Don’t Use It? Donate It!

Who knew fundraising could be so much fun?! Here’s everything you need to host a successful Bring Your Bling (BYB) event.
Bring Your Bling™ Event Guidelines

**Why host a Bring Your Bling event?**

Bring Your Bling events are a fun and easy way to raise money for your favorite cause(s) without writing a check! Did you know most households have an average of $800 in unwanted or unused gold and silver items?

So dig out those broken gold and silver chains, orphan earrings, and unwanted inheritances and put them to good use — that’s Jewelry For Good!

You’ll not only help raise money for charity, you’re also helping the environment. Recycling precious metals takes considerably less energy than mining raw ore, and produces far less waste. You’re also reducing demand for conflict minerals, which helps alleviate human suffering.

What better reason to gather with friends than to help a good cause, help the earth, and help humanity, all at the same time!

**Who to invite**

You can invite anyone who loves a good time and has a favorite cause they’d like to support!

Get creative, and think of groups that are already gathering together, either regularly (like a book club, social group, or church or synagogue service) or for a special event (birthdays, reunions, etc.).

Or just like to invite your friends over for a BYB brunch, lunch, or cocktail party! Almost any event can be a successful BYB fundraiser.
