Our Mission
This nonprofit organization, founded in 1978, works to strengthen the diverse human community through the promotion and practice of nonviolence and understanding.

Our Goals
The volunteer members of the MLK Coalition strive to fulfill that mission by keeping Dr. King’s memory and ideals alive through the annual program and related activities.

Our Work
The MLK Coalition works year-round to promote Dr. King’s Legacy with annual MLK Day events and other programs.

On MLK Day each year, activities begin with the King Legacy Awards Breakfast held at the Freedom Center.

After the Breakfast, a Commemorative Civil Rights March begins at the Freedom Center, proceeds to Fountain Square for an interfaith prayer service, and then continues to Music Hall for a commemorative program.

The Commemorative Program at Music Hall includes music by the award-winning MLK Coalition Chorale.
