PRO KNEE[®] AP16[®] ALL PURPOSE KNEEPADS

AP16[®]
PATENTED WORLDWIDE

ADJUSTABLE STRAPS

- Pre-angled to allow two different strap placement options
- 1-3/8" W poly woven yarn

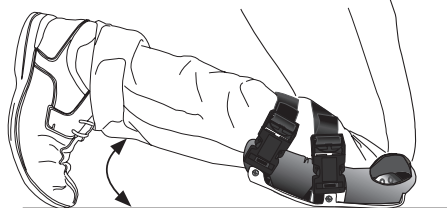

SMARTLOCK[®] PLUS
PATENTED QUICK RELEASE BUCKLE

- Ergonomic, larger format buckle is easy on fingers
- Automatically locks in your perfect strap length with just a pull to give you a comfortable fit you can work in all day long
- 1-3/4" W buckles made from plastic resin

LIVE HINGE

- Creates "Fit like a glove" feeling

LIVE HINGE ▲

10.5° Maximum Angle Flexible Joint

URETHANE CUSHION INSERT

- 2 thickness options - 5/8" and 1"
- 1 full length piece with wear liner on both sides
- Safe & resilient with consistent compression springback to help absorb shock out of day to day wear & tear from kneeling

TUCKED IN LINER

- 3/16" thick
- Wicks away moisture
- Keeps Cushion Inserts clean
- No wrinkle fabrication adds comfort
- Offer a snug, stay-it-place fit

USE ON
