Story Starter

1) Finish drawing this light source. It could be the flame of a candle or a bulb on a string of twinkle lights. What other kinds of lights could it be? Maybe a fire in a fireplace? Or could it be in the sky? Light can glow in a circle or shine in a ray. It can be white, golden or colorful.

2) Now that you've drawn your light source, can you finish the story below? It begins with your light shining bright! What will happen next?

Moth floats through the dark, snowy woods. Up ahead

something is shining through the frosted trees. Ice glitters and Moth

hears laughter and song. Curious, Moth follows the light into an open

meadow and...
