EXHIBIT AND SPONSORSHIP OPPORTUNITIES
ABOUT ISSX/EACPT 2020

The International Society for the Study of Xenobiotics (ISSX) and the European Association for Clinical Pharmacology and Therapeutics (EACPT) is organizing an outstanding joint meeting and seeks to provide your organization opportunities to interact with a broad representation of approximately 650 researchers interested in drug metabolism and pharmacokinetics and other related areas of research.

In June 2020, researchers will convene in Geneva, Switzerland to present their latest research in the areas of study related to drug metabolism, clinical pharmacology, drug safety, and drug development.

This meeting will be a unique occasion for you to showcase your products and services and will bring together scientific leaders actively working on drug/xenobiotic research in diverse fields including basic and clinical pharmacology and therapeutics, toxicology, oncology, endocrinology, physiology, biochemistry, medicinal chemistry, molecular and structural biology, stem cells, small molecules, and more.

If your company’s products or services support research in these areas, we encourage you to make plans now to meet your future customers at the ISSX/EACPT 2020 Meeting.

ABOUT ISSX

The International Society for the Study of Xenobiotics (ISSX) was founded to advance research and education on the interplay of living systems with medicines and chemicals for the benefit of society worldwide. ISSX represents an international base of 1,100 members from more than 45 countries. Members are comprised fairly evenly between academic and industry groups and consist primarily of research scientists and future scientists in toxicology, pharmacology, molecular biology, and other disciplines related to the study of xenobiotics.

As the foremost organization representing the interests of researchers and educators in DMPK (Drug Metabolism and Pharmacokinetics) and other related areas of research, ISSX is engaged in multiple activities to support, promote, and advance the science worldwide.

ABOUT EACPT

The European Association for Clinical Pharmacology and Therapeutics (EACPT) is a learned society in the field of clinical pharmacology. It is the leading society in Europe serving the European and global clinical pharmacology and therapeutics community.

The EACPT includes all national organizations for clinical pharmacology in Europe and provides educational and scientific support for the more than 4000 individual professionals interested in clinical pharmacology and therapeutics throughout the European region, with its congresses attended by a global audience. The EACPT also holds summer schools, focus meetings and organizes other scientific and professional activities.

EXHIBITSMART SPONSORSHIP EVENTS

Exhibit Hall Reception
Includes sole sponsorship of the initial and the greatest attended function of the meeting. The reception takes place in the Exhibit Hall on Sunday, June 7. Includes recognition on the meeting website, in all promotional emails, on slides between sessions, in program guide, and on signs near the bars and buffets. Opportunity to welcome attendees from your booth on the house sound system.

Poster Awards Competition
Participate in the presentation of awards to the three predoctoral and three postdoctoral award winners. Your company representatives will be included in photographs that you can use for your own public relations activities after the meeting. Finalist’s poster display area will be highlighted with signs to recognize your support.

Industry-Sponsored Symposium
Organize and deliver educational session of up to 60 minutes in duration to meeting attendees. These symposia are outstanding opportunities to advance your brand to attendees. Topic must be scientific and not covered in sessions that are part of the official meeting program. May involve panels or individual subject matter experts. Sponsor is responsible for fees associated with audiovisual equipment and for food and beverage. Minimum requirement is non-alcoholic beverages and snack item but alcohol and full meals are permitted.

Short Course Lunch
The short course program on Sunday, June 7 will attract several hundred participants eager to learn. Participants of each of the four short courses will gather for lunch between sessions. Your company’s logo will be prominently placed on signs and in the short course handouts (digital).

Poster Sessions
Select one day’s sponsorship of the poster sessions. You will be recognized for your support with signs as attendees enter the poster hall and your company will be provided a poster board with special recognition affixed. You may present a scientific poster, even if previously presented or published, up to 970mm x 2300mm for the entire day.

Banquet Dinner
Secure sole sponsorship of the banquet dinner at the Four Seasons Hotel des Bergues. Sponsor recognition will be prevalent at the venue. Opportunity to give welcome remarks included.

Refreshment Break
Sponsor a coffee/beverage break during one of four afternoon breaks throughout the meeting. Includes signs at the beverage station.

EXHIBIT SMART SPONSORSHIP ITEMS

Abstract Book with Full Back Cover Ad
Be the sole sponsor of the publication of abstracts provided to all fully registered attendees. Sponsorship includes a full page back cover advertisement.

