About the Organization
SFU Applied Sciences Outreach (with Science AL!VE) strives to engage youth in hands-on STEAM (Science, Technology, Engineering, Art & Design, Mathematics) programs to build measurable skills and improve self-confidence.

Aligned with the SFU Faculty of Applied Sciences' mandate, we aim to dispel stereotypes in the field of science and engineering and work towards achieving diversity and inclusion. We work to empower those traditionally under-represented groups in STEAM by developing barrier-free programs for girls, at-risk youth, and Indigenous communities.

About the Position
STEAM Instructor, Summer Academy will learn, develop, and facilitate half-day Summer Academy camps.

Under the guidance of the Coordinator, Outreach Programs; Operations Assistant, Student Assistants the part-time STEAM instructor responsibilities include, but are not limited to:
