

Community Health Navigator, Healthy Acadia's PROSPER Initiative

Healthy Acadia, a non-profit community health coalition providing health services primarily in Washington and Hancock counties and as well as across Maine, seeks a **Community Health Navigator** to join a dynamic team passionate about making it easier for all people to lead healthier lives. Reporting to the Recovery Projects Director, the Community Health Navigator will support the implementation of a system of care navigation through the HRSA PROSPER Initiative, serving individuals with substance use disorder (SUD) and their children from pregnancy through age three. The position will serve Hancock County, Maine.

Responsibilities:

Community Health Navigator will provide key support and partnership to the PROSPER Community Health Navigation team, working together with Consortium members and other partners to develop referral systems, provide education and outreach about PROSPER, provide in-depth navigation services and care coordination for clients, and coordination of education, training, and support groups for families and the community. There will be travel throughout the service area to support clients, in addition to offering virtual support.

Qualifications and Experience Sought:

- Working knowledge of local and regional health care systems, social services, and other resources preferred.
- Personal experience with the recovery process and/or knowledge of pathways to recovery.
- Team player able to elevate the success of colleagues and community.
- Ability to manage and disseminate information effectively to a wide variety of audiences.
- Strong communication skills: ability to listen well, write and speak effectively.
- Highly self-motivated, ability to work independently from the office or in the community.
- Highly organized with the ability to work on multiple projects concurrently; set and keep deadlines; regularly prioritize work and follow own plan of work.
- Warm, personable, and approachable. Ability to work with diverse people, conduct culturally competent outreach, and build and maintain strong working relationships with diverse partner organizations.
- Ability to exercise good judgment in the face of competing priorities, agendas, and partner sensitivities.
- Bachelor's degree in Social Work or similar field, or equivalent experience.

This is a part-time position (20 hours/week), with part-time benefits. Salary range: \$18-20/hour. Regular travel throughout the project service area and occasional travel beyond is required. Full COVID-19 vaccination or appropriate medical exemption by the prospective employee's start date is a requirement of this position.

To apply: Please send a cover letter, resume and contact information for three professional references, in a single document, to: jobs@healthyacadia.org. Accepting applications until May 15, 2023, or until a suitable candidate is found.

Healthy Acadia provides equal employment opportunities to all individuals regardless of their race, color, creed, religion, gender, age, sexual orientation, national origin, disability, veteran status, or any other characteristic protected by state, federal, or local law. Healthy Acadia takes affirmative action to ensure that applicants and employees are treated fairly during the application process and post-hiring employment without regard to any of these characteristics. Discrimination of any type is not tolerated. Healthy Acadia is committed to creating a diverse work environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status.
