## MY OWN PERSONALIZED WINE

Wine club Members can create their own wine with the L'and grape varieties: Alicante, Touriga Franca, Touriga Nacional e Syrah.

Members can blend the existing varieties and control the wine ageing, providing Members with their unique reserve wine, each year. Member have permanent access to the winery to control their wine evolution

## VINIFICATION IN PERSONAL MICRO VAT

L'AND winery was specially designed to allow club members to make their wine in an individual micro vat, so that all the fundamental aspects of the wine experience can be controlled.

This unique feature in Portugal is an option for Member who wish to deepen their wine making experience.

## MY OWN BARREL

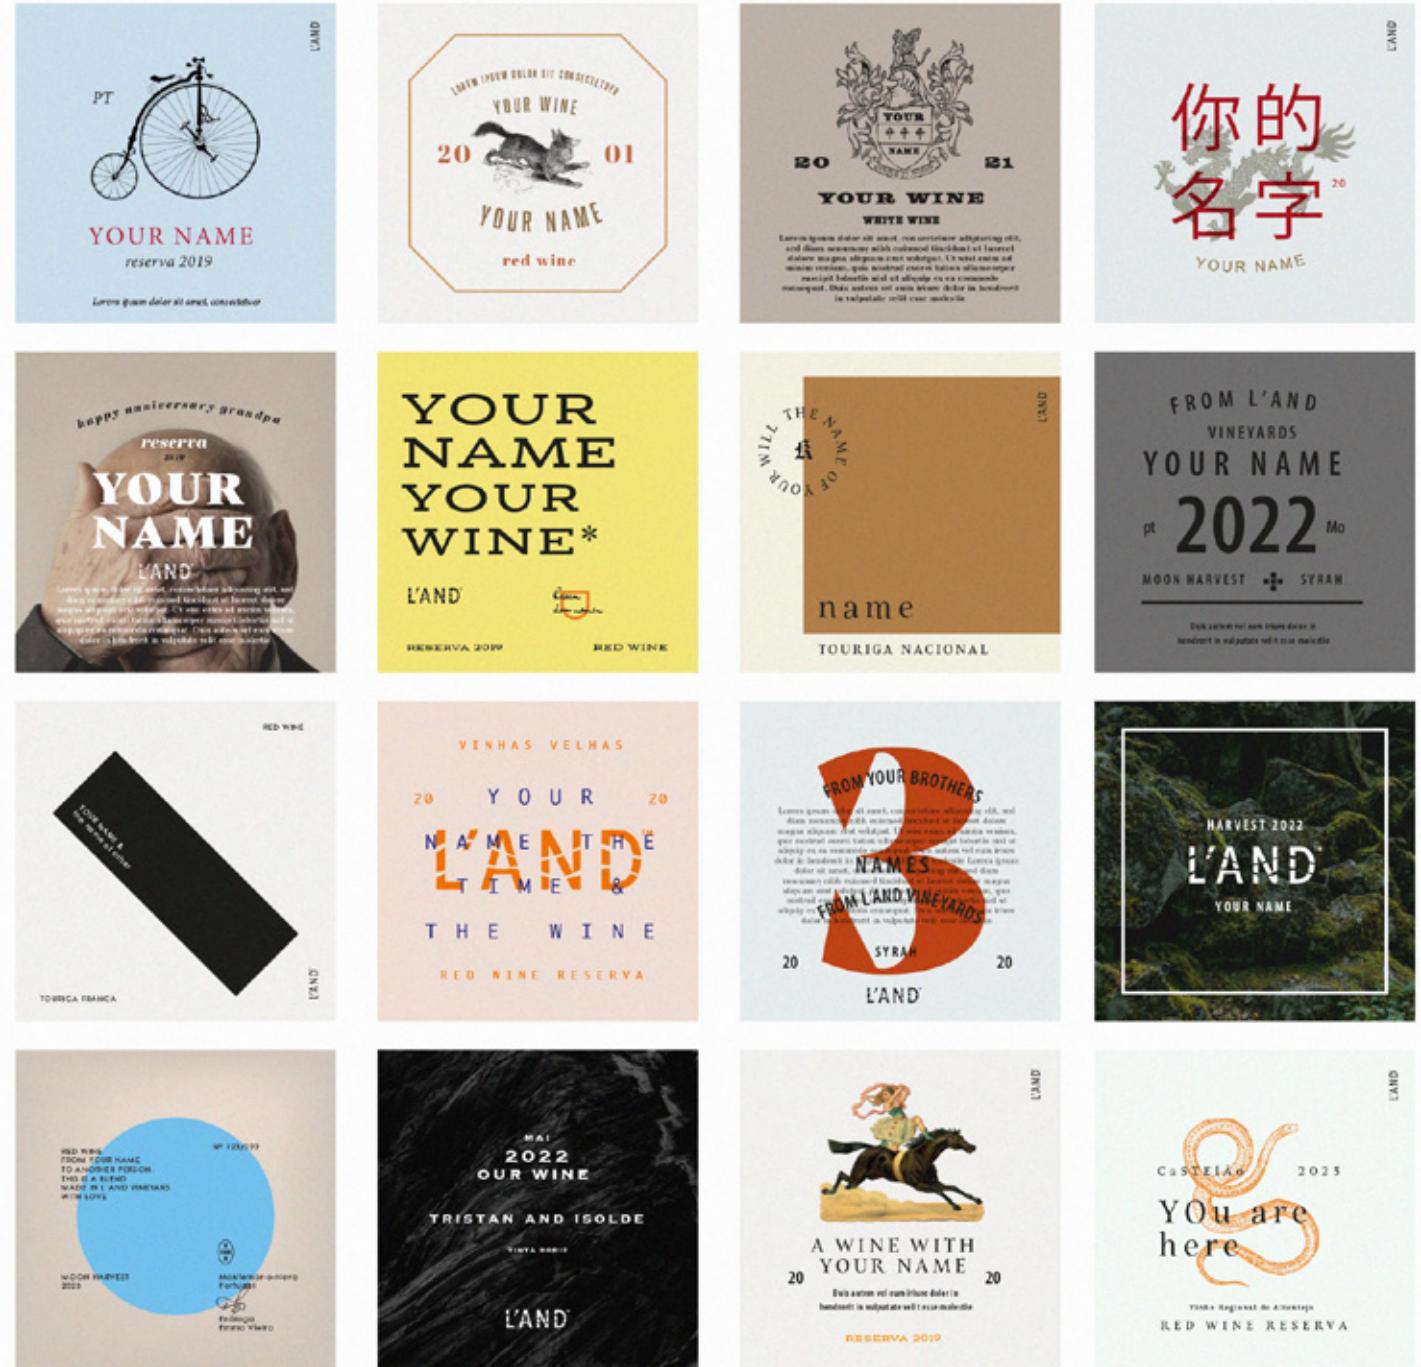

Each member has the option to have space in the cellar to stage their wine in their own barrels made of self selected wood.

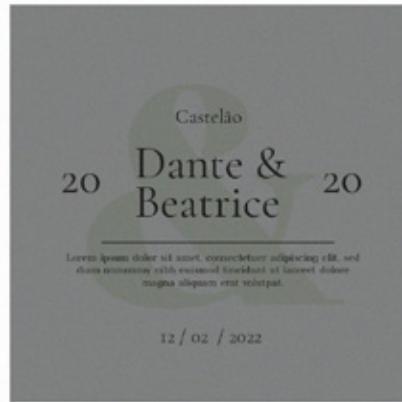

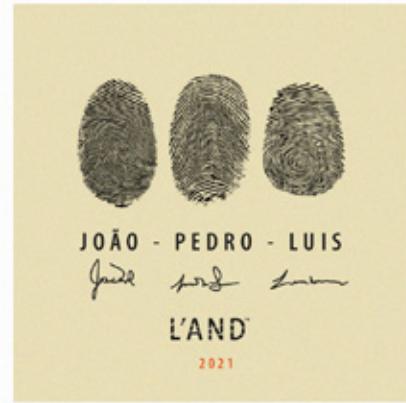

## MY OWN BOTTLE AND LABEL

L'AND wine club as developed a partnership with "ones atelier" allowing each member to have their own personal wine label.

Members will also be able to choose a personal wine bottle.

## LABELS FOR SPECIAL OCCASIONS

Sharing wine has always been a way to celebrate special occasions in life.

