Re: British Columbia | Canada 150: Celebrating B.C. Communities and their Contributions to Canada

To whom it may concern,

On behalf of the Revelstoke Chamber of Commerce, I am writing this letter to express our support for the BC Interior Forestry Museum's funding request for a structure to be located in the open landing area of the Riverside Forest Walk.

The BC Interior Forestry Museum is a member of our Chamber. They're playing an important role to bring special events to our community that support reconciliation, resilience, diversity and accessibility; these values mirror those of our Chamber.

This structure will be a meeting place for outside functions, providing an outdoor stage for culture and arts in a very natural setting that highlights the beauty of our surroundings.

Please consider these points when reviewing their application for funding support.

Sincerely,

Maggie Spizzirri
President, Revelstoke Chamber of Commerce