Attendee Giveaway Items
Multiple Opportunities
Provide all attendees with a giveaway from your company in the registration bags they receive at the start of the meeting. As an item sponsor, your company’s logo will be featured prominently on the giveaway item. Choose from pens, highlighters, luggage tags, or notepads. Note, imprint restrictions due to space. ISSX/EACPT selects the giveaway models and sponsor reviews proof.

Attendee Water Bottles
Quench their thirst! Water bottles imprinted with your company name and logo will be inserted into the meeting bags provided to each attendee. This meeting souvenir will be used long after the attendees return home. ISSX/EACPT will select the bottle.

Mobile App
Your company logo will be listed on the main page of the app that attendees will use as their guide to the meeting. Includes up to three push notifications to meeting attendees. ISSX/EACPT reserves right of message approval.

Wi-Fi
Keep the attendees connected! Your company will enjoy major brand exposure by being the official Wi-Fi provider of the meeting. You may designate the landing page and choose the SSID and password.

Name Badge Lanyards
Your company name/logo will be printed full color on the lanyard attached to attendee name badges and will be front and center in every face-to-face interaction at the meeting.

ISSX Award Sponsorship
Receive special recognition during the Awards Session and participate in the presentation of the award to the recipient.

One-Year Memberships in ISSX
Turn your support of this meeting into a benefit for your employees by selecting this benefit. Sponsor will be recognized most prominently at the meeting via size of logo used in all placements.

Attendee Lunch Tickets
Your company will be recognized prominently on-site at the meeting when you sponsor lunch tickets for attendees. Attendee lunch tickets will include your company logo and will be included in each attendee’s bag when they check-in at registration.

ISSX/EACPT RULES AND REGULATIONS

Purpose  By providing opportunities to interact with a broad representation of researchers interested in the advancement of the science, this meeting allows exhibitors and corporate supporters to reach decision-makers who purchase your products and services. Therefore, the meeting organizers are committed to fostering and improving their relationship with exhibitors and sponsors to ensure the future success of programs. Guidelines for our interactions with exhibiting companies and other corporate supporters ensure that all parties are treated fairly and equitably while maintaining the rigor and integrity of our programs and activities.

Marketing and Sponsorship Opportunities  ISSX/EACPT will publish a comprehensive guide to activities designed to elevate awareness of exhibiting companies and their products and services among ISSX and EACPT members. We encourage exhibitors to differentiate themselves from other companies competing for the time of our meeting attendees and to elevate your brand by being a meeting sponsor.

Ancillary Meetings and Social Events  Gatherings and events, including those that are purely social in nature, should be scheduled through the ISSX/EACPT Meeting Manager so as to avoid any conflict with any scheduled event, educational or social, in the meeting program. Exhibitors and sponsors should consult with the ISSX/EACPT Meeting Manager to ensure that this criterion is met. No ancillary meeting may be held without the review and approval of ISSX/EACPT and no function may conflict with any part of the official ISSX meeting program. Requests may be made via submission of the Ancillary Meeting/Function application form located on the meeting web site.

Exhibitor’s Representative  The Exhibitor will name one (1) individual as the duly authorized representative in charge of the exhibit. This individual will assume responsibility for all arrangements with ISSX/EACPT and the official meeting and general service contractor. In addition, this individual will receive all official correspondence from ISSX/EACPT referring to the exhibit and will be responsible for communicating this information to registered personnel from the exhibiting company and other third-party contractors.

Exhibiting Personnel  All exhibitors must register for badges. Two complimentary full access badges are included per each exhibit booth space. Additional badges may be purchased at discounted rates. Exhibitors who wish to attend short courses or the social event must register separately to attend these activities. Exhibitor personnel must register via the meeting registration site no later than Monday, May 18, 2020. Exhibit booths must be staffed at all times during official exhibition hours.

Exhibit Materials  The exhibitor agrees to arrange their exhibit so as not to obstruct or interfere in any way with the general view or the view of the exhibits or other exhibitors, or the free passage of spectators. No materials can be placed outside the confines of your booth; should you choose to remove your side walls, no materials may cross the line where the side wall was. In-line, perimeter and peninsula booths cannot exceed a height of 8’ tall. It is the decision of ISSX/EACPT Management as to what constitutes such obstruction or interference and their decision is final. Should show management have to physically move an exhibit, the exhibiting company will be responsible for any and all related costs.