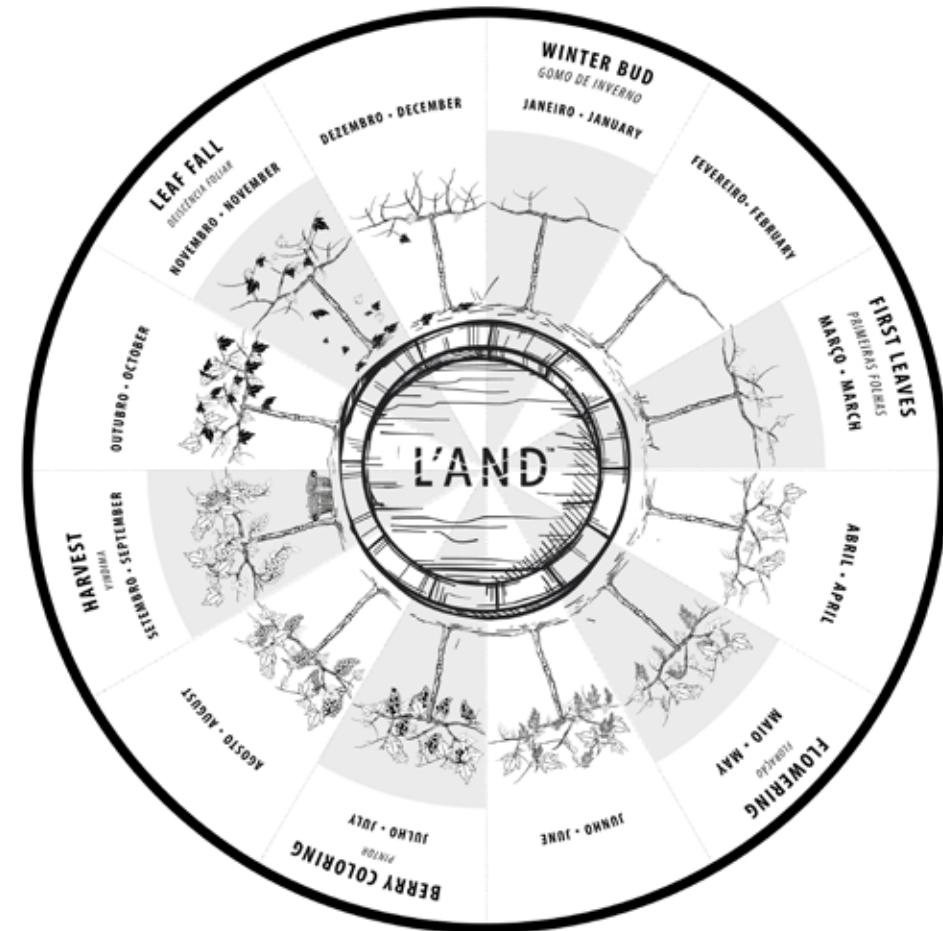

Wine club members have the option to create special wine labels for special occasions.

We will ensure this personalised gift of your own wine celebrates in a unique way a very special occasion.

## CELEBRATING WINE CULTURE WITH NATURE'S PACE

Each year, L'AND wine club creates a set of wine related activities to celebrate the evolution of the vines.

