VINOBLE SPA MENU

L'AND Vinotherapy Spa, offers an unique experience of serenity and pleasure to the ones who visit it. With exclusive rituals, massages and beauty treatments, based on local grapes and other natural products.

Under the signature of the renowned Austrian and vegan brand Vinoble, each product combines highly concentrated extracts from grapes with delicate fragrances and textures.

Occupying 800 m2 with a serene environment, designed by Marcio Kogan and based on natural stone and wood, the SPA offers an indoor heated pool, sauna and treatment rooms suitable for exclusive treatments and relaxation.

With each visit to the spa you will feel what a well-deserved break means:
A R E G E N E R A T I V E D E C E L E R A T I O N
A N D P U R E R E L A X A T I O N

CONNECT TO NATURE! SHARE SKIN HAPPINESS!

This is what we call a happy skin. Skin happiness can easily be recognized.
Skin happiness is also about inner attitude.

To be happy in your skin means to stand by your wrinkles and to recognize that even in aging
there is beauty.
The path to happy skin includes a healthy lifestyle combined with natural care and a positive attitude
towards life.

VINOBLE TREATMENT CONCEPT

- Dynamic treatment concept based on booked times
- The focus is on the guest and his/her needs

Treatments by Vinoble offer guests and customers maximum flexibility because they focus on the time booked. This way, the therapist can respond to the individual needs and wishes of each guest and offer optimal skin and home-care advice after each treatment.

Lay back, relax, enjoy. You are going to feel youthful lightness and satisfaction here and now. With every single application of Vinoble's highly-effective and exclusive cosmetics, our treatment experts want you to experience a well-deserved break, every time you visit the spa.

MASSAGES

Our massages are performed with Vinoble Body Oils, based on grape seed.

You can choose between Grapeseed Oil, Detox Oil, Soothing Oil or Activating Oil, heated for better comfort.

The therapists adapt the movements and pressure to your needs, making each massage unique and personalized.

DEEP RELAX

30min | 50min | 80min

Personalized Body Massage, adapted to the duration desired by the client, and to the area of the body to be treated.

This treatment induces a deep sense of tranquility and well-being, both physically and emotionally, releasing tension in the body and mind.

SPORT MASSAGE

50min | 80min

Massage aimed for sportsmen and women, contributing to muscle relaxation and recovery, with numerous benefits such as increased blood circulation, improved joint mobility and injury prevention.

MDSHAPER – BODYDRAINING&SLIMMING&DETOX

30min | 60min | 85min

This is an exclusive treatment created by our Vinotherapists, with results in the first session. For a better result, several techniques are combined, adapted to each body and each objective, as well as Manual Lymphatic Drainage, Draining Massage, Anti-cellulite and Remodeling.

HOT STONES

50min | 75min

Gentle and relaxing massage, where hot basalt stones are applied to specific points of the body, providing deep muscle relaxation and a feeling of comfort and well-being.

PRENATAL

50min

Recommended between 15 and 35 weeks of gestation (*)

Light muscle relaxation massage, which contributes to the well-being of the pregnant woman, reducing muscle pain and the feeling of “heavy body”.

The massage is performed with Grapeseed Base Oil. Medical advice is important for its realization, since it has several contraindications, such as: uncontrolled blood pressure, severe venous deficiency, renal failure, placental detachment, among others.

() The contraindication of massage in pregnant women, outside the indicated time, is related to the existing risks for the mother and baby, since reflex points are stimulated, there is an increase in blood circulation and the production of oxytocin, as well as an increased intra-abdominal pressure that can cause intrauterine contractions affecting the fetus.*

HEAD MASSAGE

20min

Very gentle Relaxation Massage on the head, neck and face. In addition to providing deep relaxation it also contributes to a better functioning of the cranial sacral system.

REFLEXOLOGY PLANTAR

45min

This is a powerful ancient technique, which stimulates the reflex points present on the feet, and the pressure on these points produces an effect on the different internal organs, promoting their balance. It is ideal for those losing weight. Its valuable ingredients support the body's natural detoxification and purification processes. The carefully extracted grape seed oil nourishes the skin

PEELINGS

VINOBLE PEELING WITH GRAPE SEEDS

75min

Intense body exfoliation with grape seed, sea salt, brown sugar, moisturizing cream and grape seed oil. A treatment that removes dead skin layers and promotes hydration and regeneration.

VINOBLE PEELING AND FULL BODY MASSAGE

80min

This is a very complete treatment where our exfoliation is added with a relaxing body massage, where the oil used will reinforce the skin's hydration.

WRAPS

DETOX BODY WRAP

30min

This wrap based on viniferine and caffeine, is ideal for those who want to detoxify the body and lose weight. Its active components stimulate the body's detoxification and blood circulation, leading to the burning of unwanted fat.

MOISTURIZING WRAP

30min

The preparation used in this treatment is based on numerous components that promote more intense skin hydration.

HONEY AND WINE WRAP

30min

Honey and wine yeast present in this wrapping, enhance the skin's hydration, as well as its regeneration and stimulation of the production of the skin's immune defenses.

BATHS

RED GRAPE BATH

20min

Relax in our hot tub! To the benefits of hydromassage, we add viniferine with anti-inflammatory characteristics, a strong draining component, accelerating the decomposition of cellular fat in addition to nourishing and smoothing the skin.

The perfect complement to our body treatments!

FACIAL CARE

Our face care are carried out with VINOBLE products bringing to you all the benefits of the Vinotherapy.

The natural ingredients of the grape present in our products, will contribute to a cleansing and detoxification of the skin, providing greater hydration and protection, which will be reflected in its texture and inevitably in its appearance.

OPCs are the main active ingredient of VINOBLE products, coming from the grape seed and with a strong antioxidant effect, protecting the skin against premature aging.

Polyphenols (resveratrol, among others), grape seed oil, and grape stem cells are also present ingredients that contribute to collagen synthesis as well as to skin regeneration and protection.

In the benefit of wine therapy, combined with the experience of our wine therapists, you will find a treatment suited to your needs, so you can enjoy moments of relaxation, while taking care of your skin.