Admission  The ISSX/EACPT meeting organizers shall have sole control over all admission policies at all times. Any person visiting the exhibits or attending any function of the meeting will be required to register and wear an appropriate badge while in attendance. Exhibitors are permitted inside the exhibition area one (1) hour prior to the exhibit hall opening each day in order to prepare their exhibits.
Subletting of Exhibit Space and Prohibited Uses  Exhibitors are prohibited from assigning or subletting a booth or any part of the space allotted to them. Exhibitors cannot exhibit or permit any merchandise or advertising materials to be exhibited in their space that are not a part of their own regular products. It is not permitted for money to change hands (including credit card payments) for products, merchandise, membership, or services of any kind in the exhibition area. Orders may be taken for payment at a later date. All applicable laws must be followed.

Use of the ISSX, EACPT, and/or Meeting Logos  The ISSX and EACPT names, meeting name, and/or meeting logo may not be used without permission. The use of the ISSX name and/or meeting logo may, on occasion, be associated with corporate support opportunities. Please contact ISSX at meetings@issx.org for information regarding how to obtain a review of your request.

Prizes and Giveaways  Exhibitors are permitted to run prize contests from within their own exhibit stand spaces without the use of any electronic sound amplification. Giveaways such as pens, note pads, candies, magnets, etc. may be distributed from your booth. Any planned giveaway item that is not standardly distributed at like exhibitions must be reviewed and considered for approval by ISSX/EACPT. Please contact meetings@issx.org for more information.

Food and Beverage Distribution  Distribution of food and beverages from exhibits must be approved by the meeting organizers in writing prior to the meeting and must be purchased through the convention center’s exclusive caterer. Items such as coffee, frozen desserts, whole fresh fruit, packaged nuts, candies, and bottled waters may be considered. Once approved, ISSX/EACPT will refer you to the appropriate contact at the convention center to make arrangements and the exhibitor will bear the full associated expenses.

Ads, Literature, and Door Drops  Canvassing or distributing advertising matter outside the exhibitor’s own space is not permitted. All exhibitor literature must be distributed from within the space assigned. No signs may be placed outside of the exhibiting company’s booth space. Only literature published or pre-approved by the meeting organizers may be distributed in the registration area, meeting rooms, hotels, and/or in other areas used by the meeting attendees. Hotel room door drops may be approved following review by ISSX/EACPT and payment of all applicable fees to ISSX/EACPT by the exhibiting company. Non-exhibitors are prohibited from door drops, placement of literature or signs, or any other like activities.

Music Licensing/Audio Presentations  The exhibitor shall be responsible for securing any and all necessary licenses or consents for: (a) any performances, displays and/or other uses of copyrighted works or patented inventions; and (b) any use of any name, likeness, signature, voice and/or other impression; and (c) other intellectual property owned by any third party that is used directly or indirectly by the exhibitor. The exhibitor agrees hereby to indemnify, defend, and hold ISSX and EACPT harmless from and against any claim of liability and any incident or resulting loss, cost, and/or damage (including costs of lawsuit and attorney’s fees) for failure to obtain these licenses or consents and/or for infringements or other violations of the property rights and/or the rights of privacy or publicity of any third party. The use of loudspeakers, recording equipment, television sets, computers, radios, and/or the use of machinery or any device that is of sufficient volume to annoy neighboring exhibitors will not be permitted.
Accessibility for Persons with Disabilities The representatives of each exhibiting company will be responsible for making their exhibits accessible to persons with disabilities. It is understood that the meeting organizers will be held harmless by the exhibiting company for the failure of its representatives to comply with this requirement.

Security and Insurance ISSX/EACPT will provide 24-hour guard service in and around the exhibit hall from move-in through move-out and will exercise reasonable care for the protection of exhibitors’ materials and displays. The furnishing of such service is in no case to be understood or interpreted by exhibitors as a guarantee to them against loss, theft, and/or damage of any kind. The meeting organizers or any officer, its agents, staff members, the CICG, and/or the official service decorator will not be liable for the safety of the exhibitors’ property, agents, and/or employees from theft and/or damage by fire, accident, or any other causes. Exhibitors wishing to insure their exhibit materials, goods and/or wares of exhibits against theft, damage by fire, accident, or loss of any kind must do so at their own expense. Each exhibiting company is responsible for obtaining insurance (liability and fire/theft) in such amounts as deemed appropriate to comply with its obligations here-under and for its own protection.

