Easter Basket

Make your own Easter basket
to go on an egg hunt like Chloe Zoe.

You will need:

• A helpful adult • Easter basket template • Coloring supplies like markers, crayons, colored pencils, or paint • Scissors • Glue stick • Decorations: glitter, stickers, buttons, feathers, sequins, ribbon, felt—anything you'd like!

Instructions:

Step 1: Ask an adult to help you print out the Easter basket template on the next page. Use your favorite coloring supplies to color and design the basket.

Step 2: Carefully cut out the template. Fold the template along the dashed lines, making sure that the colored side is on the outside of the basket.

Step 3: Apply glue to each of the tabs on the basket marked GLUE. Attach each tab to the back of the nearest side to form a box. Apply glue to each of the tabs on the handle marked GLUE. Attach the handle to the inside of two opposite sides of the basket.

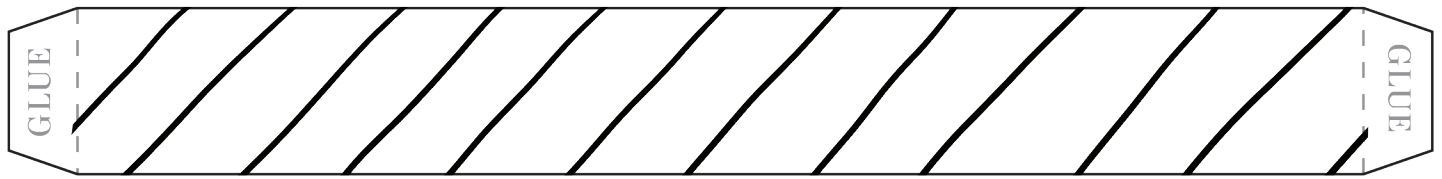

Step 4: When the glue has dried, add the finishing touches to your basket with any extra decorations you'd like. Color in the bonus decorations at the bottom of this page, cut them out, and glue them to your basket for even more fun!
