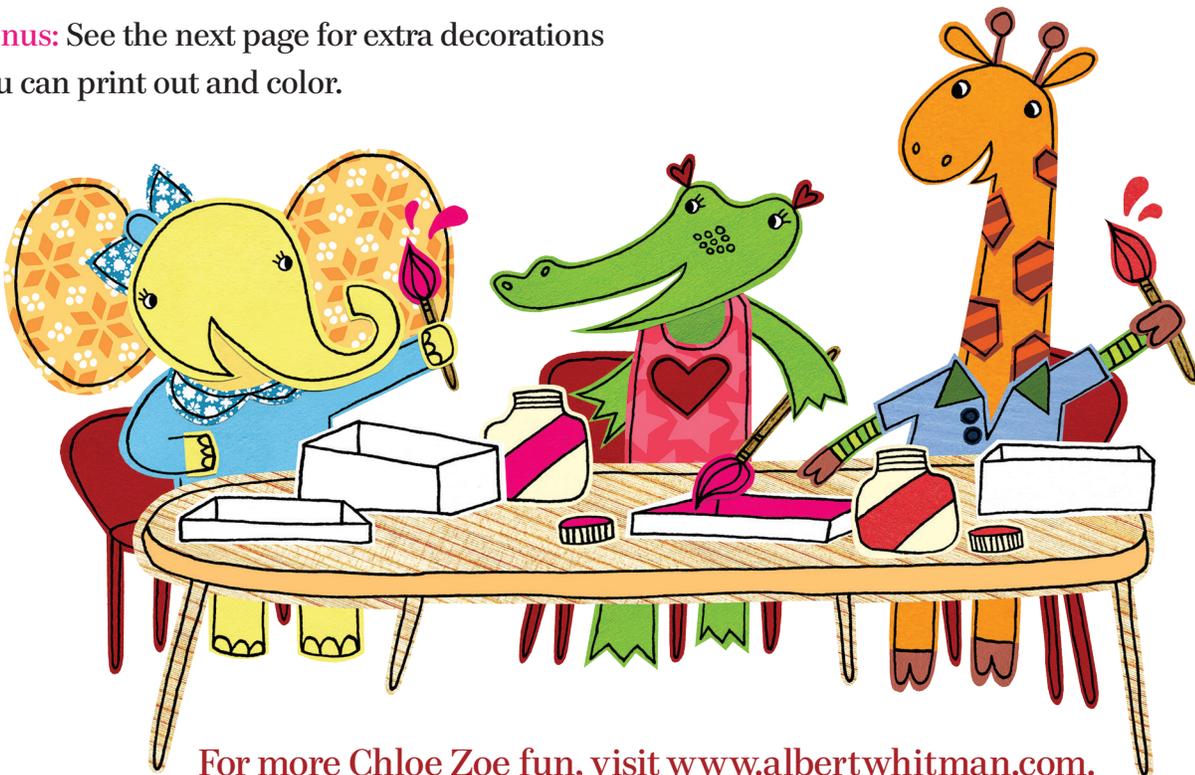

**Step 2:** This step is for grown-ups only. When the glue has dried, use a utility knife to cut out a six-inch by one-inch rectangle in the center of the lid. Your friends will use this as a mail slot for their Valentines!

**Step 3:** Follow the instructions for step 1 for the bottom of the box using another piece of construction paper or wrapping paper. Use additional pieces of paper to cover the sides if necessary. Wrapping the lid and bottom separately allows you to open the box to retrieve your valentines!

**Step 4:** Time to decorate! Use all of your coloring supplies and fun decorations to make your mailbox festive. Use as many or as few decorations as you'd like to personalize your mailbox.

**Bonus:** See the next page for extra decorations you can print out and color.