Limitations and Liability Exhibitors and/or their agents may not allow any articles to be brought into the exposition or any act performed on the premises that would invalidate the insurance or increase the premium of the policies held by the management of the convention center, the official general services contractor, and/or the meeting organizers; nor permit anything to be done by their employees and/or their agents through which the premises, property, or equipment of ISSX, the official general services contractor, the convention center, and/or other exhibitors will be damaged. The exhibitor and/or the exhibiting company will be held liable for any damage resulting from such violation. All space is leased subject to these restrictions. The meeting organizers have the right to terminate an exhibitor’s rights pursuant to this contract at any time after discovery of a violation of this provision.

Exhibitor agrees to protect, save and keep the meeting organizers, the CICG, and the official general services contractor forever harmless from any damage or charges imposed for violation of any law or ordinance by the exhibitor, company employees, or agents, and to strictly comply with the applicable terms and conditions contained in the agreement between the meeting organizers, the CICG, and the official general services contractor regarding the exhibition premises; and further, the exhibitor shall at all times protect, indemnify, save, and keep harmless the meeting organizers, the CICG, and the official general services contractor against and from any and all loss, cost, damage, liability, or expense that arises out of, from or by reason of any act or omission of exhibitor, company employees, and/or its agents.

Fire Regulations All materials used in the exhibit area must be flameproof and fire-resistant to conform to local fire ordinances and in accordance with regulations established by the Geneva Fire Prevention Bureau. Crêpe paper, corrugated paper, flameproof or otherwise, will not be permitted. All displays are subject to inspection by the local fire prevention authority. Any exhibits or parts thereof found not to be fireproof may be ordered dismantled. All aisles and exhibits must be kept clear at all times and fire stations and fire extinguisher equipment are not to be covered or obstructed. Absolutely no storage of any kind will be permitted behind an exhibitor’s booth.
Character of Exhibit and Meeting The character of the exhibit is subject to the approval of the meeting organizers. The right is reserved by ISSX/EACPT to refuse contracts not meeting the standards required or expected, as well as the right to curtail exhibits, or parts thereof, which reflect against the character of the meeting. This reservation applies to persons and their conduct, articles of merchandise, printed matter, souvenirs, catalogues, and any other items, without limitations, that affect the character of the exhibit.

Violations Each exhibitor, company agents, and employees agree to abide by the contract conditions/rules and regulations set forth herein, or any subsequent amendments or interpretations. Violation of any of these regulations on the part of the exhibitor, company employees, or agents shall annul the right to occupy space, and such exhibitor will forfeit all monies that may have been paid. Upon evidence of violations, the meeting organizers may re-enter and take possession of the space occupied by the exhibitor and may remove all personal items at the exhibitor’s risk. The exhibitor shall pay all expenses and damages that the meeting organizers may incur thereby as a result.

Cancellation and Refund Policy Notification of cancellation must be made in writing. If contract is canceled prior to Monday, March 2, 2020, a refund of the total amount contracted, less 50% (USD), will be issued. For any cancellation received for exhibition space that is unpaid, a payment of 50% of the total amount of the exhibition space shall be paid to ISSX/EACPT. No refunds will be issued after March 2, 2020 at which point all sales are final and any exhibit payments owed will be demanded.

Meeting Cancellation In the event of exhibition cancellation due to fire, strikes, government regulations, or other causes beyond the control of the meeting organizers, ISSX/EACPT shall not be held liable for failure to hold the ISSX/EACPT 2020 Meeting as scheduled and ISSX/EACPT shall determine the amount of the exhibit fees to be refunded, if any.

Hotel Accommodations It is a violation of the ISSX/EACPT exhibit contract to make reservations for sleeping rooms outside of the official meeting hotel block without written permission from ISSX. Exhibitors are required to support ISSX/EACPT by reserving accommodations in one of the three hotels in our room block. Go to www.issxeacpt2020.org/travel to reserve accommodations. An audit will be conducted. Violating companies will be banned from exhibiting for one year.

Value Added Tax (VAT) This consumption tax is added to most goods and services in many countries around the world. The VAT in Switzerland is 7.7%. Certain exhibiting companies may file to reclaim VAT. ISSX is not responsible for any exhibitor’s VAT reclaimation.
