## PATIENT / INSURANCE/ PHARMACEUTICAL / FINANCIAL AGREEMENT

I, the undersigned give permission for The Center for Women clinicians and staff to give me medical treatment. I understand I have the right to refuse any procedure or treatment. I understand I have the right to discuss all medical treatments with my provider within The Center for Women.

I allow the Center for Women to file for insurance benefits to pay for the care I receive if such insurance is in effect.

I authorize J. Harley Barrow, Jr., M.D. or Amanda G. Thornton, A.P.N. to release to my insurance company any medical records or information required by them. I understand my medical insurance may not cover the fee(s) for professional services rendered to me and I am responsible for these fees.

I authorize payment of medical benefits due me to be paid directly to any provider with The Center for Women listed above. A photocopy of this agreement shall be valid as the original. I understand **PAYMENT IS DUE AT THE TIME OF SERVICE**. I may ask for an estimate of fees prior to services being rendered and further understand they may not include any additional or future services ordered for my medical care. Financial arrangements may be made with a counselor for surgical and obstetrical services. Accounts not paid or maintained as in any payment agreements set, are eligible for collection measures.

I authorize The Center for Women permission to access my current and past medications from pharmacy benefit managers or community pharmacies. This can highlight potential medication issues and improve safety and quality of my medical care.

I understand The Center for Women is a participant of SHARE (State Health Alliance for Records Exchange) Arkansas' state-wide health information exchange (HIE) to enhance the care of patients. SHARE allows participating doctors and hospitals to share and retrieve health information in a secure, electronic manner. HIE provides the capability to electronically move clinical information between disparate health care information systems to facilitate access to and retrieval of clinical data, thereby helping to provide safer, timely, efficient, effective, equitable patientcentered care. Any patient can OPT-OUT of this sharing of their records by initialing the next line. By doing this, your records will not be submitted for sharing to other providers that may need to treat you in an emergent situation.

I want to OPT-OUT of having my records entered into the SHARE AR HIE.

I agree that the facility, The Center for Women, or any other collection or servicing agency or agencies retained by the facility (together referred to hereafter as "collectors") to collect any money that I owe to the facility may contact me by telephone or text message at any number given by me or otherwise associated with my account, including but not limited to, cellular/wireless telephone numbers which may result in my incurring fees for the call or text message. I understand, acknowledge and agree that the collectors may contact me by automatic dialing devices and through pre-recorded messages, artificial voice messages or voice mail messages. I further agree that the collectors may contact me using e-mail or any e-mail address I provide to the facility or is otherwise associated with my account.