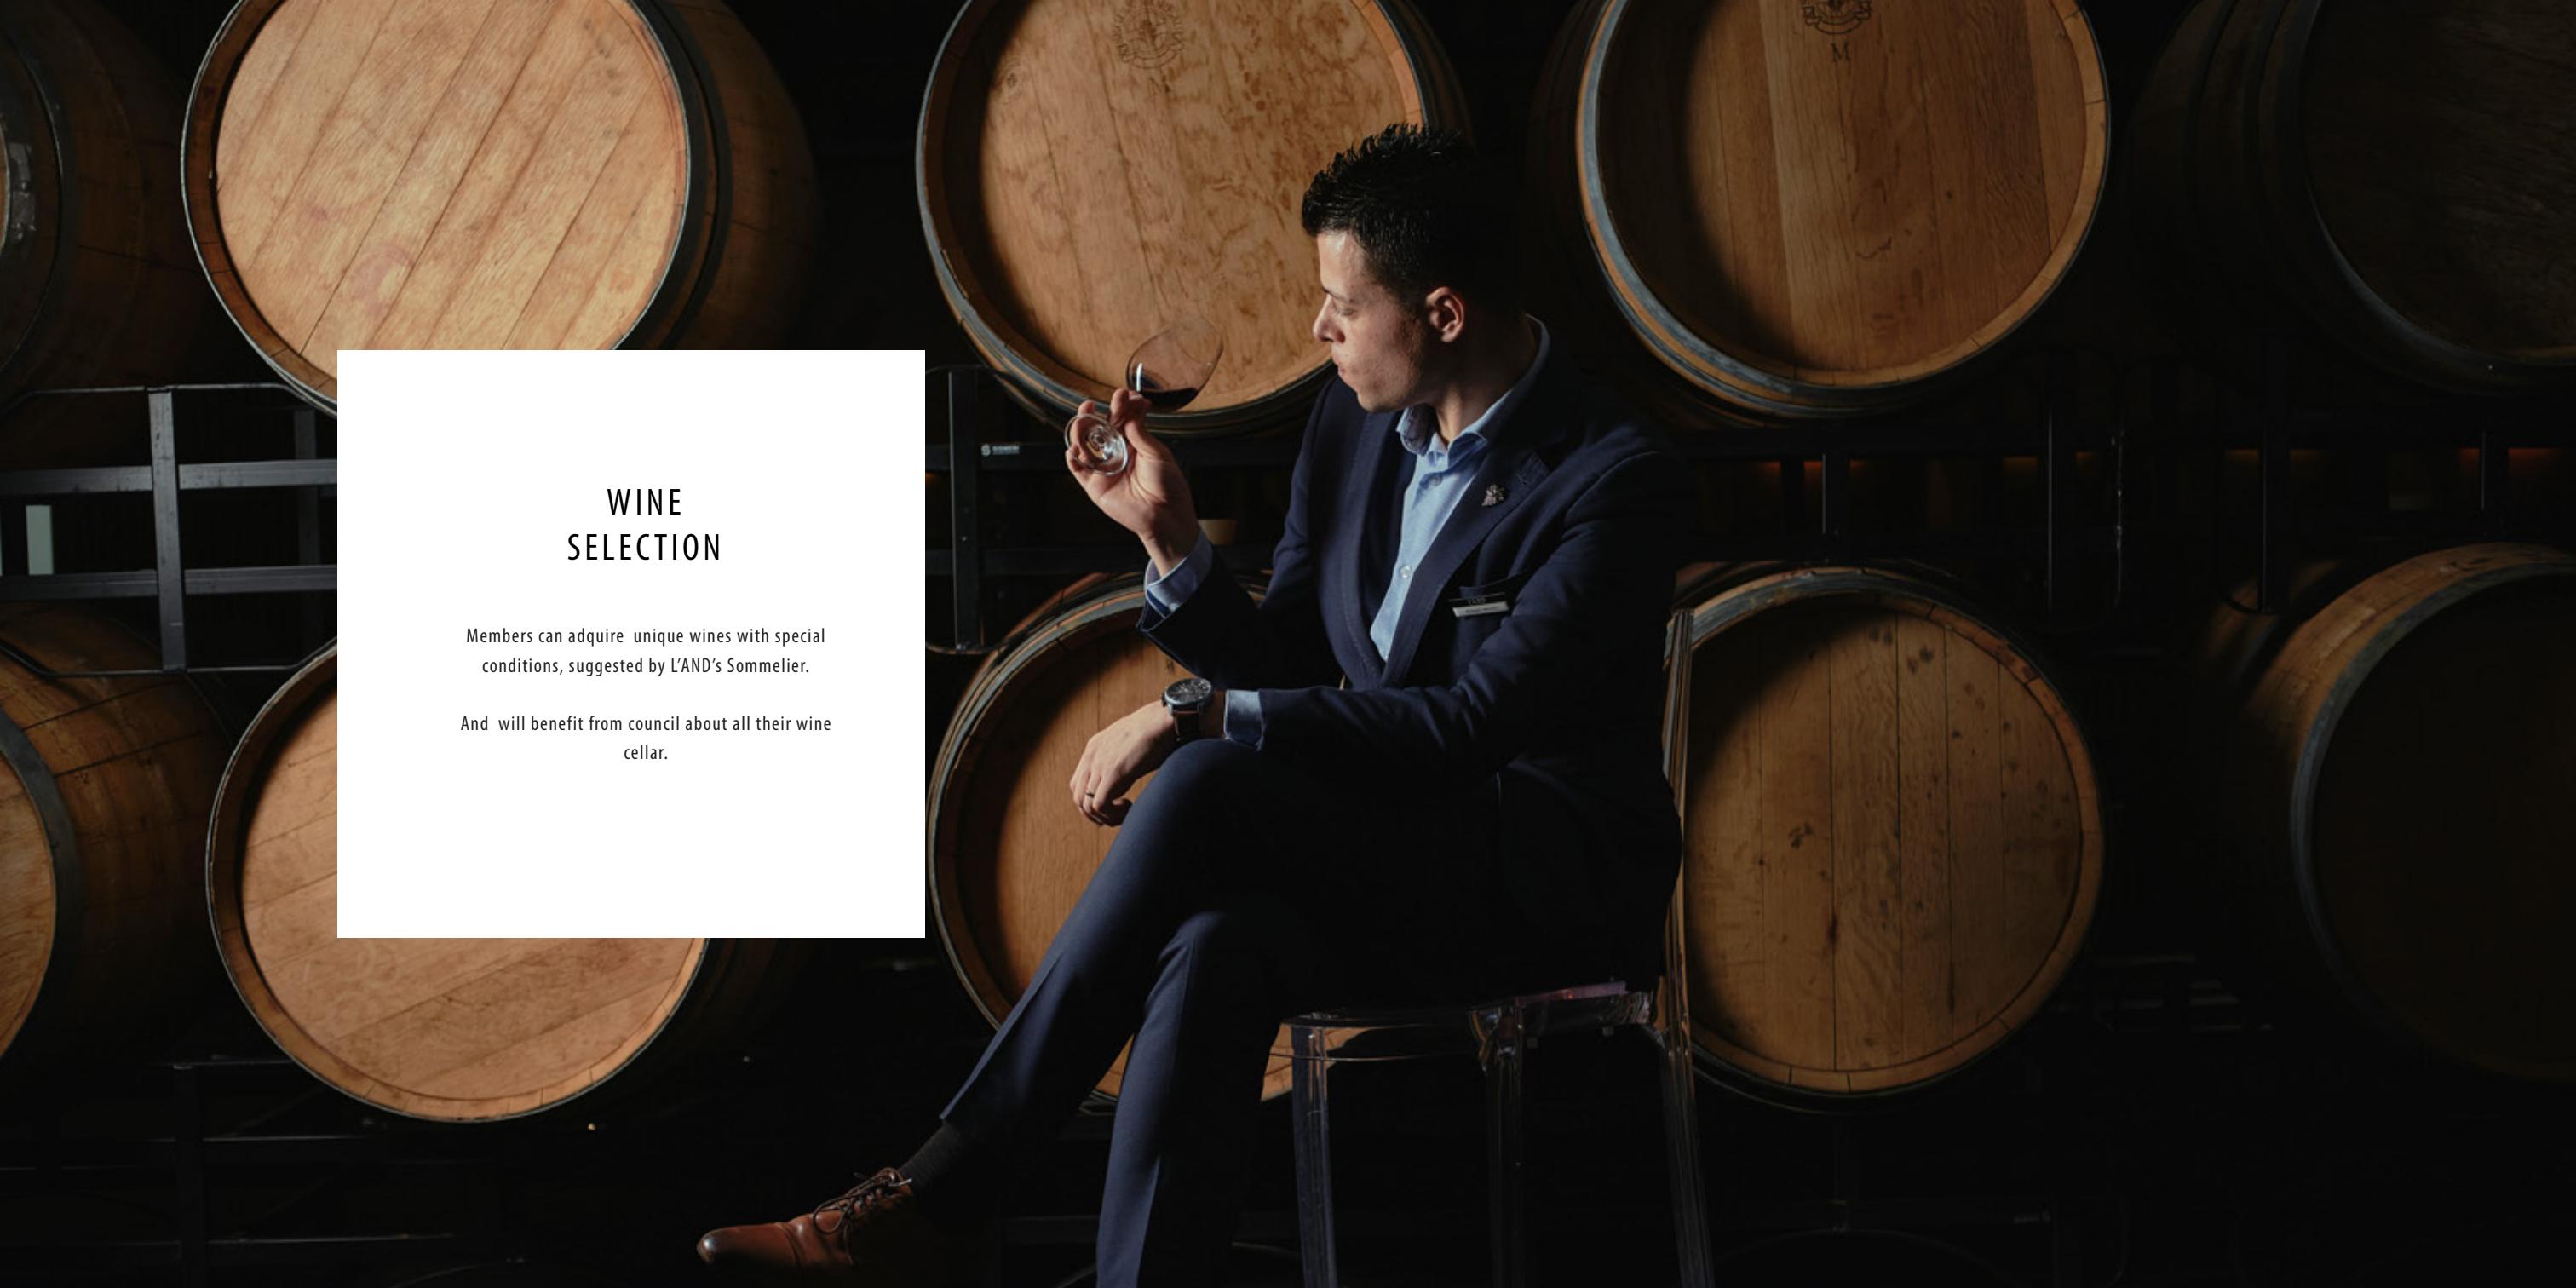

All the activities - wine courses, wine tasting, visits to winery - aim to deepen the members Wine culture.

Each Harvest is a reason to celebrate life

Early September marks the yearly harvest event. Members and their guests are welcome to actively take part in the harvest activities and join the celebration with a special dinner and party.
