BUSINESS ADVOCATES

CHAMBER SUPPORTERS
As Chairwoman of the St. Bernard Chamber of Commerce, I have the distinct honor of knowing where the Chamber has been in the past and leading the Chamber towards its future. Throughout my years volunteering for the St. Bernard Chamber of Commerce, I have seen much growth, success and a gradual shift towards this organization becoming vital to the success of St. Bernard Parish. Through our partnerships with other local chambers of commerce, and other regional affiliates, we have reached new audiences who have previously never heard of the virtues of our great parish. We have achieved a level of new exposure that highlights St. Bernard Parish as a wonderful place to do business, buy a home, and raise a family. The Chamber has been at the forefront of making the partnerships that are shifting those perceptions. From networking events, to business education, to leadership opportunities, St. Bernard Chamber is taking businesses and citizens to the next level in the new decade.

I am honored to be in the company of St. Bernard’s fiercest advocates for support, development, and growth of our local businesses. The Chamber of Commerce has blazed a trail promoting networking, committee memberships, and educational seminars for dedicated entrepreneurs in our Parish. The addition of our new CEO, Elizabeth Dauterive, and Marketing and Operations Manager, Jessie Eisner-Kleyle, have continued our upward trend in profitability, notoriety, and increased event attendance. Under the tireless leadership of present Chair, Mindy Nunez Airhart and past chair Kerri Callais the Chamber has met and crushed its goals for the year. We remain thankful for their contributions and leadership.

As Vice Chair I am excited for the Chamber to set new standards for the new year. We hope to increase our membership expanding the wealth of resources offered to our members. We plan to add events spot lighting local businesses and provide opportunities for engagement with a wide variety of executives, local government officials, and community partners. Our goal is to be St. Bernard’s go-to resource for business advocacy, resources, community involvement, and professional development. We hope you will join us in supporting the economic growth of our Parish.
Elizabeth Dauterive received her Bachelor of Casino, Restaurant, and Tourism Management from the University of Southern Mississippi. Elizabeth has a variety of management, leadership, and event planning experience within the tourism and nonprofit sectors. Prior to joining the Chamber staff in March 2019, she worked as an Event Manager for the JW Marriott New Orleans. She spent five and a half years working within the New Orleans hotel industry. Prior to that, she was an intern for BayFest Music Festival in Mobile, Alabama.

“St. Bernard has seen tremendous growth over the last few years. As a member of this community, the growth and success of our businesses is of utmost importance to me. Our mission is to provide the resources and representation essential for the enhancement of our business environment. We have a wonderful and talented network of peers to increase your business opportunities, community involvement, and brand presence. Let us help you grow your business!”

Annual Gala

The Chamber treated guests to A Midsummer Night’s Dream at a magical Docville Farm event on August 10th. An evening of celebrating the Chamber and our members, attendees frolicked to the music of Karma, Pirogue’s Whiskey Bayou created two special libations for the evening and Southern Eagle Distributing provided beer, while Crave! kept everyone fed with an incredible array of treats. A silent auction got art, tickets and experiences out into the community, while a special live auction raised funds for Chamber non-profit members Sister Hearts Thrift Store, CASA New Orleans and the St. Bernard Battered Women’s Program.
The St. Bernard Port, Harbor and Terminal District is strategically located on the lower Mississippi River, connected to the nation by the Mississippi River and Gulf Intracoastal Waterway System, all six Class 1 Railroads and interstate highways. Globally importing and exporting raw materials, the St. Bernard Port is truly multimodal. The Port is home to the only calm-water, deep-draft slip on the lower Mississippi River, with four separate mid-stream buoys, located at four different sites. The buoys service both bulk and break-bulk cargos, with the loading and unloading of ships, ranging in sizes up to 1,000-foot cape-sized vessels. More than twenty-two million short tons of cargo was handled in St. Bernard Parish in 2018.

Spotlight St. Bernard: Business Expo and Job Fair

The St. Bernard Chamber of Commerce with St. Bernard Parish Government and Tri-Parish Works proudly brought back Spotlight St. Bernard: St. Bernard Chamber Business Expo & Job Fair on September 5, 2019. Last held in 2016 as The St. Bernard Chamber Business and Community Expo, this year’s event offered local businesses and job seekers the opportunity to see what St. Bernard has to offer to both companies and employees. Once the biggest annual trade show in St. Bernard Parish, this reinvigorated event was aimed at business to business networking and community exposure. Representatives from a wide range of industries, including non-profits, food service, refineries, transportation, hospitality and more were on hand to interact with the community and answer questions.
This series, hosted by the Chamber and St. Bernard Economic Development Foundation, offers professional development on a variety of topics. This six session series benefits attendees by offering training, education and networking, from guest speakers, panel boards and roundtable discussions. 2019 topics included a Financial Bootcamp with Dean Martin, Jr., Partner CPA at Kushner LaGraize, a Community event with panelists Chelsey Tharp Quirk, Co-Owner of Girls Gone Buff and Parish Barbell Club, Heather Atwood-Maher, Realtor at NOLA Real Estate 4-U, and Stephen and Jeanne Luna, Owners of Luna Botanicals and a session on Regionalism with Jessie Williams of Main Squeeze and Root System Technology, among others.
Leadership St. Bernard &
Blues Brews & BBQ

Leadership St. Bernard is an innovative program sponsored by The St. Bernard Chamber of Commerce to assist in preparing emerging community leaders for positions in local government, business and community affairs. The purpose is to provide a forum that motivates and increases the awareness of potential leaders by giving them an intense course which encompasses a broad scope of community concerns. As ongoing outreach to St. Bernard and neighboring communities, Blues Brews & BBQ is hosted on the first weekend in October each year. This festival gives LSB graduates real-world experience in planning and promotion while organizing local blues musicians and BBQ vendors for a day of festivities at Docville Farm.
Monthly Luncheons

In 2019, the Chamber hosted luncheons and breakfasts, to offer consistent networking opportunities and increase visibility for the Chamber and our members. Each event features food from one of our member restaurants, and a notable speaker from the Parish and beyond. 2019 speakers included Lieutenant Governor Billy Nungesser, Louis Armstrong New Orleans International Airport’s Director of Aviation Kevin Doliole, Nunez Community College Chancellor Dr. Tina Tinney and Executive Director of the Regional Planning Commission, Jeffrey W. Roesel AICP.
The St. Bernard Chamber of Commerce and St. Bernard Parish Government proudly partner to welcome new businesses in the community with grand opening ribbon cutting ceremonies. The ribbon cuttings are attended by elected officials, civic leaders and Chamber members, and followed by coverage and promotion via press release courtesy of Parish Government. The goal of the ribbon cutting ceremonies is to promote awareness of new businesses in St. Bernard Parish and to show support for economic development in our community.
State of the Parish

Each year, the St. Bernard Chamber of Commerce partners with St. Bernard Parish Government to host the annual State of the Parish Luncheon. In 2019, the annual luncheon featured a presentation by Louisiana Governor John Bel Edwards, as well as the keynote State of the Parish Address by St. Bernard Parish President Guy McInnis. 2019’s event boasted a record attendance of over 300 attendees. The event provides attendees with updates regarding state and local projects, accomplishments and upcoming goals set forth by our community leaders.
Tour da Parish

The St. Bernard Chamber of Commerce gathered cyclists from across the country for the 5th Annual Tour da Parish, a non-competitive Bike Ride around beautiful St. Bernard Parish. With 4 course options, cyclists enjoyed a beautiful view of scenic areas both up and down the road before returning to the Los Islenos Heritage Site at 1345 Bayou Rd for the End of the World Finish Fest!
