You can change our food system for the better.

There’s little in this world that’s as universal as food. Food brings us together, nourishes us, and fuels our economy. Yet, today’s industrial-scale food system fails to provide for everyone and greatly damages our environment.

The San Diego Food System Alliance celebrates generous partners as we reinvent our food system. Visionary Circle members lead the way through their annual investment in our work.

Your generosity fuels bold transformation.

Visionary Circle members give us the tools to:

- **Promote Collaboration**, by managing a network of more than 150 food system organizations
- **Influence Policy**, by engaging in local, state, and federal advocacy efforts
- **Catalyze Transformation**, by providing education, organize community events, and offer capacity-building programs and services

### JOIN THE VISIONARY CIRCLE

Visionary Circle members contribute annually and receive member benefits.

- **$1,000 - $4,999 | Seed Circle**
- **$5,000+ | Citrus Circle**

Member benefits include:

- Invitations to Alliance events
- Invitations to special events and experiences
- Recognition on website, in printed materials

Citrus Circle members also receive:

- Special invite to exclusive food system tour
